NOTICE OF ABATEMENT WORK

Dear Parents and Staff of Joliet High School District #204

During the past years, School District No. #204 has made a conscientious effort to identify and remove asbestos containing materials from its school buildings. To that end, we have made considerable strides. These removal projects are consistently tied to renovation projects or will surface as a specific project when unknown material is found within concealed areas during an ongoing project.

Joliet Central High School (Boiler Room Building) will be removing asbestos containing pipe/fitting and boiler insulation materials to facilitate the Boiler Replacement project. The abatement project is scheduled from April 29, 2019 through May 24, 2019. Asbestos containing thermal system insulation materials are documented in the boiler room building that is scheduled to be renovated. These materials will need to be removed prior to any other work proceeding, following all regulatory laws pertaining to A.H.E.R.A. (Asbestos Hazard Emergency Response Act) and EPA's NESHAP regulations.

The work areas will remain closed to all parents, students and staff during the duration of this removal project.

Please feel free to contact Joe Lopez, Director of Buildings and Grounds, 815/727-6991 with any questions related to this work.

Thank you,

Joe Lopez
Director of Buildings and Grounds
Joliet Central High School District #204

Re: Notice to Proceed Asbestos Abatement at Joliet High Central School (Boiler Room Abatement)

Dear: Mr. Boll,

This letter is to advise Colfax Corporation that Joliet High School District #204 has awarded Colfax Corporation the asbestos abatement project at Joliet Central High School in the amount of \$142,000.00. This removal project is scheduled to be completed April 29, 2019 thru May 24, 2019 and will follow all applicable regulations concerning AHERA, IDPH, NESHAPS and OSHA compliance.

- Asbestos Removal Bid Cost: \$142,000.00
- Total Project Estimate Cost: \$200,000.00
- Joliet Central High School - Total Square Footage: 785,000 SF
- Number of Stories: 4
- Original Construction Year: 1901
- School ID Number: **(IDPH# 56-099-2040-17-0001)**
- AHERA Inspector IDPH License Number: 100-00433
- Lab that performed original sample analysis: EMSL

Please feel free to contact me at 815/325-3168 if you have any questions. Thank you.

Sincerely,

Mr. Joe Lopez
