

Junior High Track and Field 6th - 7th and 8th Grade Conference Track Meet

Prior to 2002, most area junior high track programs competed in the Saint Paul Suburban Conference. Teams included Inver Grove Heights, John Glenn, Maplewood, South St. Paul, Sibley, Skyview, Hastings, Park-Cottage Grove, Woodbury, Stillwater, Oak-Land, Roseville, and White Bear Lake.

Beginning in 2002, a new junior high track conference was created based on the MSHSL Suburban East Conference. Junior High teams included Hastings, Park-Cottage Grove, Woodbury, Stillwater, Oak-Land, Roseville, and White Bear Lake. This seven team conference lasted one year. Starting with the 2003 track season the White Bear Lake team began competing as separate schools, White Bear Lake Central and White Bear Lake Sunrise. Beginning in the spring of 2015 Hastings has departed for the Metro East Conference and Spring Lake Park-Westwood Middle School, Centennial Middle School and Forest Lake Jr. Highs will be attending.

The Suburban East Junior High Conference Track Meet is the culmination of the track season. The meet consists of four divisions based on grade and gender: seventh grade boys and girls, and eighth grade boys and girls. Trophies are awarded to the top team from each gender/grade level. Ribbons are awarded for each place winner, first through eighth.

The records and statistics were taken from the Suburban East Conference Track Meet Results 2003-2017.
