

## Parent Moose Message 9

May 7, 2019

It feels as if everything has shifted into high gear now that the weather has changed. I can't believe we only have 4 more weeks of school! We are right in the middle of Teacher Appreciation Week. I am very appreciative of the wonderful staff at TLE and the devotion they have to all of the students here.

As the warmer weather is here please remember the dress code for shorts, must be longer than fingertips when arms are at side, and tank tops, must be at least one inch wide straps. Also, shirts with pictures or sayings must be school appropriate. Thank you!

### Lunchroom

Please make sure your student's lunch account is up to date. Also, please remember the cafeteria does not have a snack program. We have many students asking for snacks and that is not something we are able to offer at TLE. Please send a snack with your child if you would like them to have a snack during the day. If you need assistance with providing snacks for your student please contact Justine Litzko for support. Thank you.

### *State Testing*

We have finished our ISAT testing and will begin our IStation (K-3 State Test) in the next two weeks. I am so proud of all the hard work our students are doing. Please check with your student's teacher if you have any appointments for your child coming up so we can make arrangements for them to test at an alternate time if necessary.

### *Last Box Top Competition*

We will be having our last box top classroom competition for the year. Please send in your box tops May 20th-31st. The classroom with the most box tops K-3 & 4-6 will win a donut party!

### *Parent Survey*

We value working together with you as a partner in your child's education. Your input is very important to us. Please take a moment to take this survey so that we may continue to grow. *The survey window is open until May 17th.* Thank you for your support.
