Empowering students to be independent critical thinkers and responsible global citizens

Staff Appreciation Day May 7th

Teacher Appreciation Week will take place in the United States from May 6 - 10th. At ASHK, we involve all staff members in a single appreciation day.

Thanks are extended to the many parents who donated door prizes for distribution at the appreciation luncheon on May 7th. The response received was overwhelming!

We also extend thanks in advance to ASPA and other parents who have agreed to provide our staff with what we are sure will be an excellent lunch that day. Your generosity is greatly appreciated and is one of the many contributing factors that makes this such a wonderful school community!

Map Test Results

The results from the Measure of Academic Progress (MAP) tests will be distributed to all students to take home on Friday, May 3rd. Parents can expect to see reports on mathematics, reading and language. We encourage you to look at the Parent Communicator for additional MAP information.

The graphic features a large yellow sun in the center with the text 'AMERICAN SCHOOL HONG KONG' in a blue banner above it. Below the sun, the words 'SUMMER PROGRAM' are written in large, colorful, multi-colored letters, with '2019' in blue below that. To the left is a circular logo for American School Hong Kong. To the right, a yellow speech bubble contains the dates 'JUNE 17 - JULY 26'. At the bottom, there is an illustration of a school building with a grid pattern on its facade.

American School Parents' Association (ASPA) Annual General Meeting (AGM)

ASPA will hold their AGM on **Thursday, May 30th at 2:45 pm.** Elections for next year's Executive Committee will be held. If the association's objectives found below resonate with you, please consider attending the AGM.

- To foster a sense of community within the school by coordinating and supporting various school and social activities that take place throughout the year.
- To facilitate better communication between Parents, Teachers, Administration, and the Board of Governors.
- To promote parental participation in the future direction and development of the school.

Our “Little Free Library” is on the Map!

For many weeks, students in our **Be the Changemakers ECA** have learned how to put together a Little Free Library by using power tools and paint brushes to complete the project. Come visit yourself and take a book or leave a book! The library is located just outside the main entrance of ASHK. Click the link below to see our Little Free Library online!
