

If your student is riding a school bus, please know that safety is a priority in the Shawnee Mission School District. We abide by regulations set forth by the Kansas State Department of Education/School Transportation as well as supplemental district policies and rules in order to maintain a safe and efficient transportation program. The bus ride is considered as an extension of the school day. Therefore, it is important that students understand all school rules that apply while riding on the bus. Additionally, buses are equipped with video cameras which record both visual and audio.

Please review the safety regulations below with your student. Remember the bus is an extension of the school and class room and those rules apply as well. Failure to comply with these safety regulations may lead to a suspension of bus privileges. K and 1st graders need to have an adult to be at the bus stop to receive the student.

 - Follow the above rules and regulations; they apply to any trip under school sponsorship.

Procedures for Bus Riders Requesting Multiple Bus Stops

DS Busing is only authorized to assign routes and bus stops to students at corner bus stops near their home addresses according to the SMSD student database. If a parent/guardian would like their student dropped off at any other location on a regular basis throughout the school year, please refer to the procedures below.

1. The parent should provide the school with a written request giving permission for their student to be dropped off and/or picked up at a bus stop different than the one they are assigned to on our computer records.
2. The parent must choose an existing bus stop listed on the bus route for the alternative bus stop. A new stop will not be created as an alternative bus stop.
3. If the school approves the parent request for an alternative bus stop, the school should inform DS Busing and DS Busing will inform the driver.
