End of Year School Events

It's hard to believe we are a month away from the end of classes in the Senior School and the school year is quickly coming to a close! It seems as soon as the gorilla goes up on the roof and the Country Fair happens, there is little time left in what has been another wonderful school year at Southridge. But of course there is time left and my encouragement to students has been to finish the year strong!

What an amazing year it has been! Here are just some of my highlights of the 2018-2019 school year:

- The Senior School House Picnic in September
- Leadership Experience Week and getting to know our wonderful Grade 12s at the Grad Retreat in October
- Watching and cheering on our incredible athletics teams throughout the year
- The Senior Formal Dance in November
- The amazing Southridge Feast
- Our Christmas Music Concert in December
- The Apex ski trip in January
- Our theatre department's rendition of FAME in February (loved the 80s music!)
- Speech Day in March
- Relay for Life where our student leaders raised over \$112,000 for cancer research - shattering our previous record (next year we will look to break the half-million dollar mark as a five year total!)
- Watching the incredible films our students have created during April's Film Nights
- Our recent successes on the national level with the History Bee and Geo Challenge as well as locally with Reach for the Top
- The Country Fair
- One Act Plays, and upcoming Art Critiques

- Our Boys Rugby teams are amazing! Senior Boys are undefeated and looking to go deep into the playoffs! Girl's Soccer is also looking strong and playoff bound!
- and hot off the press: congratulations to our Badminton Team for winning the Surrey Championships!

This year has been a whirlwind of great activities and events and I thank each and every Senior School student, parent, coach, faculty and staff member for making Southridge so great.

Looking back on a fantastic year is always fun, but awards, graduation, and school closing ceremonies are coming, and while all of these events are on the Schoology calendar, it can be a challenge to find each specific event. Below you will find a chart showing these important upcoming dates to help you with your end of the year planning. We have created a link to this chart for your reference on the Parent Portal that can be accessed at any time. If you do have any further questions about the end of the school year, please feel free to contact reception in either school.

Thank you for your contributions to such an awesome year - I look forward to seeing many of you at our June events!

Grade 7 Making a Difference Fair

On Friday, May 10 from 1:30-3:00 pm Grade 7 students will be presenting their ***Making a Difference*** projects and celebrating their actions at the Southridge Making a Difference Fair in the Junior School Great Hall, and all members of our community are invited to attend. Students will be sharing their projects in an informal manner, so if you could drop by for part or all of the time and be inspired by their actions, we would love to see you there!

Ms. McNeil and Dr. Bessflug

Professional Development Day (Friday, May 17), Victoria Day Holiday (Monday, May 20) and Late Arrival - Monday, May 21, 2019

Friday, May 17 is a Professional Development Day for Faculty and Staff - students are not in attendance on this day. The school will be closed on Monday, May 20 for the Victoria Day Statutory Holiday. Classes will resume at 10:25 a.m. with a late start on Tuesday, May 21 (Day 4). ***Please do not drop students off any earlier than 10:10 a.m. as all faculty and staff are in meetings and no supervision is provided.***

Speech Celebration – Grade 1-3 – June 18th

We need to begin preparing for the PYP Speech Celebration. All students in Grades 1, 2 and 3 will participate.

The goal for the students is for them to gain confidence and feel successful speaking in front of an audience. It is not a speech competition at the PYP level, but a celebration of all the students' courage! It takes tremendous courage to present in front of a crowd of people. The students will present their speeches first to each other, then to other classes and finally to the parents.

The Speech Celebration will take place on **Tuesday, June 18th** in the morning. The MYP Competition will be happening the same day in the afternoon. Since we only have the morning it is imperative that the presentations are all **less than one minute long.**

The emphasis is on oral presentation. Please help your child to work on volume and expression. The students will need to learn it well so they can say it without stumbling. They

need to practice speaking clearly and interestingly **without the use of props**. We want the children to use facial expression, hand gestures and varied tones of the voice.

Some tips:

- Please begin with: Good Morning parents, teachers and students....
- **Do not begin the speech with:** My name is... or My speech is about... Instead just get right into the topic with an interesting opening.
- End with something interesting.
- End with Thank you; practice counting silently to three so they don't run off the stage.

June 18 Come and celebrate your child's hard work and hear the amazing performance!

Where: The Great Hall

Who: All parents, grandparents, aunts, uncles, neighbours! A special thank you to those who are able to stay to watch all the students perform in the session.

Time: 8:15 a.m. start for 1RK, 2TW, 3MY
10:15 a.m. start for 1RR, 2DA, 3CK

We realize that parents play an important role in making this celebration possible. Thank you for being a partner in helping your child prepare for this occasion.

Please read and use the attached Speech Planning and Important Dates Guide.

Thanks for your support,

Mrs. Rowena Raber

Schedule for Speech Celebration Preparations

May 8-16 1. Students will **select a topic and brainstorm ideas** in class. It will be something that they already are knowledgeable about. This is not a research project.

2. Students will come home and share their ideas. Please help them write up their ideas into a speech. This is an interactive process, and everyone may contribute ideas on the topic. However, we want the speech to be your child's, so ***any writing and editing should be discussed and done with your child.*** We want to ensure that the children feel that the speech is ***their work***, it is in the child's language, and has child friendly vocabulary. This will help your child to present with confidence and make memorizing it easier.

Before sending in the completed speech, please time it while they read it and check that it is less than one minute long. Thank you!

Tuesday, May 28 All Children should bring their completed speech to school, so it can be shared and read to the class. (Please keep a copy at home as well)

We will begin practicing by having the children read their speeches to the class in loud, clear voices with good pacing. They should begin memorizing it.

June 5 **It needs to be memorized** as they will present it to their class.

June 10, 11,12, They will present their speeches to other classes.

June 13 or 14 Practice with a microphone on stage.

June 18 Come and celebrate your child's hard work and hear his/her amazing performance!

Time: 8:15 a.m. for 1RK, 2TW, 3MY
10:15 a.m. for 1RR, 2DA, 3CK

Senior Boys Rugby Team - Undefeated Season!

The Senior Boys rugby team has had a very successful year so far having finished their regular season with a record of six wins and zero losses.

They are currently playing in the AA/AAA tier two division which includes teams such as Walnut Grove, Rick Hansen, and Terry Fox. However, a record like this does not just come naturally, it requires not only work but also chemistry between the members of the team, which has players from Grade 9 to Grade 12. Many hours are put in by both players and the coaches whether it be by practicing or just talking about strategies and the sport itself.

Both of the senior coaches (Mr. Johnstone and Blackie) dedicate not only their own time to this team but they also are taking time away from their families. Their dedication to the success of this team is something that is contagious and immediately seen by all who have met the two.

Along with the coaches, when the team goes out whether it is practice or games, they mean business and will put in all their effort in order to win the game. The effort and determination the boys show during games can be seen by everyone on the field. No matter how close the other team may be to scoring, the team just keeps digging and will win the possession. The boys have come together and jelled both on and off the field which results in the team being able to communicate well and motivate each other. They have bonded to the point where they trust each other and they know that their teammates have their back no matter what happens.

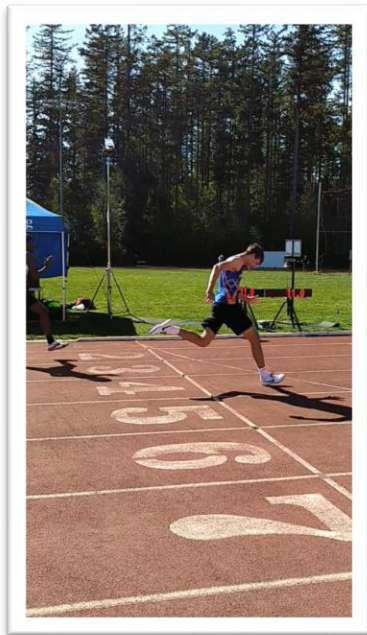

This year's squad has been very dominant so far in its games with the scores of the last two games being 66-0 and 72-0. With regular season play now complete, the boys are looking forward to playoffs and hope to translate their prowess in the regular season into a Fraser Valley banner. Hopes are extremely high and the boys are very passionate not only about the sport but about the team itself.

Surrey Championship Results (Track and Field)!

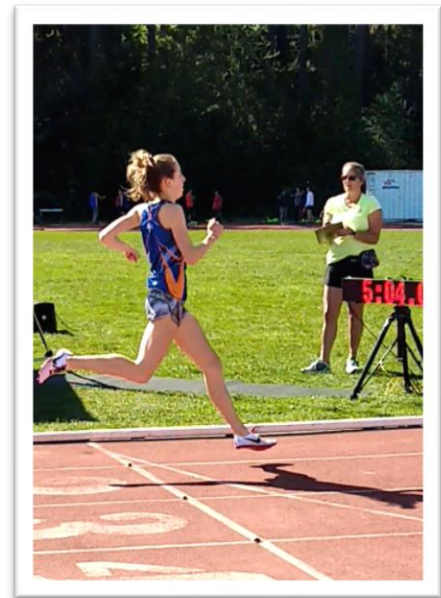

Cayla Smith continues to lead both off and on the track. She placed 1st with a time of 1:01:80 in the 400m and 1st with a time of 1:09:35 in the 400m hurdles. She will continue to lead the team to and through the Fraser Valley Championships to conquer BCs (provincials) at the end of the month.

Ethan Eichhorst had a great breakout performance! He finished 1st in his 100m heat and 6th with a time of 11:77 in a competitive 100m final. He finished the meet with an intense 2nd place finish in the 400m with a time of 54:29. He will advance to the Fraser Valley Championships in both events.

Maya Kobylanski had a couple of hard-fought battles throughout the South Surrey Championships. She went head-to-head with

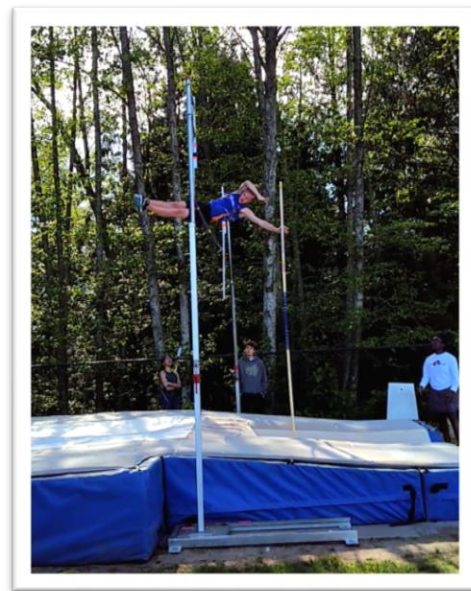

the same competitor in the 1500m steeplechase, 3000m, and 1500m. In particular, the 3000m was very exciting as both racers came around the last turn in a full sprint to the finish! Maya placed 2nd in all 3 races with a time of 5:04:59 in the Steeplechase and 10:39:95 in 3000m and 4:52:78 in the 1500 m. She will be heading to the Fraser Valley Championships on her quest to repeat at BCs at the end of the month.

Roy Jiang demonstrated skill and pure dedication finishing 1st in his 100m heat. He will take a short break to rest a bit so that he can be with us to represent Southridge at BCs at the end of the month.

George Kordas showed amazing skill and ability to reach new heights in pole vault! He placed 2nd at 3.10m! He also showed that he is the guy to beat in the high jump by smoothly clearing some impressive heights to claim first at 1.70 m and tying the 1st place finisher in the division above him. He will advance to Fraser Valley Championships in both events!

Devin Sidhu showed great skill in the 3000m. He placed 4th with a time of 11:44:69 and qualified for the Fraser Valley Championships.

Lauren Hewstan showed off her strength and skill by placing 2nd in shot put with a score of 8.69. She will advance to the Fraser Valley Championships to take her shot at BCs at the end of the month.

Congratulations to the Southridge Track Team for qualifying in all their events!

Cambodia - Service Learning opportunity - 2020

It may seem like a long way off, but it is time to start planning for our annual Spring Break service learning trip for 2020! While we had penciled in a return to Uganda in 2020 on our long range travel calendar, we have had to modify our plans for a number of reasons. The Uganda trip may reappear on our trip calendar in 2021 or beyond, but for now, I am very happy to announce that we will be offering another opportunity to visit Cambodia in March of 2020!

We have sent two groups to Cambodia now (2017 and 2019), and the feedback has been exceptional. This trip offers a rich mix of historical, cultural, and service based activities. Living in homestays and working on an island in the Mekong River has been the main highlight for our students on both trips, but exploring the ruins at Angkor Wat, reflecting at the Khmer Rouge killing fields, learning at the landmine museum, and experiencing the S21 Holocaust museum have also been eye-opening opportunities for our travelers. While it is not a five-star luxury trip by any stretch, the food is fantastic, the people are warm and welcoming, and the experiences and sites have been transformative.

“Cambodia was a transformative experience. We were pushed outside of our comfort zones in so many ways and came back better for it. I was humbled by the strength and joy of the Cambodian people, by the professionalism of our guides, and by the growth of our students.”

- Ms. Moser, 2019 Cambodia Teacher Chaperone

If this sounds like an international experience that your son or daughter may enjoy, I would invite you to join us at a **parent information meeting on Thursday, May 9 - 6:30 - 7:15 pm**. Jane Reitsma from Stratosphere International will be on campus to explain the itinerary and provide an estimate on costs. If after the meeting, your child would like to apply for a spot on the trip, I will send out a Google Form application that can be completed over the following week (May 13-17).

In the meantime, if you have any questions or concerns prior to the May 9th parent information meeting, please reach out to me at djones@southridge.bc.ca. I have been to Cambodia with the 2017 group, and it was one of the most rewarding school trips I have ever been a part of. I am always happy to chat about my experience with this trip if you have any questions. You can also check out the 2017 hashtag [#sridgeKH](https://twitter.com/#sridgeKH) if you would like a glimpse into what can be expected on the trip in March of 2020

Sincerely,

Mr. Jones

University Counselling Gets Busy with Spring Events!

Sage Advice from An Expert in University and College Admissions

A couple of weeks ago, Southridge welcomed Peter Van Buskirk, author and motivational speaker with “Right Fit”. He presented “Cracking the Code” a customized presentation of the US college/university admissions process for international students. Whilst much of presentation focussed on applying to the United States, the advice he gave to parents and students that night is relevant and pertinent to all, regardless of where you go to pursue post-secondary education.

Here is a summarized version of the tips he shared:

1. The first big question to answer is what constitutes a good education and define why you want to study a particular subject. Know also, why you want to go to a particular university.
2. Define priorities for what education means to you as a student and not what Dad or Mom want

3. Vital for each student to take control and not be content to let other people do the college/university research for you.
4. The technical part of the application process is important but it's not the crucial part of college/university admissions.
5. Defining a "good fit" is what all university counsellors will talk to students about but it requires work to determine personal requirements for that "fit". Do NOT rely on reputation as described in rankings. Rankings are fiction – burn them!

Questions to consider for "Best Fit"

Which institution provides you...

1. a program of study that meets your needs?
2. a style of instruction that is consistent with the way you like to engage in learning...exams versus papers versus major project for your full year assessment? Which do you prefer? What do you do well in?
3. a challenge in a manner consistent with your ability and preparation?
4. a sense of community that feels like home?
5. a place that values you for what you have to offer?

Advice about the Holistic admissions evaluation process

Courses, grades, scores – how have you used the Southridge curriculum to grow your academic abilities?

Remember that tests (SAT & ACT) exist for one purpose. They are not intelligence tests. They are used only for admission purposes.

1/3 of U.S. universities no longer require entrance tests or they make it optional. Don't send results if they are optional.

Invest in your talent – don't dabble in everything! Grow what you like to do and what gives you joy in life

When writing your essays, diversity and authenticity becomes important – through what lens have you seen life? Speak to competencies such as creative and critical thinking and problem-solving skills and refer to the social/economic/spiritual/geographic background that informs your understanding of self.

Tips to help you research your right fit and to get ready for applications:

1. Show up at info sessions. When a university visits your school, attend and speak to the representative as they may be the one who will read your essays and statements.
2. Talk to the reps at fairs and sessions, ask them questions and fill out their information cards
3. Go visit the campus before you apply. Ensure you book a visit and tour with an ambassador and tour guide. **DO NOT DO A DRIVE-BY!**
4. Alumni interview. If you have a chance to talk to an alumnus from your university of interest. Do it and ask questions.
5. Demonstrate intentionality as a candidate.

Biggest Mistakes made at the time of application:

1. Failure to appreciate the nature of the competition for a particular program and university.
2. Inability to manage expectations.
3. Lack of intentionality in preparing application – leaving the mechanics of the application until the last minute.
4. Failure to prove the sincerity of interest in attending the college.
5. Inattentiveness to the importance of staying strong throughout senior year especially after offer(s) have been made in late winter or early spring.

Mr. Van Buskirk spoke for a full two hours and held everyone's attention for the entire presentation. Ms. Livingston and Mrs. Becker will be recapping more of this at the Grade 12 Information Night which will be on Wednesday, June 5th at 7pm in the Senior School Great Hall. All Grade 11 students and their parents are encouraged to attend.

Universities Visit Southridge & Vancouver

University Counselling recently welcomed visitors to Southridge from the University of California, San Diego, University College London, England and promoted the International Universities Fair which took place this past Sunday at the Vancouver Convention Centre.

Over 4,000 students and parents met with representatives from over 130 colleges and universities world-wide and attended information sessions that covered topics such as "How to Write a Winning Essay", "What it Takes to Become a Medical Doctor in Canada", "Who Gets In? The Truths and Myths of How Canadian Universities Make Admissions Decisions" and "Fit Matters: Choosing a Business School"

As, Volunteer Chair Lead helping to organize the event, I was very pleased to see Southridge students at the fair especially after a busy Country Fair the previous day.

Exciting changes are coming to the Southridge House system in September 2019

The House system at Southridge has had a few changes over the years, and it's about to have another one!

The school started with two Houses – the Eagles and the Orcas – who competed yearly for the Eagle/Orca cup. As the school grew, it saw a need to expand the House system, ultimately deciding to separate the Junior and Senior Schools into four Houses each. Students were asked to submit their naming suggestions to a selection committee, and in September 2000, the eight Houses we currently know were born.

The Junior School Houses (Hawks, Ravens, Chinooks and Otters) were inspired by the original houses (two birds and two sea animals), and BC's indigenous history. The Senior School chose weather systems after our Southridge Storm athletics: Hurricane, Thunder, Blizzard and Lightning.

Until now, the Junior and Senior Schools have competed and earned points separately. In alignment with our strategic plan, and our goal of creating more full school experiences from Kindergarten to Grade 12, we are now thrilled to be relaunching our House system as a full K-12 experience. Starting this September 2019, the entire school will be divided into four Houses, each with their own distinct logo and colour: Blizzard (white), Hurricane (red), Lightning (gold) and Thunder (black)! Our four new House logos were made possible as a gift to the school by Search + Rescue Marketing, who were inspired by

designs submitted by students across the school. Thank you to the Moreno family for making this gift possible! We are super excited to reveal the new logos to you today.

You're likely wondering by now how students will be assigned to Houses, and when they can get their new t-shirts! Senior School students will remain in their current Houses, and their Junior School siblings will join them as part of that same House. Junior School students who do not have a sibling in the Senior School will be reassigned to a new House (Hurricane, Blizzard, Lightning or Thunder). Staff and faculty will also be placed in Houses, and parents are encouraged to also consider themselves part of the same House as their children.

New House t-shirts will be given to all students from Kindergarten to Grade 12 in September. A huge thank you to the Gu Family for providing the t-shirts and ensuring all students have new House shirts next year. We are so grateful for this generous gift!

What an awesome way to start the 25th year of Southridge – with a united school! We can't wait to see the fun and excitement this new era in the history of the Southridge House system brings!

The Southridge Golf Classic is Only 4 Weeks Away!

The course will be jam-packed with activities, including: food and beverage tasting at designated holes, separate putting and chipping contests, a team photo station, chances to win a new car with a hole-in-one...and much more! There are also great prizes available for ‘best dressed team’, ‘closest to the keg’, etc.

So, **grab some friends and [sign up today!](#)** We’ve already sold quite a few foursomes and expect another sold-out event. [Register now](#) to avoid disappointment!

Of course, **if you’re not a golfer, there are other ways to get involved.** You can attend the dinner and dance portion of the event ([tickets are \\$75](#) and are limited), you can [volunteer](#) (anyone who volunteers on a hole all day gets a complimentary dinner and dance ticket!) or you can [sponsor](#) the tournament!

The Golf Classic is the last fundraising event of the year and raised \$65,000 in 2018! This year, we are raising money to purchase **a new volleyball net system** for our Senior School Gymnasium as well as **new athletics uniforms for our student athletes**.

We hope you will help us make this tournament one of the best yet! For more information, visit the [Golf Classic website](#).

Volunteering for the Southridge Golf Classic: Is it too good to be true?

Most people choose to volunteer to help others, to contribute to society, or maybe just to make a difference. If this is you, then you have probably already signed up to volunteer at the Golf Classic—thank you! Not motivated by these particular goals? You're in luck! This volunteer gig actually gets you free stuff!! Lunch, dinner, and dancing—sounds like a great day to us!

If you're available to help with the on-course activities from 11:00 am – 6:00 pm on Friday June 7th, not only will you be treated to a burger bar lunch, buffet dinner and dancing, but you will have front row seats to all the on-course shenanigans throughout the day!

Don't wait! Sign up online or email volunteer@southridge.bc.ca to reserve one of these coveted positions!

Will your child be entering Kindergarten or Grade 8 next year? Consider volunteering as a Welcome Family!

Why did you apply for Southridge School? Your answer likely includes the hope that your child would belong to a community of like-minded children and parents who experience a sense of belonging and support from each other over the years. All of us can appreciate how challenging it can be to find your place in a new school. Welcome Families can help to make that transition much easier. You don't need to have all the answers—you just need to know how to find them!

If you have a child who will be entering Kindergarten or Grade 8 next year, please consider volunteering to help welcome a new family to our school! You will be paired up in June, sent their contact information in July, and asked to connect over the summer.

If interested, please sign up online by [clicking here](#).

For any questions, please contact Rebecca James at rjames@southridge.bc.ca.

A Huge Country Fair Thank You!

Thank you, everyone, for helping to make this year's Country Fair amazing! I know we had nothing to do with the weather (which was just perfect), but everything else came together because of our amazing community.

Thank you to our volunteers – especially our Chairs, Riaz Virani and Angelina Luo, who have just completed their first year of their 2-year commitment to this event. Their enthusiasm, hard work and dedication to our school is just remarkable. Thank you so much!

Thank you to our Department Heads (listed below) for taking on a leadership role and seeing it through from beginning to end. You were the reason this enormous event went off without a hitch!

Thank you to everyone who volunteered. They say that 'many hands make light work' and that was certainly the case this year! Thank you all!

Thank you to our sponsors and in-kind donors (listed below). We will definitely reach our financial goals this year – and this has a lot to do with your support. Thank you so much!

Thank you for bringing in your items and clothes, for baking, bringing in gift basket donations, spreading the word to friends and family..... really the list of thank-you's are endless. I really can't say enough, how grateful I am to be a part of this community...

Also, put **May 2, 2020** in your calendar. Riaz and Angelina are excited to chair our 25th Annual (!) Country Fair and will be looking for your amazing support yet again!

Have fun watching this video in the link below that shows how quickly we clean up after the fair...

Hot off the Press! Spirit Magazine 2019

The spring 2019 issue of [Spirit magazine](#) hit newsstands recently, and hopefully by now everyone has had a chance to see it and read a few articles! This issue focuses on the important topic of wellness. From our updated mission statement, which now includes a “commitment to personal wellness”, to a story about the value of outdoor education, a piece about the mental health and wellness supports and programs available in our Junior and Senior Schools, to an alarming piece about the epidemic of sleep deprivation, this issue focuses entirely on the many ways we can work together to ensure our students thrive.

[SUBMIT OPPORTUNITY RESPONSE](#) [CANCEL](#)

The system will summarize the opportunities you have selected and may give you the option of adding it to your google calendar (only if you selected a specific shift).

Please do NOT share

You will also be asked to 'Share' this information on social media. This is an automatic feature of the Galaxy system that we cannot turn off. Please **do not** share your volunteering on social media. We really don't want your friends, neighbours or second cousins signing up to serve hot lunch*.

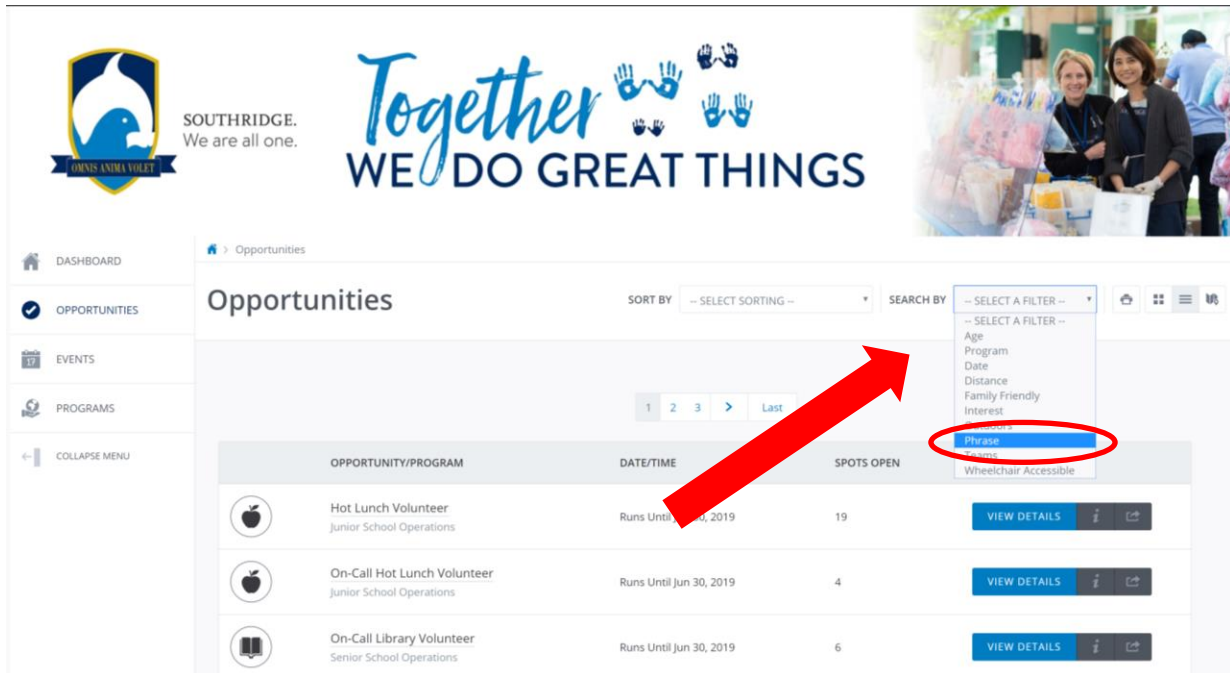

If you have any questions, please contact Kate Lucas at klucas@southeridge.bc.ca or by phone at 604-542-2303.

*Of course, if a non-parent does sign-up, we won't actually allow them to serve hot lunch. ☺

Volunteering at Southridge – Looking up volunteer opportunities

You can search for a specific opportunity like "hot lunch" or "playground" by selecting 'Phrase' in the 'Search By' list. Type in the key word(s) and any opportunity that includes that word will appear.

The screenshot shows the Southridge Opportunities page. At the top, there is a banner with the Southridge logo and the text "SOUTHBRIDGE. We are all one. Together WE DO GREAT THINGS". Below the banner is a navigation menu with options: DASHBOARD, OPPORTUNITIES, EVENTS, PROGRAMS, and COLLAPSE MENU. The main content area is titled "Opportunities" and features a table of volunteer opportunities. A search filter dropdown menu is open, showing options: -- SELECT A FILTER --, Age, Program, Date, Distance, Family Friendly, Interest, and Phrase (highlighted with a red circle). Volunteering at Southridge – Modifying your volunteer schedule

STEP 1:

Galaxy has a great calendar feature that you can use to confirm or change your volunteer schedule. To access your calendar, click on your profile photo (or initials) on the top right corner, then select 'Volunteer Schedule' from the drop-down menu.

The screenshot shows the 'Volunteer Schedule' page. At the top, there's a navigation bar with 'RETURN TO OUR WEBSITE', 'MANAGER', 'MY PROGRAMS', and a user profile icon. The user profile dropdown menu is open, showing options like 'VIEW PROFILE', 'EDIT PROFILE', 'VOLUNTEER SCHEDULE' (highlighted with a red circle), 'QUALIFICATIONS', 'OPPORTUNITY RESPONSES', 'MY TEAMS', 'INBOX', and 'LOGOUT'. The main content area is titled 'Volunteer Schedule' and shows a calendar for 'September 2018'. The calendar grid has columns for SUN, MON, TUE, WED, THU, FRI, and SAT. A shift for 'Senior School Library' is listed on Monday, September 17th, and is highlighted with a red circle. Other shifts are listed for Friday, September 28th.

STEP 2:

From the calendar view, click on a shift (in blue writing with a green check mark). If you don't see any writing in the calendar, you haven't signed up for anything yet for that month. On the next page, click on the green button, 'MANAGE MY RESPONSES'.

The screenshot shows the 'Senior School Library' opportunity page. At the top, there's a banner with the Southridge logo and the slogan 'Together WE DO GREAT THINGS'. Below the banner, there's a navigation bar with 'DASHBOARD', 'OPPORTUNITIES', 'EVENTS', 'PROGRAMS', and 'COLLAPSE MENU'. The main content area is titled 'Senior School Library' and features a 'Description' section with a photo of students in a library. On the right side, there's an 'Interests' section and a 'Program' section. A green button labeled 'MANAGE MY RESPONSES' is highlighted with a red circle in the top right corner.

STEP 3:

Un-check green check marks to remove specific shift(s) from your schedule.
