1. Review Final Proposed Strategic Plan
2. Next steps
  - a. Implementation plans  
David Pearson has already started work on this. Two year end workshops with faculty/staff will start the process of assigning lines of effort.
  - b. Evaluative Tools  
Board will work with David Pearson to develop tools to measure success.
3. Thank you all for your hard work and service to MSSM. This has been a great group to lead, and I am very proud of the work we have done, and the manner in which this final plan was created. We have demonstrated an ability to discuss difficult topics from various points of view, but everyone committed to making MSSM awesome.
