

Avon Elementary Pawsitive Pride

Pawsitive Pride is a proactive, positive behavioral program that teaches students what is expected of them while in school. Students are acknowledged for being respectful, responsible, safe, and a learner.

Students can be acknowledged for showing Pawsitive Pride in any of the following locations:

Hallway	Playground
Classroom	Bathroom
Cafeteria	Bus

Posters stating the expectations for each area are posted throughout our school.

At the beginning of each school year, all students are taught the Pawsitive Pride expectations in each specific location. Every month, review sessions are held for students who need more practice with the expectations. As new students arrive to our school, they are also taught the Pawsitive Pride expectations. The entire school reviews the expectations together mid-year as well. Videos are also available for students to view.
