Chromebook Covers Available for Purchase

Sunrise students will be receiving their Chromebooks soon. We are offering Chromebook cases to White Bear students at a huge savings over the retail cost. These cases are perfectly designed to fit and protect White Bear Chromebooks.

Buying a Chromebook case will limit accidental damage and will reduce the possibility that you will incur a repair fee. The case will also prolong the life of your Chromebook. The cost of a Chromebook case is \$25. They may be purchased through Feepay or by cash or check (made out to Sunrise Park Middle School) in the main office. Students who receive free/reduced lunches may register in Feepay for a free Chromebook case.
