

Senior Spotlight: Vitoria B.

Hey hey hey, it's me Vitoriab! I was born and raised here in Cayman and my mom's side of the family is Brazilian, so I have grown up with two very vibrant cultures. I feel as if this has helped me become more open-minded and accepting, which has been useful in attending an international school. I have lived here for a majority of my life, but I did live in Costa Rica when I was younger for some time. This is my fourth year at CIS, and I think it's safe to say I made a positive impact.

To me, humor is the most admirable attribute, and there isn't a time of day when I'm not laughing (mostly at my own jokes). Also, the world is kind of crazy right now and so is IB, so if you can see the fun in things, then it's easier to face hardships. One of my favorite quotes is "This too shall pass". It reminds me that no matter how hard things may seem now, especially as a senior in the IB program, nothing is temporary. It's also applicable when everything is going great, that it's not always going to be mango smoothies on the beach, as I probably have homework that needs to get done. I have made memories here at CIS that I will hold dear forever. A special thank you to everyone who made my time here a memorable one. Don't miss me too much!
