

## SIXTH GRADE – 2019-2020 WORLD LANGUAGE OPTIONS – SMA MS

Middle School students are automatically enrolled in Spanish 1A classes. By submitting this form, a student is considered instead for:

### 1. *French IA*:

- ❖ A student who requests this class **commits to continuing** with *French* in seventh grade and eighth grade.
- ❖ French IA class **size is limited to sixteen** students
- ❖ This form with student and parent signatures, serves as a formal registration for the class.

### 2. Advanced Spanish (Heritage Speakers and Language Immersion Students):

- ❖ A student who requests this class has considerable fluency speaking and understanding Spanish. Often, Spanish is spoken at home or the student has previously attended a bilingual school or lived in a Spanish-speaking country.

### 3. Tutorial:

- ❖ A student who requests this class in place of Spanish or French has a professionally diagnosed learning disability that includes a prescribed accommodation for the delay of second-language study.
  - ❖ A copy of the professional's diagnoses and prescribed accommodation and a meeting with Laura Waldron, the program liaison allow for this request.
