

GEAC SPRING PRESENTATION

DAY IN THE LIFE OF A MIDDLE SCHOOL STUDENT

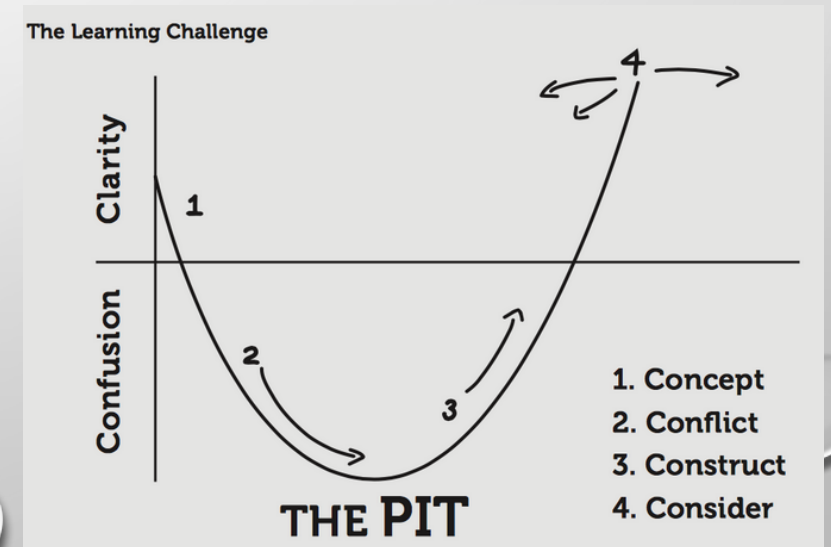

PERSPECTIVES FROM TEACHERS & CURRENT STUDENTS

CONCEPTS over FACTS

- New trends in education to meet 21st Century Skills (e.G. *Negotiation, teamwork, service orientated, complex problem solving*)
- TIME MANAGEMENT: What do I have time to do well and thoroughly? (e.g. Project Citizen, National History Day, Robotics, Band, Exploravision)
- Emotional Intelligence: Can you student reflect on their actions? Can they take the perspective of others? Why is this important?

TEACHER *INSIGHT* FOR QUEST PARENTS & STUDENT

- Concern for overload of students (in clubs, sports, academic extracurricular) *Are your students in 3 or more extra-curricular activities?*
- How can parents & teachers provide emotional support as they navigate stress, high expectations, peer relationships/pressure & failures
- Okay to fail - Growth mindset
- Attend GEAC Meetings for Support!
