

Slough & Eton Church of England Business and Enterprise College will be offering School Direct training placements for the award of a Post Graduate Certificate in Education. School Direct is available for those who are recent graduates and for those wishing to enter the profession following employment. These placements will be in partnership with Reading University to provide Initial Teacher Training and School Direct for the majority of subjects.

Slough and Eton is an associate member of the Wokingham Federation School Direct Consortium and applications will be processed through this group for our placements. Applicants should contact the school to indicate that their application is for a Slough and Eton placement. Please contact Andy Leane, Senior Deputy Headteacher for further information.

#### Professional Training at Slough and Eton

The school is an experienced provider of high quality Initial Teacher Training and is pleased to include the School Direct PGCE qualification within our career entry opportunities. The school provides each individual on the PGCE programme with a dedicated mentor who has protected time to fulfil their training responsibilities. The school also offers a full, in house, professional studies programme to complement the university course. Leading professionals and representatives from support agencies contribute to this lively and enriching training experience.
