

## 2019 SIT Monthly Summary

Noble Middle School

March 13, 2019

### KUDOS

1. Thank you for adjusting the time the 8th graders are released from lunch and recess!
2. Special thanks to Mrs. Buchanan and Ms. K. for helping with ACCESS testing and to Mrs. McIver for loaning her classroom!
3. Co-workers helping each other out when needed.

### BURNING ISSUES

1. Boys in 8th grade with pants down to their knees.

**SOLUTION: Enforce dress code with all grade levels. Clarity on dress code.**

- **Continue to send dress code violations to Mr. Baldwin**

2. Children at dismissal not paying attention to when their car comes because they are busy taking selfies and pictures of each other on their phones.

**SOLUTION: Limited phone use or no phones out at dismissal. (See February SIT Summary)**

- **"While this is a concern, some students are using their phones to contact their ride. At this time, there is no way to monitor this without increasing the number of staff on duty." - February SIT Summary**

3. Students are often left unattended at the end of the day whether outside or in. If they can be outside unattended for example after 4:30 clubs, tutoring, or after 5:00 for sports why can't they remain outside in the morning until 7:50 when the staff and faculty are in duty positions?
  - **Athletes will be encouraged to bring all belongs to the locker room prior to the game. Hopefully this will decrease the amount of students going to their lockers in the evenings.**

4. We are inundated with emails. Can we only use it for absolute necessary communication

**SOLUTION: Get rid of unnecessary emails.**

- **Mr. Bostian has created an email list for "Points to Ponder." If you would like to continue receiving them, let him know. Please do not "Reply All" unless it is absolutely necessary.**
