

Call for 6th Grade Slideshow Pictures!

It's finally spring, and time to start thinking about 6th Grade Graduation!
The ceremony will take place on Monday, June 10th at 6:00 pm, here at Woodbury Elementary School.

In planning for the big event we would like for each 6th grader to provide us with a baby picture and 7-8 other pictures through the years for their personal page of the graduation slide show. Pictures may be emailed to Kwoodward@ossu.org or you may bring in a flash drive or even in hard copy. Any pictures submitted in hard copy will be returned asap.

If you have pictures of our students at any of the Woodbury sponsored activities throughout their years we would also appreciate them.

Deadline for pictures is Friday, May 3, 2019.

We would also like a school-appropriate song that could be included in the slideshow. If you or your child has ideas about a song or has a song that they would like to use please send name and artist.

**This is an exciting time!
Thank you!**
