

## **AACS Bus Fees and Payment Options**

Riders who will regularly use AACS transportation may purchase round trip or one-way passage for the school year or by semester (1<sup>st</sup> or 2<sup>nd</sup> semester).

You have the option to make payments one of two ways.

1. Payments may be processed through an existing FACTS account as it is set up to pay either monthly or semi-annually with your tuition payments.
2. We can invoice you for the full amount and you can make a one-time payment for the full amount within 30 days upon receipt of the invoice.

When you complete the online registration form, be sure to select one of the payment options. Please note that there is no refund for any unused trips associated with a transportation reservation.

Route Type	Annual Fee / Semester Fee
Neighborhood Round Trip	\$2,198.90 / \$1099.45
Neighborhood One Way	\$1,644.50 / \$822.25
Shuttle Round Trip	\$825.00 / \$412.00
Shuttle One Way	\$616.00 / \$308.00

### **Per Use Bus Tickets**

For those who need to occasionally use AACS transportation but do not believe they will utilize it enough to warrant purchasing a semester pass, tickets will be available in each campus office for purchase individually or in packs of 10. Each ticket may be used for a one way ride (two tickets per day for round trip).

Route Type	Single Ticket	10 Pack
Neighborhood	\$12	\$105
Shuttle	\$7	\$65

The pass must be purchased in advance and presented to the driver when boarding the bus. The driver will not sell passes or accept cash. Any AACS student in the family can use the bus pass as long as they present the pass to the driver at the time of the ride. These passes are good for the entire current school year. Please note that there is no refund for unused portions of a bus pass.
