Words cannot express how grateful I am to have each of you be a part of {my child's} life. She has loved her time at the Children's Center. I will happily recommend other parents to you. {My daughter} will miss you!

You're Awesome! Thank you for all your hard work and efforts with our little ones!

Ms Sherry: Thank you very much for making school a fun place for {my son} to learn. He loves going every morning. We appreciate all that you and your Staff do!

{A Graduate of Pre-K} I will have a hard time picking up {my daughter} today for her last day of school. You ladies have been wonderful with her and a big part of {her} life. I can't thank all of you enough for the care and love you gave her for the past three years.

We are so grateful for the time {our son} has had at the Center. He truly has a love for school and it is because of you and the Staff. Thank you all for taking such great care of our little man.

Thank you so much for all you have done for {our son} and our family this year. We are so happy to be back! And I know that my baby is well loved and taken care of by you & your Ladies!

{My child} loves the Children's Center just as {her sister} did. I have no doubt that her transition into Kindergarten will be a smooth one, when that time comes. She went to the library for the first time yesterday and found a book that she has been "reading" at school. She got so excited. It made me proud that my two little book worms get so excited about the library...a sure sign that they have received a top quality, early education that fosters a love of books, reading, and all things young children should be exposed to at this age. Thanks for all the great work, time and energy you all put into our kids. I am one proud Mama!

Thank you all for everything that you do for {our son} and the other children at The Children's Center. We feel very fortunate that we have a place like this to drop our son off every day. We know that he is loved, taken care of, and exposed to so many wonderful learning opportunities. We truly appreciate all that you do!

Thank you for 3 years of greatness. I feel so blessed for {my daughter} to have such loving teachers. I know {she} will miss everyone greatly!

For three years, I have left my girls with you day after day with a clear conscience knowing that they have the best care and the best love from each one of you at the Children's Center. I make sure that I brag about all of you every chance that I get...I love you all and truly appreciate the care and love that my twins have received from all of you.

***Follow up feedback on twins:* Just wanted to share some good news with you. Both {my girls} have had art projects selected to be in the District Art Show at the Rock Gym. I just know that the reason they were chosen is because of their early exposure to Art and the fabulous projects that they did at the Children's Center!!! They are both always drawing, cutting, coloring, gluing!!! Always have art projects going!! Thank you all so much once again for giving them such a great start!**

Thank you for being such a driving force in this amazing learning community. We are blessed to have Mansfield be our district of choice and home, but even more blessed to have the Children's Center. Our children have built the foundation to learning because of you and your choice in staff.

You rock!! I am sure it must be really hard keeping up with all those families!! We are really going to miss ya'll. This has been an awesome daycare experience for us!! Thank you for everything...

Thank you for making this Center a fun place to learn! {My daughter} has loved it!

Ms Lisa: thank you so much for being an awesome, caring teacher. {Our son} comes home talking about bugs, flowers, rocks, and nature all the time! We love that HE loves school. Thank You!

Thanks so much for all you do. I am so looking forward to having my other little angel in the caring hands of the MISD Children's Center. You and your staff work miracles' every day!

I know you will remain in our hearts forever and my children are who they are because you were a huge part in the most important years.

{New Pre-K} This weekend I discovered that {my child} knows all the days of the week, all the months of the year, all of the American pledge and all of the Texas pledge! WOW! I made a big deal about it, praised her for such progress, and she is very proud of herself, too. I wanted to take a moment to say thank you to your WONDERFUL Staff for all the hard work and dedication. She is growing up before my eyes. Please, share with all her teachers!!!

We thank you for teaching and caring for our sweet little {son}. He has enjoyed being at Ben Barber. Thank you for your dedication to the Children's Center. We appreciate your hard work, creativity, attention to details, and your amazing talent to work with kids. We will miss you dearly.

I am so SAD {my child} won't be back to the Children's Center. Off to Kindergarten...words cannot express what a comfort and relief it has been to have {my son} in your care. In a year of his whole world changing (new house, new school, both parents starting new jobs!) it was great to partner with your staff in bringing him through uncertain times. He has loved school this year.

What an amazing two years! We are so blessed and thankful for you and your teachers. We are excited for Kindergarten but so sad to leave behind you guys who feel like family. Thank you for everything. Words can't express and there isn't enough paper in the world to say how much you mean to us. We will miss you.

My kids so enjoyed being a part of MISD Children's Center. You make good things happen and we appreciate you so much.

Both of our girls had a terrific time this year at the center. We know that this is due to your hard work. Thanks for everything and we are excited that we get to "re-use" the Center next year for {our youngest girl}.

Thank you so much for all you have done for {my son}. We have felt very happy about him being there. Thank you for always providing a loving, nurturing, safe & fun environment.

As a former Kindergarten teacher and one who works with children every day, I see those that have not had the benefit of a program like the Children's Center. You are truly a school and not a day care.

It must be a challenge recognizing and acting on each child's different needs and developmental stages, but somehow ya'll do it and are successful. {My child} has grown and developed by leaps and bounds this year. I cannot say enough about how wonderful the Children's Center is. Thanks again!!

Dear MISD Children's Center Staff: {My son} has loved school every day and has grown so much. Thank you for your love and attention. I will be forever grateful to you all...we will miss you.

Ms Sherry: I am so glad that you were at the Children's Center as the "leader of the pack". I truly appreciate you, and all that you have done for {my son}. Thanks for keeping the kids healthy. You are and will continue to be Amazing!

Ms Melanie: Thank you for taking time out of your Friday night to come to {our son's} game. It means a lot to all of us. {He} is really going to miss you next year. Thank you for caring for him the way you do!

Ms. Lisa: This note card is not long enough to express all of the gratitude I feel and that you deserve. You are an outstanding teacher. You have taught both of my kids the world. You have an amazing gift to light up a kid's mind & encourage them to explore and discover. Thank you for blessing our lives with that gift.

Ms. Sherry: We want to take this time to thank you for everything that you do for the Children's Center. Your dedication and love for the children shows in everything you do. We will miss coming to such an amazing place on a daily basis. We appreciate you and all you do for the kids and the teachers!

Ms Lisa: Thank you so much for being an awesome, caring teacher. {Our son} comes home talking about bugs, flowers, rocks, and nature all the time! We love that HE loves school. Thank You!

Ms: Michelle: We are so beyond thrilled with everything about your school. He loves each of you dearly and speaks so highly of you all. We are SO very pleased with the change this year. We are honestly just sad we didn't move him there sooner. {You have no idea how much this e-mail meant to me}. Thank you for acknowledging his growth and working with him. I very much value education and try my best to work with him but also let him be 4. That's hard to balance. Thank you, also, for all you do for my baby. He adores you ☺

Dear Sherry, Melanie, Michelle, Lisa, Sharon & Karen:

Thank you so much for being the wonderful ladies you all have been. {My daughter} has had a great time at school the past two years. She was always sad if she had to miss because she was sick. We appreciate each and every one of you and could not have found a better place for her. She has learned so much and we know she is truly ready to start Kindergarten. Thank you for loving her and making her feel so special each and every day. You will never know how much you are appreciate
