

Early Childhood Education 3

COURSE DESCRIPTION:

This semester course provides students an opportunity to work with children in a professional lab setting. Students enrolled in this course will: teach young children, demonstrate positive employment skills, maintain a healthy environment for children, and develop positive relationships with children. On-site lab experiences will be a major component of the course. Students will continue preparing for the Child Development Associate Credential (CDA). Student leadership and competitive events (FCCLA) will be integrated into this course. Child Development, Early Childhood Education 1 and Early Childhood Education 2 courses are REQUIRED prerequisites.
