

2019-2020 REGISTRATION INFORMATION

It is that time of year again. We need to begin re-enrolling students for the coming 2019/2020 school year. It is essential that we have accurate student data for all students enrolled in our District before the end of the 2018/2019 school year. This will assist us with planning, staffing, and establishing the new bus routes for the coming year. Thank you for your continued support of our schools as we attempt to best meet the needs of our students.

Enrollment/Re-enrollment/Residency

Please be alerted to the fact that Minooka District 201 will again require all new and returning students to establish residency in order to be enrolled for the next school year. All new families will be required to register their children in person at one of the schools. Please understand this practice is done in an effort to protect our taxpayers. **Non-residents will need to enroll in the school district where they reside. Proof of residency will be required for all returning students.** Students will not be allowed to register for the next school year without providing proof of residency. Two current proofs of residency are required from the lists below:

Category 1 (One proof from this category) **AND** Category 2 (One proof from this category)

Valid Home Ownership title or deed

Current Property Tax Bill

Lease or Rental Agreement (apartment or home)
(for fall of 2019)

Current Utility Bills (water, gas, electric,
cable, dish, or phone)

Insurance Bills (homeowners, rental, or auto)

We will have PowerSchool online registration available soon and we will email you when it is ready. If you would like to register we have paper copies of all packets on the website for you to fill out and take to the school your child attends.
