York Drama Presents Shakespeare's *Much Ado About Nothing*. Show Opens January 31

When the boys come marching home from the battlefield this winter, all the women will swoon. Almost all the women. Beatrice is just fine without a man, thank you. In fact, she's more than a match for the confirmed bachelor Benedick in Shakespeare's battle of wits, ***Much Ado About Nothing***. Intrigue, farce and verbal sparring lay the foundation for another of Shakespeare's great inventions, the modern Rom-Com. Join us for Shakespeare's most produced play and find out why it's so beloved. Show times are Thursday, January 31 through Saturday, February 2 at 7:30 and Sunday, February 3 at 2:00. On sale now, all tickets are \$10 and are available at the door or at ticketpeak.com/yorkdrama.

2019-2020 REACH Identification Notification February 1

Students currently in grades 2 and 5 are considered for REACH participation in the 2019-2020 school year. Families of students, who are identified for REACH, receive email notification via SchoolMessenger on February 1, 2019.

Application for REACH Appeal

Students currently in grades 3 through 7, who are not enrolled in REACH, may be considered for programming in the area of English Language Arts (ELA) and/or Math. Appeal requires additional testing that is completed outside of the school day. Students, who successfully appeal REACH placement, consistently demonstrate above grade-level performance. The Application for Appeal is available on the District website [here](#) through February 15, 2019.

D205 Foundation Thiems Educational Grants Applications Due February 5

The Foundation has awarded over \$1.6 million dollars in Thiems Educational Grants, a program named after former Superintendent Russell Thiems, who was instrumental in the creation of the foundation. The application for this year's Thiems Grants are due February 5th. Please note that grants involving technology will require the submission of a Technology Review form.

We encourage innovation, creativity, and grants that help deliver curriculum that engages students. For a list of past grants and to access information on the process
