

EARLY CHILDHOOD EDUCATION 2

COURSE DESCRIPTION:

This semester course provides students an opportunity to work with children in a professional lab setting. Instruction given includes: applying developmentally appropriate practices (DAP) and teaching lessons to children, maintaining a healthy environment for children, and developing positive relationships with children. Students will continue preparing for the Child Development Associate Credential (CDA). Student leadership and competitive events (FCCLA) are integrated into this course. The Child Development and the Early Childhood Education 1 Curriculum courses are **REQUIRED** prerequisites.

STRANDS

Identify and demonstrate employment skills needed to work with young children

Identify and implement Utah licensing standards

Support social and emotional development and provide positive guidance

Use observations to strengthen every aspect of an early childhood program

SKILL CERTIFICATION PERFORMANCE OBJECTIVES: Test # 328

- Compile a list of three early childhood associations, including website address, describing the professional resources and membership opportunities they each offer
- Find a copy of one weekly menu and add it to your CDA portfolio
- Create a developmentally appropriate Self-concept lesson plan: include Skills, content area, concepts, procedure, rationale and transitions
- Compile three samples of record keeping forms and add it to your CDA portfolio
