

Lisle 202 Board of Education

Meeting Highlights

April 22, 2019

Standards Based Report Card for Lisle Elementary

Standards-based refers to systems of instruction, assessment, grading, and academic reporting that are based on students demonstrating understanding or mastery of the knowledge and skills they are expected to learn as they progress through their education. These expectations are set by the State of Illinois. The Lisle Elementary Administration shared the rationale, process and the timeline for moving to a Standards Based Grading and Reporting system with implementation to begin during the 2019-2020 school year at Lisle Elementary School New Building.

A Parent Information Night will be held May 6th. Following the information session, the draft Report Cards will be posted for public comment. The Board requested that the form for parent input include data regarding the parents' background and experience with standards based grading; the Board also requested that Administration conduct more than one parent education session in the fall to disseminate the new report card format, so that there are multiple opportunities for parents to attend and become informed.

Transportation Policy Update & Impact on Lisle Elementary School Bus Routes

The Board discussed recommendation regarding the students eligible for bussing and the bussing of K-second grade students after Lisle Elementary School opens in areas with no sidewalks and will evaluate as needed after the new school opens.

Lisle Elementary School Construction Report

As of April 22, 2019, the project is on budget but about ten (10) days behind the original schedule. Construction work is taking place on Saturdays currently in an effort to get the project back on schedule. Approximately 70% of the windows have been installed, most drywall has been installed/painted, and the exterior brickwork is approximately 75% complete. Installation of tile and exterior grading will begin this week. Millwork is scheduled to begin in May. Most of the furniture will be ordered in April for July delivery.
