Early Childhood Screening

Best done at age 3

Required in Minnesota before entrance to public school kindergarten.

Screening is FREE

The early childhood years are an important time of rapid learning and growth.

Early Childhood Screening is a check of how your child is growing and developing, between the ages of 3 and 4. Screening can detect possible health or learning concerns so that children can get help before they start school.

LEISURE

INTRODUCTION TO HORSEBACK RIDING

Ashley Zutz

4 Sessions – Ages 7 & up

Twisted Z Performance Horses, LLC, is offering an introductory course designed for the equine enthusiast, with little to no experience working with horses. Students will not be riding the entire time, but will enjoy an equal benefit of knowledge on the ground, as well as in the saddle, while learning balance and control. In addition, students will learn how to groom and tack-up, general horse knowledge, and how to care for a horse. Sessions are held rain or shine in our indoor arena. Liability forms are required prior to riding, and can be found on our website www.twistedzperformancehorses.com. Only a parent or legal guardian may sign.

Safety requests: Wear only closed toe/heel shoes to camp; wear a bike or riding helmet daily (stable has a limited supply which your camper may use); bring bottled water daily; apply sunscreen, mosquito/fly spray before camp; and plan to attend camp even if it's raining. The camp site has shelter indoors; however, threatening weather or excessive heat may cancel camp. You may call the business at (507) 317-4403 for updates. Driving directions are available on our website www.twistedzperformancehorses.com. Classes are held at 73928 Jockey Lane, Mankato.

FENCING SUMMER CAMP

Youth Enrichment League

5 Sessions – Grades 2–12

New and returning students invited. Youth Enrichment League (YEL) fencing has evolved. Olympic Coach Ro Sobalvarro now heads up YEL's curriculum, instructor training and tournament consultation. Coach Sobalvarro brings with him an immense knowledge of youth, national and international fencing. We keep it fun, too. Your favorite instructors return with more knowledge, refined coaching skills and, of course, your favorite fencing games and arm bands. Safety is our first priority. We supply safety swords, protective masks, chest plates and jackets, in a high-octane, inclusive environment. Visit YouthEnrichmentLeague.com for a more thorough explanation of our fencing program, coaches and philosophy. Sign up today to join this sport deemed the "sport of the intellectual athlete!"

MOONDOGS BASEBALL CAMP

MoonDogs Coaches & Players

2 Sessions + Game – Ages 6–14

Don't miss the excitement of Mankato MoonDogs Baseball this summer. Community Education & Recreation and the Mankato MoonDogs organization are offering skills (and fun!) camps this summer for youth ages 6–14. This program is open to both beginners and those more experienced in the game of baseball. This summer we have 2 great camps! Each day, campers will learn skills in the areas of hitting, throwing, and fielding, along with playing fun baseball games and having a ton of fun with MoonDogs players! Athletes will be divided into groups according to age and skill level. All campers will be able to celebrate the successful conclusion of camp by attending a MoonDogs game! Each camper will receive with their paid registration 2 FREE TICKETS to attend the game on the second day of camp. Campers from the first session will attend the game on Friday, June 14, where the MoonDogs face the Bismarck Larks (7:05 p.m.). The tickets for the second session will apply to the game on Wednesday, July 31, where the MoonDogs will take on the Thunder Bay Border Cats at 6:35 p.m. In addition to the game tickets, each camper will receive a MoonDogs T-shirt, and autographs! Come join 10–12 MoonDogs coaches and players for this outstanding camp that is a summer must! Classes are held at Franklin Rogers Park, 601 Reed St, Mankato.

MOONDOGS BASEBALL GAME VS ST. CLOUD ROX

1 Session – Grades K–8

Nothing says summer like an afternoon in the stands cheering on your favorite team. The Mankato MoonDogs are back and better than ever. Join us at Franklin Rogers Park for heart-pounding excitement as the Mankato MoonDogs take on the St. Cloud Rox for a 1:05 p.m. game. This is an afternoon field trip opportunity for children entering grades K–8. Participants will be chaperoned by district staff who are ready to have fun right along with the youth. It is daycare day at the park, so the stands will be filled with the area's youngest fans! Fee includes supervision, hot dog, snack and a juice box. Children are welcome to bring a small amount of money for additional concessions. Drop off and pick up at Franklin Rogers Park, 601 Reed St, Mankato.

LIVING EARTH GARDENERS

Lynn Rozen
4 Sessions – Ages 6–12

Dig in to gardening this summer! Get outside, get dirty, and learn to grow delicious food! Throughout the season we'll plant, harvest, and eat our own organic veggies, play games, make art, plant flowers, observe garden critters, and have fun. We'll explore the weekly changes taking place in our garden and celebrate butterflies, bees, and blossoms. The Living Earth Community Garden is a wonderful place to strengthen a connection to the natural world. Class is designed to educate, engage, and inspire a diversity of learners. Maybe you'll even try a vegetable you've never had before! Signing up for all three sessions allows you to experience the entire growing season, or you may choose to enjoy only one session. Scholarships are available for families in need. Call (507) 389-4272 for more information.

COME DANCE WITH ME: MUSIC AND MOVEMENT FOR THE YOUNG CHILD—SUMMER MINI SESSION

Lynn Rozen

3 Sessions – Ages 3 months–5 years

Share the joy of music and movement with your young child this summer. Class is designed to appeal to young children, infant through preschool, and includes singing, playing rhythm instruments, and creative movement. We'll explore the summer themes of the beach, farm animals, birds, and flowers. Early music and movement stimulates language development, builds social skills, and trains your child's brain for math and future music training. A caregiver attends class and joins the FUN!

SKILLS DEVELOPMENT

MATH – BY – MAIL

Brent Lackas, Tanya Ravnholdt
8 Sessions – Grades 5–9

It's Back! Keep young minds active with the locally developed Math-By-Mail curriculum: Math practice accompanied by enrichment activities for the upcoming summer months. Created by current middle school math teachers with 45+ years of combined experience! Minnesota State Standards, Math Frameworks MCA strands, and current Minnesota Benchmarks are the foundational basis for this curriculum. With creative problem solving, multiple choice, short answer and vocabulary embedded into an 8-week course of independent study, students will maintain or increase the level of their math understanding, in addition to reviewing the recommended targets suggested by grade level in the Minnesota School Academic Standards for mathematics. Each student will be given a pretest to assess the appropriate skill level necessary to strengthen their individual math needs, unlike other programs that are exclusively grade level driven. Students will receive an 8-lesson packet to complete at their own pace throughout the summer. As students finish packets, they are mailed back for feedback and then returned to the students. All packets are due back by August 9 in order to provide timely feedback before the 2019/2020 school year begins.

MACHINES & MATHEMAGIC

Youth Enrichment League
5 Sessions – Entering Grades 1–5

Build a motorized Race Car using LEGO® bricks and watch it go! Challenge every aspect of your creativity and intellect, while learning the basics of engineering, problem solving, and critical analysis; and then crank it up a notch to compete for daily prizes! Each day students will construct a cool project using LEGO bricks, and investigate how it works, why it works, and how to modify it to make it faster, stronger, or just plain better. Then students will be challenged with an array of mind-bending puzzles, games, and magic tricks, all using math as a backdrop. We emphasize a dynamic environment that engages every student! GRASP – MANKATO ACADEMIC SUMMER PROGRAM

9 Sessions – Grades K–8

A correspondence program designed to reinforce math and reading skills learned during the school year just completed!

GRASP is a workbook program designed for students who have completed any grade K–8, to keep their skills current over the summer months. Students complete nine lessons in math, reading, or both over the summer. Each lesson takes about one hour to complete. Mail or drop off answer sheets each week at Mankato CER. The lessons are scored, results recorded and sheets returned to the children. Children successfully completing at least 7 lessons (70% accuracy) are awarded a certificate. Those successfully completing all 9 lessons receive a medal mailed in September. Books will be mailed to students no later than Monday, June 17. **Please make sure your correct mailing address is on file at Community Education & Recreation.**

Call CER office, (507) 387-5501, with questions. To review concepts just completed, register for the workbook representing grade completed in spring of 2019. To work ahead on new concepts, register for workbooks representing your grade level in the fall of 2019 or beyond. Please consider carefully what grade level you want your child to practice. Once books are ordered, they become your property and are not returnable for a refund.

Register online at www.mankato.thatscommunityed.com, Youth Enrichment; or call our registration line at 507-387-5501 for assistance.

ROCKETRY

Paul Christianson
5 Sessions – Grades 2–6

In this class you will learn how a rocket flies, and then build and fly your own model rocket. We will also be using the movie *October Sky* in our teaching for the week. The rocket you build will be reusable and is yours to keep. On Friday morning we will fly our rockets at Rosa Parks Elementary School. Rain or excessive wind will hamper our ability to launch the rockets. Additional supplies: Students will be required to purchase their own model rocket. Cost of class is \$30 + rocket. Cost of rockets and materials can range from \$12–\$30, depending on size and style. Specific instructions on rocket choices, where to purchase rockets locally, and Friday launch details will be shared during the first class.

VEX IQ CHALLENGE - TRAVEL TEAM - 2019–20

Grades 4–6

VEX IQ Robotics Challenge will be returning in the Fall of 2019. This is a competitive opportunity for youth in grades 4–6. The VEX IQ Challenge consists of the VEX IQ Challenge Robot Game and the optional STEM Research Project. Practices begin in September 2019. We will host 4 teams/16 students at Mankato West High School on Tuesday evenings and 4 teams/16 students at Mankato East High School on Monday evenings. As a competition/traveling team, registered students will compete in 2 regional tournaments between November 2019 & January 2020. These tournaments are qualifier meets to earn a trip to state in February 2020. Indeed, our middle and high school youth from MAPS have already experienced World competition in Kentucky. All of these goals are attainable with dedication and commitment to having fun and working hard as a team!

Space is limited in our VEX IQ Challenge traveling teams. We already have many students who have committed to VEX IQ for several years and we want to allow their continued growth.

Qualifiers must register during their specified window as directed below.

On August 5, 2019, VEX IQ Robotics Traveling/Competitive Team Registration will open to qualified participants.

Qualifier #1– VEX IQ State Qualifier team members from 2018–2019 enrollment period: August 5–9, 2018

Qualifier #2– Successful completion of **BOTH** summer camp options on this page (VEX IQ Engineering or VEX IQ Programming) enrollment period: August 12–16, 2019

Qualifier #3– Successful completion of 1 of the 2 available VEX IQ Summer Camps (VEX IQ Engineering or VEX IQ Programming) enrollment period: August 19–23, 2019

Qualifier #4– Past participant of VEX IQ (2018–19) enrollment period: is August 26–30, 2019

Qualifier #5– Past participant of any science or engineering course offered in 2018–19 or student of qualifying age and grade prepared to follow the terms and conditions required of VEX IQ Team membership. Final enrollment period is September 2–6, 2019.

VEX IQ ENGINEERING CLASS

BAND / ORCHESTRA

Parents of new, incoming band and orchestra students (FALL 2019) are encouraged to attend a spring conference! Ideally you would attend the conference at the school your child will attend in the fall. Parents will meet their student's future band/orchestra instructor, test instruments, receive rental information for instruments and even have the opportunity to sign up for a week of lessons in August 2019. **The Beginning Band/Orchestra Jump Start** sessions described above give students the option to practice with their instrument before school starts.

SPRING BAND/ORCHESTRA PARENT CONFERENCE DATES:

Mon, May 13; 3:30–7:30 p.m.; DMMS-Cafeteria

Wed, May 15; 3:30–7:30 p.m.; PWMS-Band Room

No appointment necessary! Spring conferences are arranged "open house" style. Music students should attend conferences with a parent.

BEGINNING ORCHESTRA JUMP START

5 Sessions – Completed Grade 5 or 6

Get a jump start on your new instrument. Parents are strongly encouraged to reserve this time for summer lessons if you want your child to start orchestra this fall. Information brochures will be sent home with students informing parents of the opportunity to meet with instructors to determine what instrument your child would like to play and lesson times; or call Community Education & Recreation at (507) 387-5501.

PLEASE NOTE: Parents of children attending non-public schools: you should attend the parent conference at the site you will attend band or orchestra.

PRACTICE AND GAME ALL IN ONE TRIP!

Saturday Morning Youth Sports sessions last for a full hour or an hour and 15 minutes, starting with practice time followed by game time. Make your one-time-a-week trip worth your while! If you like, run a couple of errands while your child plays under the guidance of trained, qualified staff.

Rules & basic fundamentals are covered at the beginning of each session. **No experience or equipment necessary; we will provide it all! No uniform costs. Colored jerseys provided each week if teams need color distinction.** Basic fundamentals are taught, along with an emphasis on low-key competition, allowing children to participate equally and to have fun while being physically active. Everyone plays!

In each sport, teams will be formed according to grades, and boys & girls divisions will be formed if participation allows. **All sports are held on Saturday mornings. Schedules will be mailed out once registration is complete.**

MNSU SUMMER CLIMBING CLUB

MNSU Adventure Education Program Staff

Ages 7 & up

Come climb at the MNSU Rock Climbing Pinnacle this summer! Enjoy exclusive access to our outdoor facility with just 11 of your peers, plus individualized climbing instruction from our experienced staff! We'll offer three Clubs that meet once per week for brand-new, some-experienced, and very experienced climbers for up to 14 weeks.* Climbers who have completed a summer Climbing Camp with us in the past, but have not climbed since, would be suitable for Mavericks Climbing Club on Wednesdays. Club membership includes a 4-month climbing pass + gear rental at our climbing facilities during public hours!

*Summer of 2019 the Indoor Climbing Wall is closed due to facility flooring repairs. The only climbing facility for our summer programs and use is the Outdoor Climbing Pinnacle located near the observatories and High Ropes Course on the campus of Minnesota State University.

*Clubs meet at the assigned day/time May 13–August 16, weather permitting. We will make every effort to notify parents of weather cancellations up to an hour before clubs. No rescheduling or refunds available for cancellations.

PAYMENTS

Fees should be paid in full at time of registration. Community Education & Recreation accepts VISA, MasterCard and Discover. Checks made payable to **ISD 77 CER** can be mailed or brought in person. ****Payers will be charged an additional \$30 fee for any returned check. Participation for all members of the household will be suspended until the account is brought up to date.****

REFUNDS

Registrants wishing to withdraw their registration must do so no later than 4 business days prior to the scheduled start of the activity. You can be given a refund minus a \$5 processing fee. NO refunds will be given if withdrawal is made less than 4 business days before scheduled start date. No refunds can be given for trips or tours after the registration deadline.

CANCELLED CLASSES

CER reserves the right to cancel any event, class or program. CER will make efforts to contact registrants 48 hours before the scheduled start of the activity. Complete refunds will be given if cancellation occurs. If Mankato Area Public Schools' District 77 cancels school or releases students early due to weather concerns, CER activities will also be cancelled. **For updated information, please check www.mankatocer.com or Mankato Community Education & Recreation Facebook page.**

MAPS IMAGE RELEASE

Mankato Area Public Schools, 10 Civic Center Plaza, Mankato, MN 56001 has the right to publish my child's likeness, photograph, name, words and/or artistic works; and/or my likeness, photograph, and the same to be published in any form or medium (for example: print, electronic, video, social networking, etc.). To decline this permission for MAPS CER activities, written notice must be provided in advance to our office at Lincoln Community Center, 110 Fulton St. Mankato, MN 56001.

WEATHER

If Mankato Area Public Schools District 77 cancels school or releases students early due to weather concerns, Community Education & Recreation activities will also be cancelled.

PERSONS WITH DISABILITIES

Individuals with disabilities are encouraged to participate in any class or activity listed in this catalog or online. If you require assistance in order to participate, please call the ACCESS Office, at least 2 weeks prior to the start of your class, at (507) 387-5501. The ACCESS Program provides recreational activities for individuals with physical disabilities, and modified classes for those with developmental/intellectual disabilities. See page 44 for instructions regarding specific class offerings. For the deaf or hard of hearing, dial 711 to contact the Minnesota Relay System.

THE FINE PRINT

Supervision is provided for participants only during listed activity hours. We cannot be responsible for anyone arriving early or left waiting after the scheduled ending time.

Participation in any CER program, class or activity is voluntary. Participants (and parents of participants) hold the department and district free from liability in case of accidents of any nature.

NON-ENDORSEMENT DISCLAIMER

The information provided by the instructor is intended for educational purposes only and not as a substitute for professional advice. Written materials provided by the instructor are not controlled by Mankato Community Education & Recreation and are not guaranteed for accuracy, timeliness or completeness.
