PREAMBLE

In order to effectuate the provisions of RCW 41.56, the Public Employees' Collective Bargaining Act (hereinafter the ACT); and to set forth prescribed rights with respect to wages, hours, terms and conditions of employment of the employees who hold extracurricular positions in the Franklin Pierce School District which do not require OSPI certification, this Agreement is made and entered into this 1st day of September 2018, by and between the District and the Association.

PART I – DISTRICT/ASSOCIATION RELATIONSHIPS

ARTICLE 1 RECOGNITION

- 1.1 The District hereby recognizes the Franklin Pierce Education Association as the exclusive bargaining representative for all employees who hold extra-curricular supplemental positions in the Franklin Pierce School District that do not require OSPI certification excluding casual and confidential employees.
- 1.2 The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the employees, and to no other organization(s) representing any portion of the unit or potential member of the unit.
- 1.3 Unless the context in which they are used clearly requires otherwise, words in this Agreement denoting gender shall include both the masculine and feminine; and words denoting number shall include both the singular and plural; and the word "day(s)" shall mean school days during the school year and all week days, except holidays, during the remainder of the year.

ARTICLE 2 RIGHTS

Section 2.1 Rights of Employees.

- (A) The District agrees that it shall not unlawfully discriminate against any employee by reason of race, religion, color, national origin, sex, sexual orientation, marital status, age, or due to any sensory, mental, or physical handicap, or membership in the Association. The District shall not discriminate by reason of domicile.
- (B) The private and personal life of an employee is of no concern to the District except to the extent that it interferes with the employee carrying out his/her responsibilities within the District.
- (C) An employee, at his/her option shall be entitled to have present a representative of the Association during any meeting called by the District, or an authorized agent of the District, wherein the employee has a reasonable expectation that he/she might be disciplined or penalized.
- (D) Employees shall not be disciplined without just cause. Any action taken against an employee shall be appropriate to the behavior which precipitates said action. Formal discipline shall be in private. The specific grounds forming the basis for any disciplinary action shall be provided to the employee, in writing, prior to any formal disciplinary action. Any complaint or accusation made against an employee which could result in disciplinary action or have an adverse impact on the employee's evaluation will be called to the attention of the employee within ten (10) working days. Not returning an employee to a position or stipend for the next season or activity shall not be construed as discipline.

- (E) Each employee shall have the right to inspect his/her own personnel file at any reasonable time. The employee shall have access to all material in the file except those items from the confidential college placement file. Non-confidential file material shall be reproduced for the employee if requested. The employee shall pay for the expense of such reproduction. The District shall send the appropriate employee a copy of any letters of complaint within ten (10) working days of receipt of said complaint and, if such letter is placed in the personnel file, the employee may answer the complaint and attach the answer to the letter. All derogatory materials from the employee's personnel file shall be removed at the request of the employee three (3) calendar years after the letter is placed in the file except those items disallowed under State statute. This provision shall not be construed to prohibit the District from maintaining records of investigations or discipline in files other than the employee's personnel file, nor shall this provision be construed as a limitation on matters which may be considered by the District or an arbitrator in determining the appropriate level of discipline for an act of employee misconduct. Such request must be made in writing to the Director of Human Resources. The employee's annual evaluation shall be exempt from this provision. Employees shall have the right to respond, in writing, to any material contained in their personnel file. Materials gathered, as a result of an investigation, shall not be placed in the employee's personnel file until the investigation is concluded.
- (F) Investigations of employees resulting from complaints or accusations made against them shall be completed within thirty (30) days of the incident giving rise to the investigation except in cases involving outside agencies, lack of employee cooperation, or other circumstances beyond the District's control. Nothing herein shall be construed to limit the District's authority to determine whether to offer a new contract to an employee in a subsequent season.
- (G) During the term of this agreement the FPEAAA and members of the bargaining unit, as individuals or as a group, shall not initiate, cause, permit or participate in any strike, work stoppage, slow down, picket or any other restriction of work against the District. Employees, while acting in the course of their employment, shall not honor any picket line established at or around any District property. Disciplinary action, including discharge may be taken by the District against employees violating this Section.
- (H) Each employee shall comply with the school and District rules, policies, and regulations, as well as WIAA standards for students and staff. Coaches and activity advisors shall maintain WIAA certification as a condition of employment.
- (I) A head coach who receives notice that his/her coaching assignment will not be continued for the next year may appeal the decision to the District's Superintendent. To do so, within ten (10) calendar days of receiving notice that his/her coaching assignment will not be continued, s/he must submit a letter to the District's Superintendent stating the basis for the appeal. The Superintendent will hear the appeal within ten (10) calendar days. If the Superintendent is unavailable within the specified time frame, the parties may mutually agree to extend the timeline if necessary. The head coach may invite a union representative to attend the meeting with the Superintendent. The Superintendent's decision will be final.
- (J) Coaches who are also certificated employees shall not be required to attend more than two after school district/building meetings per month outside their contracted work day if such meetings conflict with the coach's practice. After gathering input from coaches, principals shall determine at the beginning of each season which two meetings coaches will be expected to attend each month. This prohibition does not apply to IEP meetings or other necessary meetings with parents and students. Nothing herein shall relieve a certificated staff member of their responsibility to obtain and learn materials provided in such meetings.

Coaches will not be required to arrange supervision of students while attending PLC meetings.

Mandatory (non-elective) content meetings conducted by Teaching and Learning shall not be scheduled during the first week of a sports season.

- (K) The Association President or his/her designee shall meet with the Superintendent or his/her designee at least quarterly to review implementation of this Agreement and/or to discuss such other matters as might be of mutual concern.

At these meetings proposed changes in District policies, regulations, procedures, etc., may be raised by either the District or the Association so as to obtain or express the considered professional judgment of the Association with respect to the proposed changes. Such policies, regulations, procedures, etc., shall not be grievable unless they constitute a specific violation, misapplication or misinterpretation of a specific provision(s) of this Agreement.

Section 2.2 Rights of District

The customary and usual rights, powers, functions, and authority of management are vested in management officials of the District, excepting where the District expressly and in specific terms has agreed to limit those rights in this agreement. Included in these rights in accordance with applicable laws and regulations are the right to direct the work force, the rights to hire, promote, retain, transfer and assign employees in positions; the right to suspend, discharge, demote or take other disciplinary actions against employees; and the right to release employees from duties because of lack of work or other legitimate reasons. The District shall retain the right to maintain efficiency of the District operations by determining the methods, the means, and the personnel by which such operation is conducted.

The right to make reasonable rules and regulations shall be considered acknowledged functions of the District. In making rules and regulations related to personnel policies, procedures and practices, and matters of working conditions, the District shall abide by the rights of the Association and the employees and to the obligations imposed by the Agreement.

ARTICLE 3 GRIEVANCE PROCEDURE

Section 3.1 Purpose. The purpose of the grievance procedure is to provide orderly and expeditious means for resolving problems or grievances at the lowest possible level.

Section 3.2 Definitions.

“Grievance” shall mean a claim by an employee that there exists a violation, misinterpretation, or misapplication of a specific provision(s) of this Agreement.

“Grievant” shall mean an employee in the bargaining unit, except as provided in Section 4.3.

“Days” shall mean school days during the school year and all week days, except holidays, during the remainder of the year.

“Time Limits” shall be considered maximum except that both parties may mutually agree in writing to extend such limits with respect to any particular grievance. If time limits are not met by a grievant, the grievance shall be considered waived. If time limits are not met by the District, the grievant shall have the right to proceed to the next level of the grievance procedure.

Section 3.3 Association Grievances. The Association shall have the right to grieve any violation, misapplication, or misinterpretation of any provision(s) involving the Association. Such grievances shall be filed at Step 2 of the grievance procedure.

Section 3.4 Information Discussion. Any employee having a problem concerning a violation, misinterpretation, or misapplication of this Agreement shall, within twenty (20) days of the time the employee had knowledge of or should have had knowledge of the problem, discuss the problem informally with the principal or appropriate immediate administrator and shall set forth the provision(s)

believed to be violated, misinterpreted, or misapplied. In the event the problem is not resolved informally in the discussions with the immediate administrator, the employee may, within thirty (30) days of the time the employee had knowledge of or should have had knowledge of the problem, take the matter up as a grievance as outlined in Section 4.5.

Section 3.5 Grievance Procedure. The following sets forth steps to be followed when attempting to resolve grievances:

STEP 1: In the event the problem is not resolved informally, as set forth in Section 3.4, it shall be reduced to writing and submitted to the appropriate administrator as a grievance within thirty (30) days of the time the grievant had knowledge of, or should have had knowledge of, the problem giving rise to the grievance. The written grievance shall state the fact(s) upon which it is based, the issue(s) involved, any Agreement provisions allegedly violated, and relief sought.

A meeting between the grievant and the administrator shall be held to resolve the grievance within ten (10) days following receipt of the written grievance by the administrator. The administrator must respond to the written grievance within 10 days following this meeting.

STEP 2: In the event the grievant is unsatisfied with the disposition of the grievance at Step 1, or in the event no decision is reached within ten (10) days after the presentation of the grievance, the grievant and/or the Association may, within five (5) days thereafter, refer the matter in writing to the District Superintendent, either by registered mail or in person.

- (A) If the Association decides not to pursue the grievance, it shall so notify the grievant and the District Superintendent in writing, and the matter, insofar as the Association is concerned, is terminated.
- (B) An Association representative and the grievant, in pursuing the grievance on behalf of the grievant, shall meet with the Superintendent and/or his/her designated representative(s) within ten (10) working days of the Superintendent's receipt of the notice in an effort to resolve the grievance. The Superintendent or his/her designee shall issue a written response to the grievance within fifteen (15) days following this meeting.
- (C) Time limits, as set forth in this section, shall also apply when an employee is acting on his/her own behalf.

STEP 3: In the event the grievant is unsatisfied with the disposition of the grievance at the conclusion of Step 2, said grievant may refer the matter to arbitration as provided below. If the grievant is unsatisfied with the disposition of Step 2 of the grievance procedure, the grievant may, within ten (10) days, and with the consent of the Association, submit the matter to arbitration. Notice of intent to arbitrate shall first be provided to the District in writing. Except for Association grievances as defined in Section 4.3, submission of any grievance to arbitration shall require the grieving employee's consent.

Any grievance relating to interpretation or application of the specific provision(s) of this Agreement may be submitted to arbitration unless excluded by the other provisions of this Agreement or this Article.

Section 3.6 Arbitration. To effectuate arbitration, the Association shall request within the ten (10) days a list of arbitrators from the Public Employment Relations Commission (PERC), the Federal Mediation and Conciliation Service (FMCS), or the American Arbitration Association (AAA), in accordance with their rules governing arbitrator selection. The Association and the District may also otherwise agree to an arbitrator. The scope of the arbitrator's authority shall be limited to grievances arising from specific provisions of the Agreement, and the arbitrator shall be without authority to add to, subtract from, or alter any of the terms of the Agreement. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law.

The arbitrator shall render his decision within thirty (30) calendar days following the conclusion of the arbitration hearing or submission of any post-hearing briefs. The parties shall have ten (10) days in which to submit such briefs.

Each party shall bear its own costs of arbitration, except that the cost of the arbitrator, court cost, (reporter, hearing room, etc.) shall be shared equally by the District and the Association.

The decision and/or award shall set forth the arbitrator's findings of fact, reasoning, and conclusions on the issues submitted and shall be final and binding on all parties.

The Arbitrator shall have no power or authority to rule on any of the following:

- (a) A decision not to continue a supplemental contract except in the case of a procedural error.
- (b) The content of an employee's evaluation except in the case of a procedural error.

Section 3.7 Representation. The grievant shall have the right to have representation by the Association at any step in the formal grievance procedure. Nothing contained herein shall preclude an employee from presenting his/her grievance to the District and resolving such grievance through Step 2 without intervention of the Association. The District shall provide copies of such written grievances to the Association, advising it of meetings pertaining to resolution of the grievances so the Association may attend and make its views known.

The District shall honor any reasonable request from the Association, and the Association shall honor any reasonable request from the District, for information pertinent to the investigation, processing, or resolution of a grievance.

Section 3.8 Released Time. Should the investigation or processing of any grievance require an employee to be released from his/her regular assignment, he/she shall be released and the Association shall compensate the District for all required substitute costs, except if such request for released time is made by the District. Grievance hearings and meetings will take place outside of the regular work day or by mutual agreement of the parties.

Section 3.9 Confidentiality and Good Faith. The Association and the District recognize that confidentiality and good faith are key elements to a successful grievance procedure. Accordingly, both pledge themselves to participate in good faith and to require the parties involved to limit the number of additional persons knowing the names of the grievant to those necessary to a successful resolution.

Section 3.10 No Reprisals. There shall be no threats or reprisals of any kind by the Association or its members against any employee who does not wish to file a grievance or settle a grievance or who appears as a witness or gives testimony in the grievance procedure. There shall be no threats or reprisals of any kind by the District against any party due to his/her involvement in the grievance procedure.

Section 3.11 Separate Files. All documents, communications, and records dealing with processing of a grievance shall be filed separately and not in any of the individual's personnel files.

- 4.5 Assistant coaches will be provided written feedback on their work performance via Appendix D on an annual basis, including areas of strength and areas for growth. Head coaches shall provide the evaluator with feedback related to assistant or volunteer coach performance upon request, but shall not be assigned to evaluate or take personnel actions with regard to assistant coaches.

Funding of such activities must meet all other District requirements.
 - c. At the Athletic Director's discretion, the funds may be used to pay for substitutes. Coaches will not misuse sick leave to attend training.
 - d. If after June 1, a building has remaining funds that have not been used or designated for use, the building's athletic coordinator may place a request with the Athletic Director to use up to \$500 to purchase educational coaching material (i.e. videos, workbooks, textbooks).
 - e. Seventy-five (75) percent of funds not expended prior to September 1 of each year will be used by the Athletic Director to support the athletic program, including paying for speakers at coach and/or parent trainings, and/or the purchase of equipment and/or uniforms.
