### About Us

BSC's is a non-profit organization with a mission to provide affordable, quality youth soccer in Kansas City. Since our inception in 1977, we have been focused on family oriented, fun opportunities for soccer. As the interest in soccer in our city grows, we have continued to grow with it.

BSC is one of the oldest soccer clubs in the Kansas City metro area. Our success comes from the dedication and support of thousands of parents who volunteer their time to drive kids to games and practices, to coach and to serve in other ways like the BSC board of directors.

All parents should embrace our core values: Open registration, everyone plays, balanced teams, good sportsmanship, positive coaching.
