Back to school information:

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Public Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

Bus route information will be mailed to parents approximately one week before the first day of the school year. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Early Childhood Screening - Screen At Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 reasons to screen at 3:

- Screening can ensure school success
- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Register online:

<https://whitebear.ce.eleyo.com>
or 651-653-3100

Early Childhood Screening takes place at:

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

For students entering kindergarten - 12th grade, the following immunizations are required:

- 5 DPT, DT, Td (Diphtheria, Tetanus, Pertussis) - with the last given after the 4th birthday
- 3 Hepatitis B (HBV) - these injections are given over a 6 month period
- 4 Polio (OPV or IPV) - with the last given after the 4th birthday
- 2 MMR (Measles, Mumps, Rubella) - with the first given after the 1st birthday
- 2 Varicella (Chicken Pox) - with the first given after the 1st birthday or verification of having had the disease (mo/yr)

For students entering 7th grade - 12th grade, the following additional immunizations are required:

- 1 Booster dose of Tdap (Tetanus, Diphtheria, Pertussis) - given at or after 11 years of age
- 1 Meningococcal (Meningitis) prior to entering 7th grade

For more information about immunizations, please contact your school nurse or health office.

School Breakfast/Lunch Program

The school district's Nutrition Services Program provides nutritious breakfasts and lunches at each school. Milk is included with meals and may also be purchased separately.

The White Bear Lake Area Schools offer a computerized meal payment system. Money is deposited into the student's individual account. During meal time, students enter a personal identification number (PIN) on a keypad that will access their account. Deposits into student accounts can be made each day at school or on the District website.

Students whose families qualify may receive free or reduced-price meals by completing the application available at their school. Applications can then be submitted to the Nutrition Services Office at 4855 Bloom Avenue in White Bear Lake and online at mealapp.isd624.org/onlineMealapp/. The District follows strict non-discrimination rules to protect the anonymity of its students.

The department and the Minnesota Department of Education sponsor the USDA Child Nutrition Program. The USDA is an equal opportunity provider and employer.

Student meal prices for 2018-19:

	Breakfast	Lunch	Milk
Elementary	\$1.70	\$2.70	\$.50
Secondary	\$1.70	\$3.00	\$.50

Información para el regreso a clases:

Información sobre el cierre de las escuelas en emergencias por el clima

Cuando se toma la decisión de cerrar las escuelas, se hace un anuncio por las principales estaciones de radio y de televisión tan temprano por la mañana como sea posible. En el anuncio se identificará a nuestro distrito escolar como y White Bear Lake Area Public Schools. También usaremos el sistema de alarma de notificación de padres para notificar a las familias de los cierres de las escuelas. Si no se hace ningún anuncio, las escuelas abrirán según lo planificado. Los padres también pueden consultar el sitio web del distrito o la página de Facebook/Twitter o llamar a la línea de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

La información de la ruta del autobús se enviará a los padres aproximadamente una semana antes del primer día del año escolar. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la llegada del autobús. Los estudiantes solo pueden usar el autobús asignado para ir y regresar de la escuela. No se permite que los estudiantes utilicen el autobús para fiestas de cumpleaños, exploración ni otras actividades. Los horarios del autobús son algo flexibles durante la primera semana de escuela mientras los choferes se familiarizan con las rutas. En caso de mal tiempo, los conductores del autobús tratarán de mantener sus horarios. Sin embargo, si los caminos están congelados o cubiertos de nieve, los autobuses pueden llegar tarde; los padres y los estudiantes deben planificar con tal fin. Los padres deben decidir si enviar a sus hijos a la escuela en días extremadamente fríos. Para obtener más información sobre el transporte del distrito, llame a la Oficina de Transporte al 651-407-7538.

Evaluaciones de Infancia: Información de la evaluación a los 3 años

La Evaluación de Infancia es requerida por el estado de Minnesota para todos los niños antes de la entrada a jardín de infantes. La mejor edad para la evaluación es a los 3 años. El distrito de Escuelas del Área de White Bear Lake proporciona esta evaluación gratis.

3 razones para evaluar a los 3 años:

- La evaluación puede asegurar el éxito en la escuela.
- Si se identifican problemas de salud o de desarrollo, tenemos servicios educativos especiales disponibles.
- Es divertida y provee a los padres/tutores información valiosa sobre el desarrollo de sus hijos.

Se aceptan registros de padres y médicos con el día, mes y año de cada dosis. Si el estudiante o los padres se encuentran exentos por motivos de salud y/o religiosos se debe firmar la carta de exención apropiada.

Para los estudiantes que entran de jardín de infantes a 12.º Grado, se requieren las siguientes vacunas:

- 5 DPT, DT, Td (difteria, tétano, tos ferina) - la última dosis después de cumplir 4 años
- 3 Hepatitis B (HBV) - se dan en un período de seis meses
- 4 Polio (OPV o IPV) - la última dosis después de cumplir 4 años
- 2 MMR (sarampión, paperas y rubeola) - la primera dosis después de cumplir 1 año
- 2 Varicela (Chicken Pox) - la primera dosis después de cumplir 1 año o si tuvieron la enfermedad (mes/año)

Para los estudiantes que entran de 7.º grado a 12.º grado, se requieren las siguientes vacunas adicionales:

- 1 dosis extra de Tdap (difteria, tétano, tos ferina) - dada después de cumplir 11 años
- 1 meningococo (meningitis) antes de entrar a 7.º grado.

Para obtener información sobre vacunas, llame a la enfermera de la escuela o a la oficina de salud.

Programa de desayuno/almuerzo escolar

El Programa de Servicios de Nutrición del Distrito provee desayunos y almuerzos nutritivos en cada escuela. La leche se incluye con las comidas y también se puede comprar por separado.

Escuelas del Área de White Bear Lake ofrece un sistema de pago de comidas computarizado. Se deposita dinero en la cuenta personal del estudiante. El estudiante ingresa su PIN en un teclado que accede a su cuenta al comprar su desayuno o almuerzo. Los depósitos en las cuentas de los estudiantes se pueden hacer diariamente en la escuela o en el sitio web del distrito.

Los estudiantes cuyas familias reúnen los requisitos pueden recibir comidas gratis o a precio reducido completando la solicitud disponible en la escuela. WELCOME TO WHITE BEAR JANUARY 2019 ACTIVITIES

Get to know White Bear Lake Area Schools!

While parents are welcome to visit our schools at any time, there are several special opportunities in January for families to learn more about our schools! Find additional information in a highlight at www.isd624.org!

All of our elementary students learn Chinese or Spanish (Chinese at two elementary sites and Spanish at all others). District students have the opportunity to take Chinese, German, French or Spanish each of their middle school years. High school students have those options and American Sign Language opportunities.
