AP Exam Window Attendance Policy:

- Parents/guardians **do not need to contact the Attendance Office** to excuse their student's AP Exam testing date(s).
- Parents/guardians should only call or email the Attendance Office if they receive a 6PM AutoDialer phone call/email absence notification regarding their testing student's attendance.

Students will receive an all-day School-related absence on their exam day(s).

The Attendance Office has been provided with a list of students to excuse for AP Testing.

Students should speak to teachers regarding their work missed on the day of their exam, and are welcome to attend all classes that are outside of their testing window. If they are unable to return to classes after their exam or do not attend classes prior to their exam, the absence will be marked as School-Related. Location of the Exam(s):

- The majority of exams will be located on the IHS campus
