El Camino College Visits SLC

Student representatives from EL Camino College visited the SLC campus in April to discuss the expectations and opportunities available. Students learned about the application process and financial aid available to help finance college. Students learned about all of the support available to El Camino students.

SUCCESS LEARNING CENTER

Science Fair Hits SLC

On May 1st the SLC middle school hosted the 3rd annual Science Fair. Students selected their own topics for research and investigation. Students created project boards to display their research about guinea pigs sense of smell, coffee and bacteria growth, the effects of soda and the effect of moisture and exposure on bread. Students were able to practice their presentation skills while explaining their science fair projects. We all learned interesting facts and outcomes from their projects.
