

Senior Spotlight: Michal L.

I am originally from Poland, with strong connections to the Netherlands (although you wouldn't be able to catch all that by my somewhat American accent). I have been raised in Warsaw, living there for the majority of my life. I currently hold two nationalities, both Dutch and Polish. I moved to the Cayman Islands at the start of my high school career and this is my fourth year being part of the CIS community. How can I describe myself? I'm debonair, a little bit arrogant but overall I'm a pretty nice guy. One interesting thing that you might not know about me is that I love cooking, it is an art that takes timing and precision, yet I never got around to starting on anything more advanced than milkshakes and scrambled eggs.
