Dear Parent/Guardian:

In order for students to exit the ELL program, the student must reach the state mandated exit requirements. In Connecticut, the exit requirements are an overall LAS Links Assessment score of a level 4 or 5 **and** a level 4 or 5 on **both** reading and writing subtests.

When your child was assessed, s/he received an overall proficiency level of \_\_\_ as measured by the LAS links. Additionally, s/he received a reading proficiency level of \_\_\_ and a writing proficiency level of \_\_\_ as measured by the LAS Links.

We are pleased to notify you that your child, \_\_\_\_\_ has mastered all of the requirements to exit our ELL program. Therefore, he/she will be exited from these services. Although your child will no longer be identified as an English Learner, we will continue to monitor your child's progress for at least the next two years.

We anticipate that he/she will continue to succeed in school and beyond.

If you have any questions or concerns, please don't hesitate to call me at \_\_\_\_\_.

Sincerely,

---
