

Grace Christian Academy 6th Grade

Summer Reading

The purpose of summer reading is to encourage all students to read over the summer, to enrich learning, and provoke thought while fostering a love for reading. Variety of genres chosen by students will promote a diversity of interests within our community of learners.

Due the first day of school

There are 2 parts to this summer reading project. We want you to read what interests you. Hopefully you will enjoy this project and possibly even try reading something new.

- 1) Choice Board - Select at least 20 different options. It is possible to color 2 of the clouds at one time as you read. Be creative and think outside of the box. A few options require you to bring something back to school. Make sure your parent initials each cloud you choose.
- 2) Reading Log - Record anything that you read on the reading log. We will be using that information during our first week of school. Have your parent sign the bottom of your book log before you turn it in.

Optional:

Have your parents send us a few pictures of you reading to kelly.mullins@gcarams.org or you can tweet them to [@gca6thgrade](https://twitter.com/gca6thgrade)

We can't wait to see all that you read this summer!
