

The Afternoon Arts Program – M U S I C

Music Applicant ~ Read the following and complete this application by writing out a proposal. Your proposal should be emailed to Mrs. Neiswender (mneiswender@thehill.org) and Mrs. Lim ([ylim@thehill.org](mailto:yylim@thehill.org)) by the due date. **You are required to perform at least one approved music composition at the Afternoon Arts recital.**

The Afternoon Arts Music Program is for serious and dedicated music students who have passion for it. You must have enough experience in music in order to work productively in an independent environment. This program is your first choice of afternoon activities. If you have already tried out for a sports team, you are ineligible. Admission into the Afternoon Arts Program is granted after your proposal gets approved by the Arts Department.

Your proposal: You should be ambitious when planning for Afternoon Arts, but you also need to be realistic. If you have a private teacher, be sure to communicate with him/her about the specifics (pieces you would like to work on, skills you would like to develop etc.) before writing the proposal. If you do not have a private teacher, design a plan that will work for you. Your proposal should include a list of repertoire (including title, opus number, and composer name and movement if you are not working on the entire work), and what you think you will perform for the recital. Include any other information that will add to your application (ex. collaborating with an instrumentalists or singer or writing an original composition).

Your application and proposal should include:

Name, Form, The Term you wish to enroll (Fall, Winter, Spring), and a detailed plan on how you will accomplish the stated goals by the completion of the term.

If you have any questions, we are happy to answer them. Please email Mrs. Neiswender (Director of Instrumental Music) or Mrs. Lim (Director of Vocal Music and the Afternoon Arts Coordinator).

Late applications will not be accepted.

All students enrolled in Afternoon Arts must participate in a fitness regimen equal to at least two hours of physical activity per week under the direction of an authorized instructor. Repeated failure to attend these workouts will result in removal from the Afternoon Arts program.
