RON WHITSON

Ron Whitson was born in Dallas, Texas and graduated from Garland High School. He received his Bachelor's degree in Agricultural Education from East Texas State University and his Master's degree in Vocational Education Administration from the same university. Ron was a vocational education teacher for 2 years in Cedar Hill and was an agricultural science teacher in Mansfield for 27 years. He was also an advisor for the Mansfield FFA chapter. After his retirement from education, he accepted a position with the Texas Education Agency as State Director for Agriculture, Food & Natural Resources.

Currently, he provides oversight as the Statewide CTE Coordinator for six career clusters. He also serves as an agency liaison and member of the Board of Directors for Texas FFA, Texas DECA and HOSA-Texas Association. Ron and his wife Beverly live in Dripping Springs, Texas. He has two sons who graduated from Mansfield High School, two stepsons and 8 grandchildren.
