# Where are we going?

## OUR DISTRICT VISION:

All students graduate college-, career-, and life-ready.

**C**ommunication | **C**ritical Thinking | **C**ollaboration  
**C**haracter | **C**reativity | **C**itizenship

# Learning and Teaching Priorities

- Help create shared understanding and measurement of district vision, strategies, and priorities
- Develop curriculum resources and assessments in key content areas with new standards or programs that reflect rigor and relevance
- Support instructional strategies aligned to rigor & relevance and the 6C's

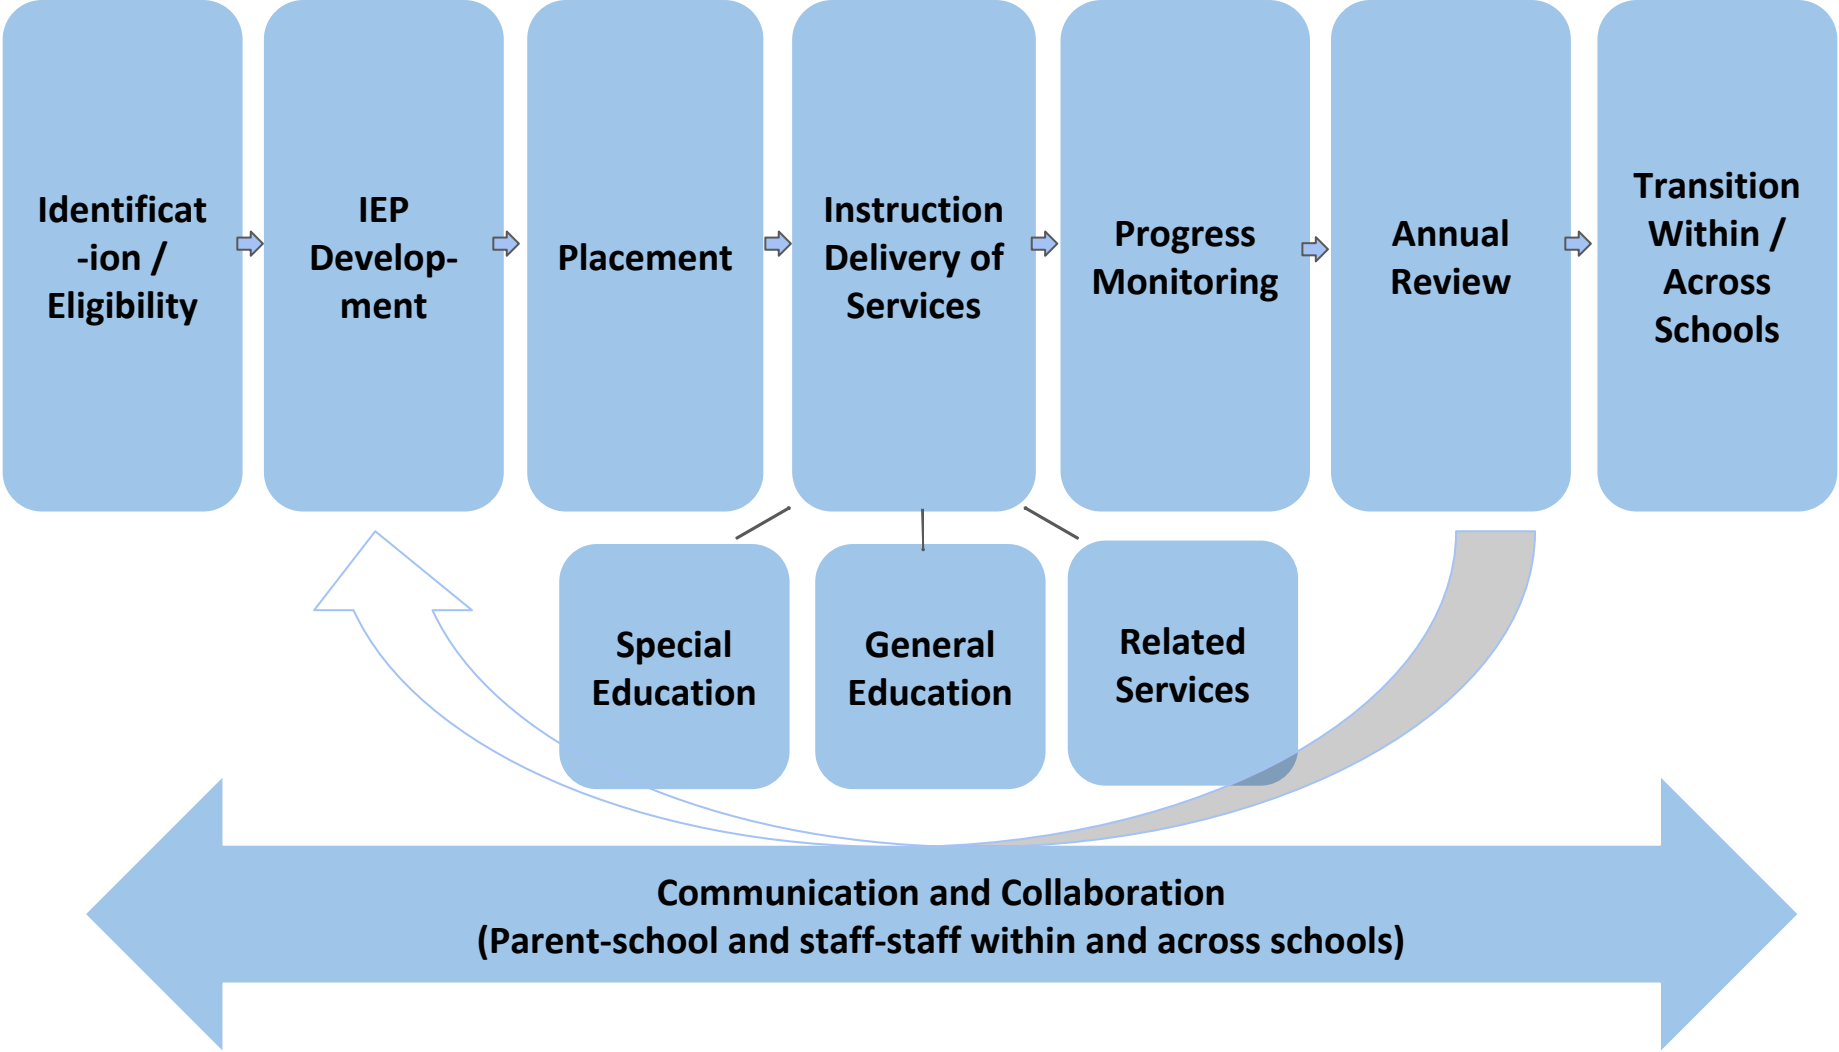

# Presentation outline

- Process of prioritizing next steps
- Key areas of feedback and next steps
- Overview/timeline of next steps

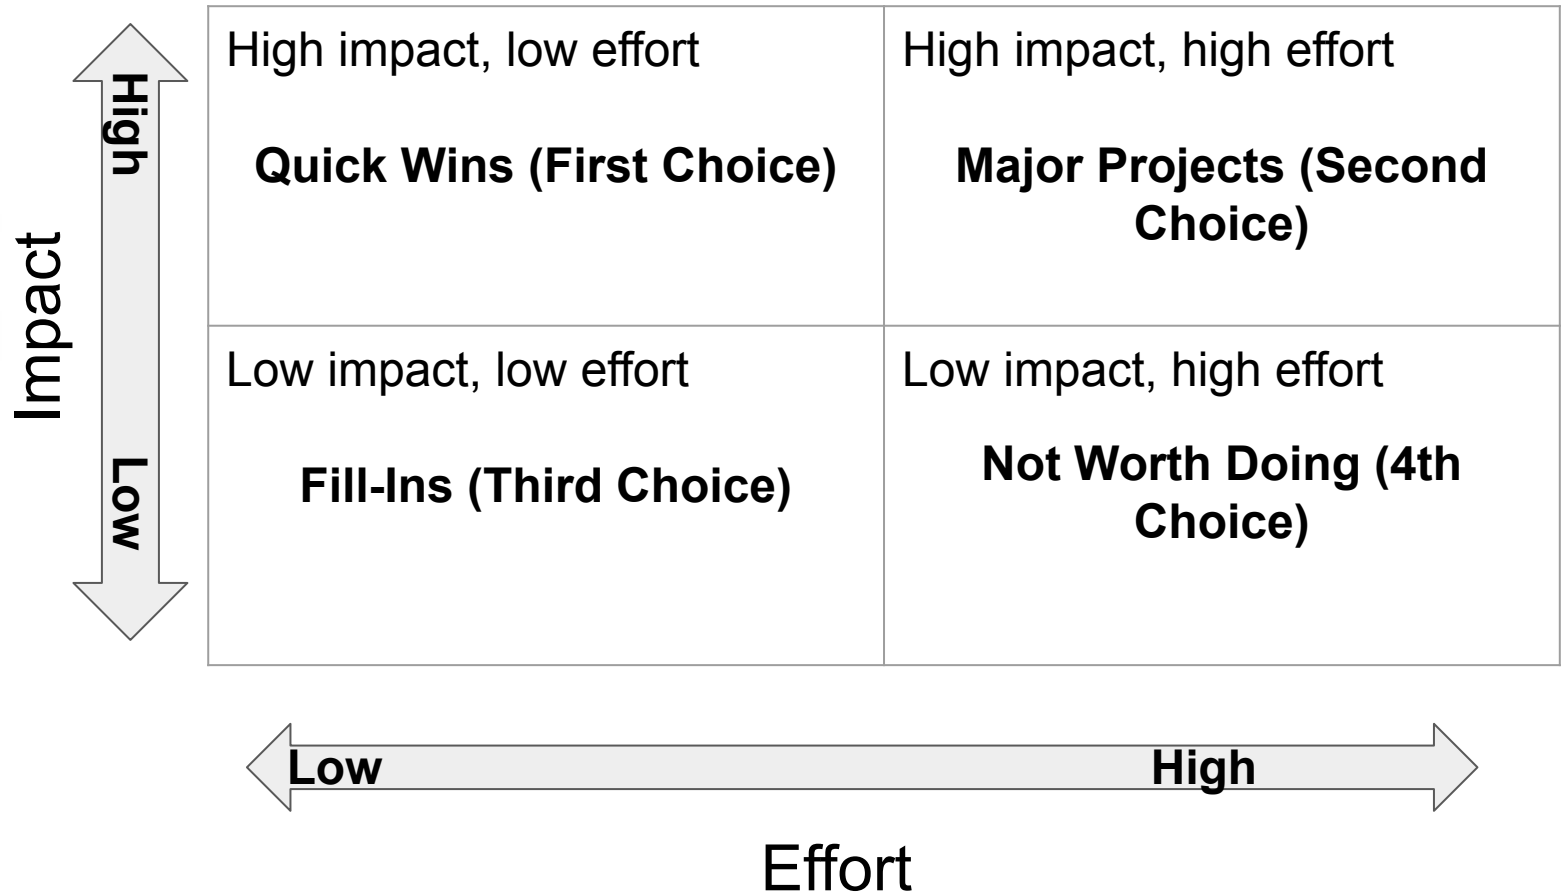

First, determine highest priority desired outcome of special education services based on feedback

- **Students will graduate college, career, and life-ready**
- Students will learn and grow
- Students will feel engaged and satisfied
- Parents will feel engaged and satisfied

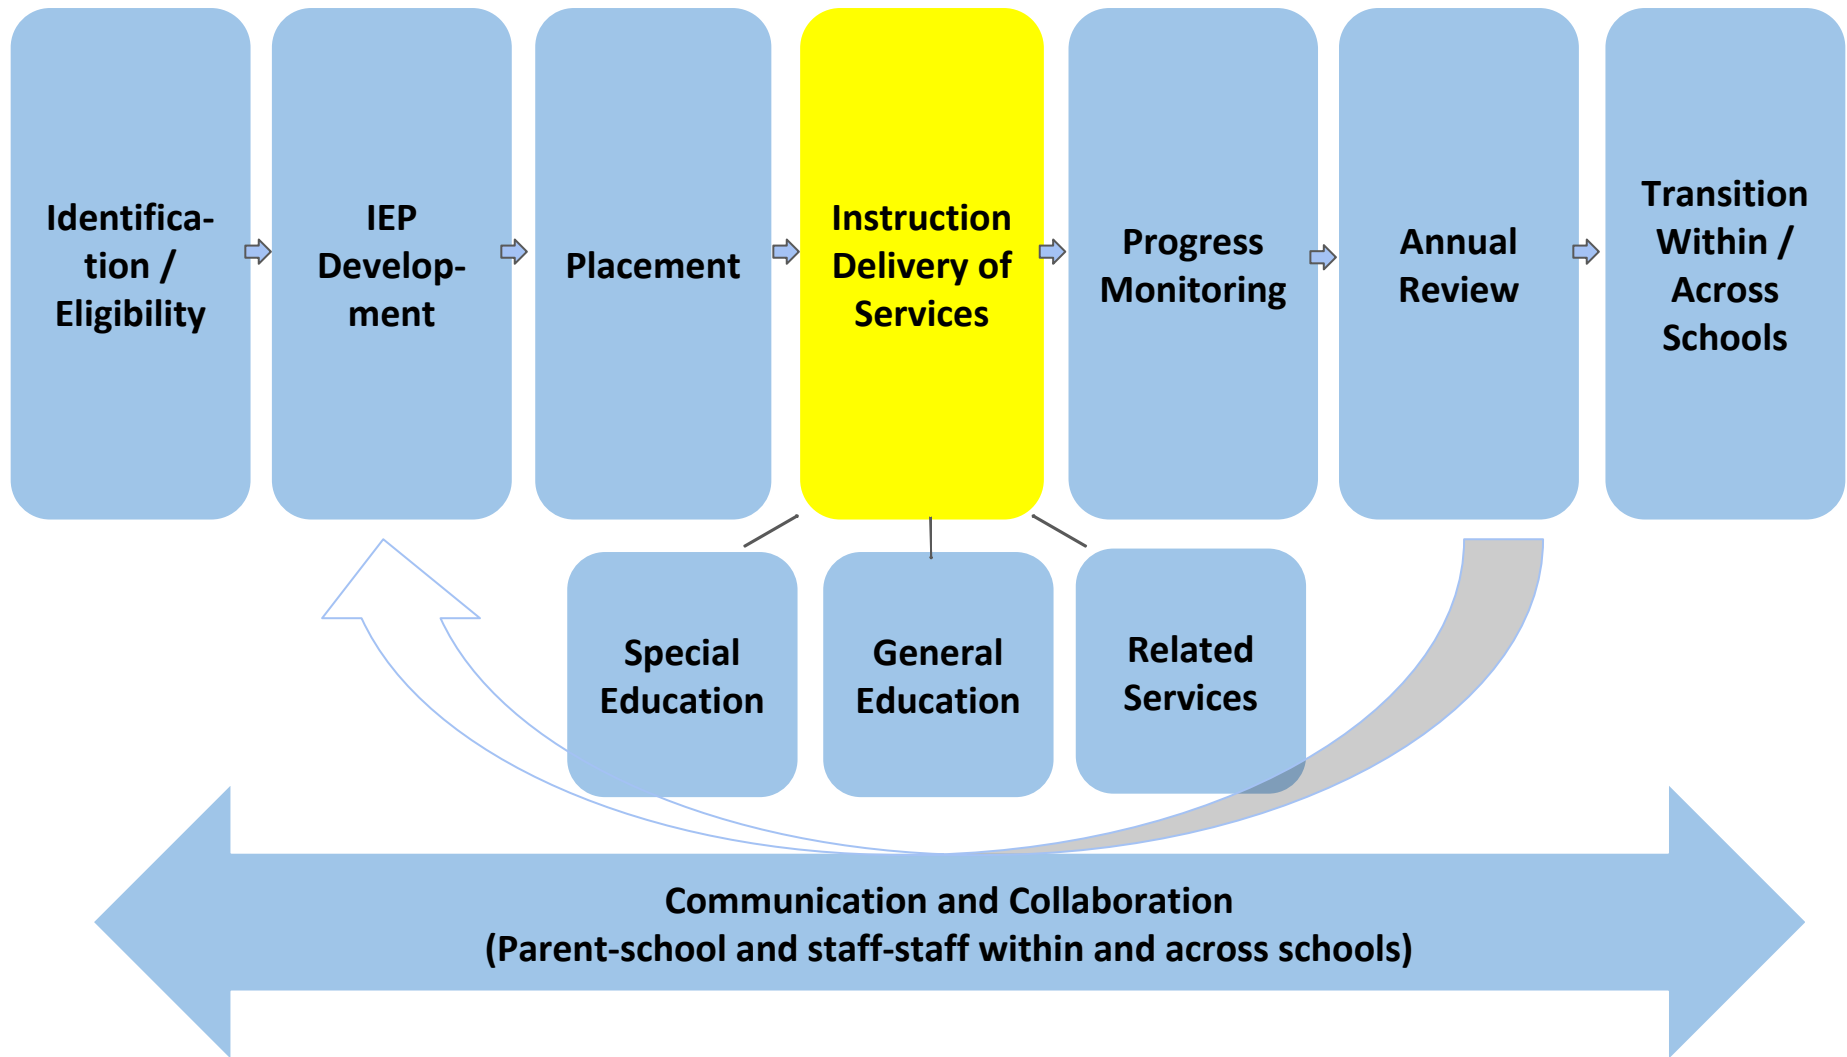

Next, prioritize possible next steps in each element of report findings using impact/effort matrix

# Impact/effort matrix: which elements will lead to desired outcomes?

Findings related to instruction/delivery of services were seen as high impact - and mostly major projects

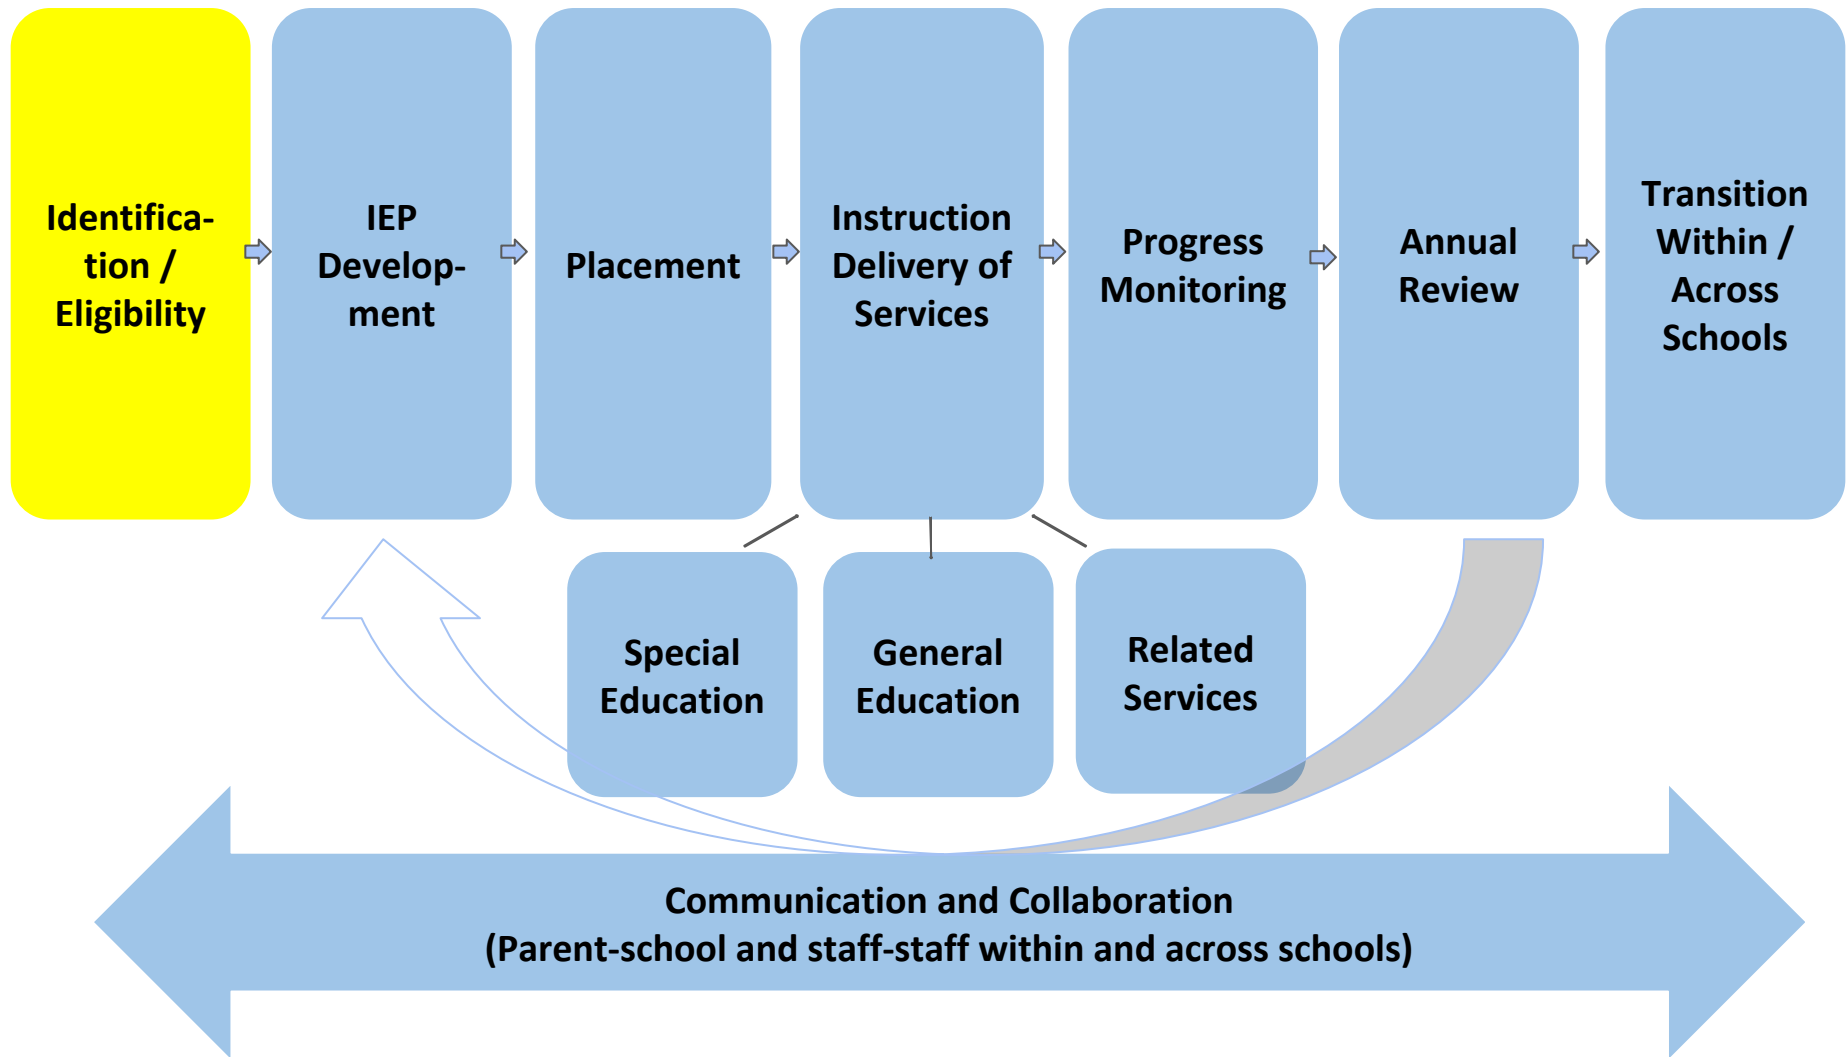

# Element: Instruction/Delivery of Services

- Develop **school improvement plan goals** around special education student performance
- Enhance **professional learning on responsive teaching** (differentiation) for all teachers
- Offer **graduate training for special education teachers in reading** (endorsement)
- Expand Transition services to include on-site **College of DuPage** opportunities
- Increase **educational assistants' professional learning time**
- Increase **supports related to behavior**
  - Dedicated FTE for behavior support
  - ACCESS program
  - Overall district behavioral health plan

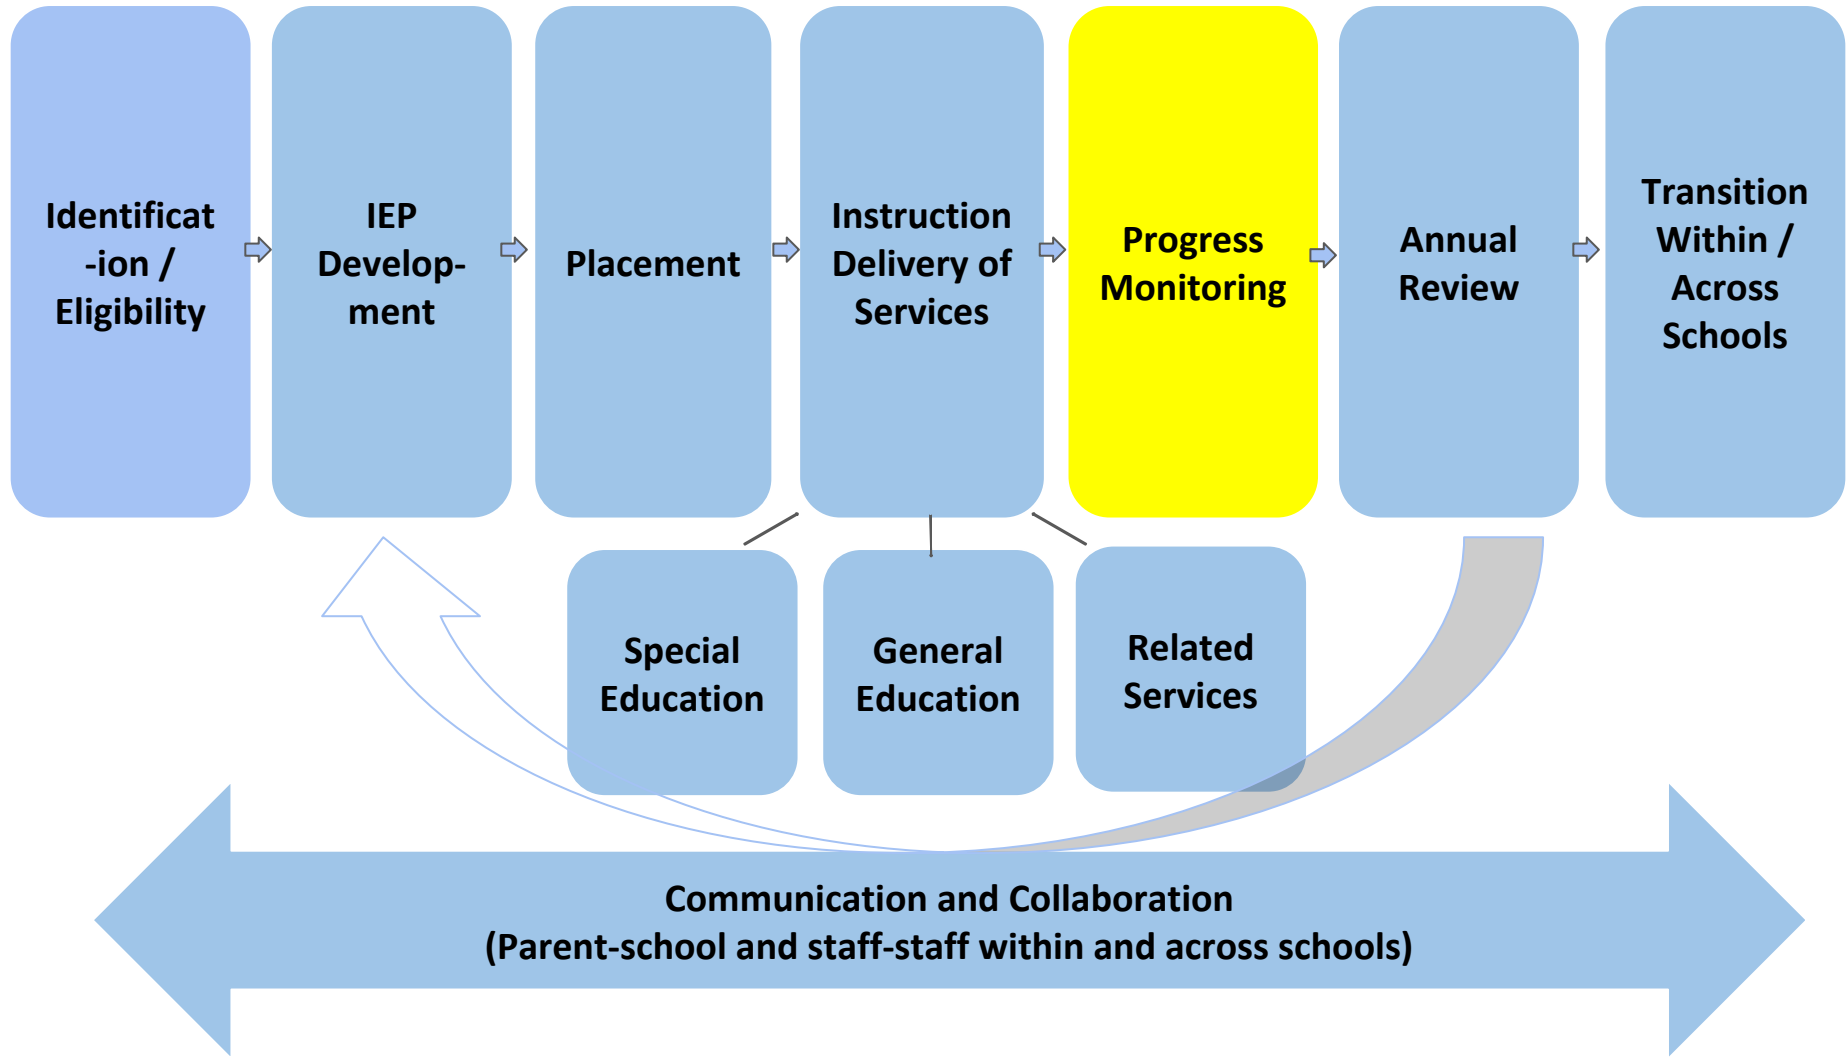

# Addressing findings related to identification (and pre-identification) also seen as high impact

# Element: Identification and Eligibility

- Develop a districtwide **Multi-Tiered System of Support (MTSS)**
  - Form **MTSS Steering Committee**
- Improve **IEP goal development**, specifically in the area of providing comparison to typical developing peers
- Implement **peer review process** for IEP goal development

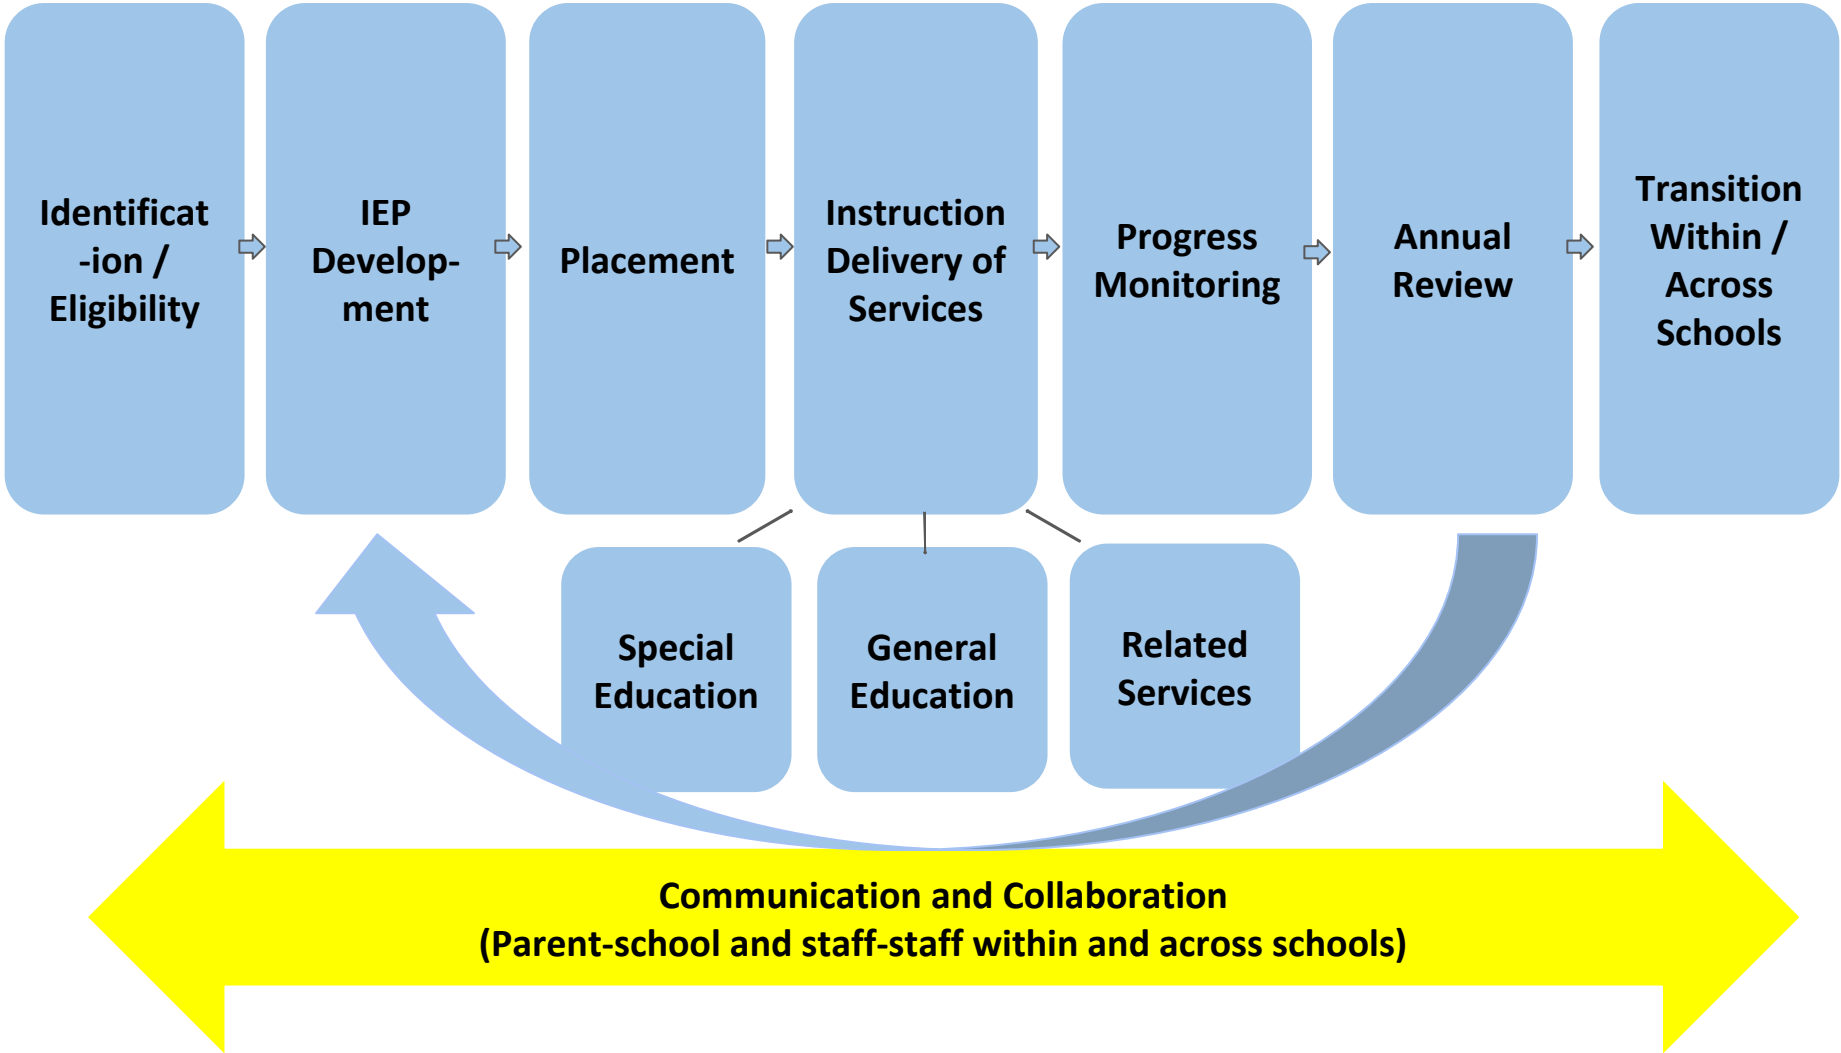

# Progress monitoring identified as another high-impact element to tackle

# Element: Progress Monitoring

- Build repertoire of **progress monitoring tools** across levels
- Expand use of **goal attainment scales** at 6-12 level
- Develop administrative **goal review process** at building level

# Improving various aspects of communication and collaboration identified as high-impact by multiple stakeholders

# Element: Communication & Collaboration

- Enhance **parent information meetings** at level changes
- Develop **parent education series** on “IEP process”
- Provide parents **draft goals prior to IEP meetings**
- Build **increased collaboration time** into teacher schedules (K-5, 6-8)
- Enhance **collaborative practices** within a PLC
- Implement use of **facilitated IEP process** (EC-8)
- Implement **student-led IEP process** (high school)

# Other data collection updates

- Parent survey - IEP meeting focus
  - 165 respondents (~13% response rate)
  - Fed findings into action planning
  - Report on findings will be disseminated shortly
- Co-teaching study
  - Student survey, teacher survey, observations and logs
  - Will feed findings into planning around professional learning for 19-20
- Graduating senior survey on perceptions of preparation
  - Will feed findings into planning around professional learning
