To celebrate *Sesame Street's* 50th anniversary, Big Bird is going on a road trip to many cities throughout the United States of America and has chosen to visit your city, Washington, DC! For more information on the road trip, see

During the road trip, Big Bird is looking to meet children ages 6-11 who would like to the chance to appear on an episode of *Sesame Street* and speak with Big Bird on camera. Previous acting or television experience is not required as we are looking to meet a diverse group of children with various interests, talents, backgrounds, and abilities.

Filming will take place in Washington, DC on Thurs, June 6, 2019.

To apply, please see the attached letters with instructions for submitting a release and photo and information about being invited to submit a video to our portal.

If chosen, children will be paid \$377.43 for their appearance. They will need to obtain whatever Child Performer Labor Permit is required by your state and have an UTMA, UGMA, or Coogan trust account for Sesame Workshop to deposit at least 15% of the child's earnings.

Please understand that we can not make any promises as we will receive hundreds of submissions for very few roles.
