Legacy Scholarships

For Student Teachers

Establish a Legacy Scholarship to reflect your own passion for teaching or to honor a family member or friend who made a difference in education

A great teacher is the single most influential school-based factor in student success!

One way we recruit student teachers is by providing a limited number of \$500 scholarships to offset financial sacrifices made during their student teaching semester, when they typically quit their jobs to teach full-time in our classrooms.

We invite you to partner with us in our efforts to more scholarships and to find the best student teachers for Davis School District.

For \$500 annually, your scholarship will reward a student teacher during either fall or spring semester.

For \$1,000 annually, you provide a \$500 scholarship to a fall student teacher and a \$500 scholarship to a spring student teacher.

Fund a one-time scholarship or create a perpetual scholarship.

To establish a scholarship, visit the **Legacy Scholarship** link on the **Professional Learning & Quality Staffing Department webpage** (Davis School District website: <http://www.davis.k12.ut.us/>).

Legacy Scholarship donors are invited to our awards event, Wednesday, October 23, at 4:00 p.m. at the district office.
