**Duty Instructions for Grade 2**

**Recess Duty (11:10-11:35pm):**

Please assist the students to get into quiet lines on the third floor, outside their classrooms (You do not need to worry about the 2 classes on the second floor, as Amy does this). Please take them out to recess really quickly, which is in the playground (every day for morning recess only). You watch the students and walk around your area.

Blow a whistle twice or call out for students to line up at 11:37pm (if not already lining up). Students walk quietly inside, wash their hands, and then they line up nicely to get their food. If the Grade 1 students are still leaving, they sit down in a long line, from the Tray Return Bins down to the bathrooms. If not, they can just walk right in. They should be heading into the eating area and lining up to get food by 11:45am.

**Lunch Duty (11:35-12:05pm):**

Please supervise them during their lunch eating. They will raise their hands if they need to get up or get more food. Please walk over to them and help them/give permission to get up. At 11:55 am they can still get seconds. Amy will blow a whistle at 12pm, announcing that there is a 5 mins warning till leaving, NO more seconds.

Official dismissal is at 12:05pm. Quiet them down and dismiss by table. They must stay seated till they are dismissed. Get them to line up quietly by the tray return, and return their trays without pushing. The students walk up the stairs by themselves, with Ginny and Amy in 2 strategic places on the way. Students are not to chat and muck around, straight back to class. Please watch that they do not sneak into the elevator, as only the students picking up the white bins take the elevator upstairs.

**Afternoon Recess Duty (1:55-2:15pm):**

For afternoon recess, all G2 classes play on the field. All students line up outside their classes at 1:50pm. Walk them down to the field, where they play till 2:15pm. Blow whistle twice or call students to line up at 2:15pm, in quiet lines.

with the final class being Ms. S's class (this is the order that students will get to their classrooms). All students should walk quietly inside, and can wash their hands/use toilet if needed on the 3<sup>rd</sup> floor before lining up in front of their classes, to wait for their teacher.

**Dismissal at Hometime (3:15-3:17pm):**

At home time, you will take down the pickup line. Please send the students out of the classroom at 3:15pm to line up. They should leave to walk down to pickup with you leading them down at 3:17pm. This is in the MSR. Please take the pickup line down the stairs on the left hand side. The bus line goes down on the right hand side.

Please stay with the students in the MSR till they have all gone home, or are taken to the ES Office by an Admin person (usually the Librarian, Christina).

Put any items left in the MSR into the Lost Property box (right by the sliding door).

And have a wonderful evening!!! Thank you for everything!!!
