INTRODUCTION

Welcome to Carmel Clay Schools. We are glad that you are joining our employee family. Our district's salaried classified personnel team is composed of therapists, nurses, and student service coordinators. The classified hourly team includes clerical personnel, administrative assistants, treasurers, maintenance, custodial personnel, instructional assistants, media assistants, computer technicians, Educare staff, food service personnel, bus drivers and other support personnel dedicated to the service and support of educating children.

A. Employee Expectations

As an employee of Carmel Clay Schools, you are a part of the educational process and will have opportunities to influence students with whom you come in contact. As a result, you must always conduct yourself in a manner expected of someone with the responsibility of educating children. You, like all adults in the school setting, will serve as a role model for students. As a part of our team, you will be relied upon to maintain the health and safety of our children, preserve the property of the community, cooperate with the other members of the team, and be public relations representatives to all that visit our buildings.

To be successful, each employee must

- have an understanding of his/her assignments and responsibilities;
- follow instructions;
- develop and practice good work habits;
- be courteous at all times;
- strive for neatness and accuracy in all work;
- accept assignments as a challenge; and
- be conscientious and industrious.

This handbook has been prepared to introduce you to Carmel Clay Schools. It will acquaint you with the personnel guidelines that apply to all hourly classified employees of Carmel Clay Schools. It is presented as information only, and its contents should not be interpreted as a contract between Carmel Clay Schools and any of its employees.

A copy of this handbook can be found on the Carmel Clay Schools website, and a hard copy can be found in each school building's main office. One of your responsibilities as an employee is to be familiar with all of its contents. This handbook is only a summary of our personnel guidelines. Employees may

qualify for some or all of the benefits referred to in this handbook. *See specific benefit schedule to determine benefit eligibility.* Please contact the Educational Services Center (“ESC”) Human Resources Department if you have any questions regarding this handbook.

E. Report of Child Abuse IC 31-33-54 et seq.

The Carmel Clay School Board is concerned with the physical and mental well-being of all children and will cooperate in the identification and reporting of cases of child abuse and neglect in accordance with law. If a staff member has reason to believe that a student is the victim of child abuse or neglect, that staff member shall immediately make an oral report to local law enforcement or Department of Child Services (DCS) at 1-800-800-5556. After the report is made, the staff member shall immediately notify the building administrator if the building administrator was not with the staff member when the report to law enforcement/DCS was made. If appropriate, the building administrator may also immediately make an oral report to the Superintendent and/or designee.

All classified personnel shall be considered “district-wide” employees. Salary increases for classified staff are awarded in July.

D. Background Checks

Carmel Clay Schools reserves the right not to employ any applicant whose criminal history record indicates an arrest or conviction for a felony, crimes against persons, drug-related crimes, job-related crimes, repeated arrests, offenses that pose a risk to children, or any other criminal activity judged to be improper for a school employee. Beginning July 2016, Carmel Clay Schools is required by Indiana Code 20-26-2-1.3 to conduct an expanded child protection index check through the Division of Child Services on all new employees. If the employee has lived outside the state of Indiana, it is the employee’s responsibility to return the completed report from these states to the Human Resources Department within 60 days of the date of hire.

Effective July 1, 2017, the school district is required by HEA 1079 to complete an expanded criminal history check and expanded child protection index check for current employees of the school corporation every five (5) years. Carmel Clay Schools covers the renewal cost of the expanded criminal history check for all employees. The employee will initially cover the cost of the expanded

child protection index check. Upon completion and with a valid receipt, the employee will be reimbursed for the cost. Carmel Clay Schools reserves the right to obtain criminal record information on any employee at any time.

E. Change of Employment Status

When an employee is interested in a posted position, s/he should contact in writing the person listed within the posting. Assignments will be made to best meet the needs of Carmel Clay Schools. When an employee changes job classifications and/or pay status, any change in benefits will become effective as determined by the Human Resources Department. The employee will receive a new benefit sheet.

If there are any questions concerning benefits, employees should contact the Human Resources Department.

ARTICLE III DISCIPLINARY ACTION/PROCEDURE

Carmel Clay Schools strives to fulfill its stated mission and at the same time help employees achieve and maintain the highest standards of productive employment. Disciplinary action, however, may be necessary to address conduct that does not comply with the Carmel Clay Schools Mission Statement, Rules of Conduct, or other conditions of employment.

A. Rules of Conduct

Rules are needed in any organization so that the operation runs smoothly. The following rules exist because they are essential for the safety, welfare, morale, and general well-being of our students and co-workers. Other conduct deemed out of compliance with the mission of Carmel Clay Schools, though not listed, may also be grounds for disciplinary action or dismissal.

The rules stated above are meant as a guide. Any act or form of behavior not specifically listed which violates the intent of rules as stated in the above section and other acts, incidents, or conduct, which may adversely affect the efficient operation of Carmel Clay Schools or in any way jeopardize the safety,

welfare, morale, or general well-being of employees, students, or visitors, may be grounds for disciplinary action or dismissal.

B. Discipline Procedures

In the event it is necessary to take disciplinary action, the employee's direct supervisor, the building principal, the Superintendent, or the Director or Assistant Director of Human Resources may follow these steps to encourage improvement for an employee who has exhibited poor work habits or prohibited conduct:

- Step 1 Discussion with the employee's supervisor (verbal and/or written documentation)
- Step 2 Written warning
- Step 3 Discharge (termination)

The main purpose of having a disciplinary procedure is to give employees the opportunity to correct and improve their conduct. In some instances, suspension or termination without prior warning may be imposed due to the seriousness of any individual offense. Thus, Carmel Clay Schools reserves the right to suspend or terminate any employee without prior notice and without utilizing the steps outlined above.

ARTICLE IV GENERAL EMPLOYMENT PROCEDURES

A. Attendance

Employees who will be absent or late are expected to notify their supervisor as soon as possible and always before the start time of his/her workday. Supervisors will give classified employees instructions, names and numbers of cell phones and/or voicemail procedures that should be followed. Employees are expected to explain why they will be absent or late and when they expect to report to work. It is the employee's responsibility to insure proper notification is given. Supervisors should acknowledge receipt of the notification of absence. In absences over three (3) days, employees are required to report the status of their absence to their immediate supervisor and/or building principal.

Each absence must be reported immediately in Frontline Absence Management (AESOP).

An Attendance Incentive Program that rewards employees with monetary bonuses for good attendance is available to hourly classified staff. Please refer to the Benefits Schedules for the various positions to learn the specifics of the program.

Please know that continued poor attendance may result in termination of employment.

B. Compensation General Procedures

1. **Paydays and Paychecks** Paydays are generally every other Friday.

Hourly employees' paychecks represent the work weeks of the previous payroll cycle. Whenever a payday falls on a holiday, employees will generally receive their checks on the previous day. Advances in pay are not permitted.

Questions about pay deductions or check distribution, should be directed to the Payroll Department.

As a reminder, employees may access their pay history and direct deposit information within their eSuite account.

2. **Pay Periods** The pay period begins on Sunday and ends fourteen (14) calendar days later on Saturday.
3. **Payroll Withholding** Withholdings for Federal Income Tax, Social Security, State Income Tax, and Local Option Taxes are made in accordance with federal and state laws. If there is a change in dependency status or withholding levels, it is the employee's responsibility to advise the Payroll Department and complete new federal and state withholding forms. A change in county residency requires the completion of a new WH4. The W4 and WH4 can be updated by downloading forms from the CCS website (Staff-Forms) and sending them to the Payroll Department at ESC.
4. **Automatic Deposit** All regular employees of Carmel Clay Schools are required to have their checks automatically deposited into their personal bank account. New employees should provide the Payroll Department with the necessary information during the hiring process. When an employee's banking information has changed, s/he **MUST** notify payroll immediately. The direct deposit form can be updated and submitted within the eSuite account.
5. **Classified Staff Time Sheets** Recording accurate hours worked on the timesheet is an important employment procedure. The time sheet **must** reflect actual hours worked; these hours must be entered into Frontline Absence Management (AESOP). If the employee is absent, s/he must indicate the reason for the absence as follows:

- Sick/Family Illness
- Personal
- Unpaid (must be approved in advance)
- Professional Development
- Bereavement (must indicate the relationship of the deceased)
- Jury Duty (attach court document that indicates per diem payment)
- Holiday (only if eligible for holiday pay)
- Vacation (only if eligible for vacation pay)
- Worker's Compensation

Each employee is responsible for the accurate recording of time worked on a paper time sheet. If a mistake is made, s/he must immediately notify his/her supervisor or building secretary. Only those employees given supervisory rights may make corrections to a timesheet. Falsification of time records is a violation of the terms of employment and may result in **immediate termination**.

6. **Overtime** On rare occasions, employees may be asked to work overtime by their supervisor. Prior approval from the employee's supervisor is required for the overtime work. Overtime is paid for all hours paid in excess of forty (40) hours per work week. The rate of pay for overtime is one and one-half (1-1/2) times the normal rate.

Employees with two hourly positions will be paid overtime by the weighted average method. Hours worked for each position will be paid at regular rate time including the overtime hours. Then an average of the two rates will be calculated to determine the half time portion of the overtime.

7. **Work Hours and Pay during Inclement Weather**-- *See chart that is included in your packet.*

8. **Unpaid Days or Leaves of Absence** Absenteeism can be one of the most serious problems any organization can face. Carmel Clay Schools considers repeated or habitual absences to be unacceptable; as a result, such absences may result in disciplinary action.

Carmel Clay Schools does not routinely grant unpaid personal leaves of absence. However, we realize that there may be situations, such as extended illness, that require special consideration. Employees who believe that their request for unpaid leave is extraordinary or warrants special consideration may apply to the Director or Assistant Director of Human Resources for their requests to be considered individually. ***The requests must be submitted and approved BEFORE the absence. If applicable, travel arrangements should not be made until a determination is made.*** All eligible paid leave days (sick, personal,

and vacation) must be exhausted before a day without pay is considered.

The decision to grant an unpaid leave will be based on the the length of the requested leave, the length of service, the level of job performance, past attendance, and overall operational needs of Carmel Clay Schools. Employees who are absent using unpaid days for reasons that do not meet the handbook guidelines may be recommended for termination of employment.

ARTICLE V **PAID LEAVE DAYS**

A. Leave days are considered a benefit to all employees. The following points pertain to all paid leave days:

- Please refer to the appropriate benefit schedule to determine eligibility for leave days.
- Employees are expected to have all absences covered by appropriate leave days.
- The use of docked days (days without pay) is not permitted.
- Annual allotment of paid leave days will be made July 1st of each year.
- Allocated paid leave days will be prorated to July 1st for all new employees.
- Days must be taken in either half or full day increments (not hourly).

B. Personal Business Days - Each employee may be absent from work for personal business without loss of compensation. Arrangements must be made with immediate supervisor before the leave can be taken except in emergency situations. Unused personal business days will be added to the accumulation of personal illness/family illness for the following school year.

Personal business days used the day before or the day after a holiday or school vacation will be charged at the rate of two for one day used.

C. Personal Illness/Family Illness Days

Each employee may be absent from work for medical reasons without loss of compensation. Unused illness days will accumulate and may be used in subsequent years. Employees may use up to 10 of their personal illness days (if available) as family illness. In the event of catastrophic illness of a family member an employee may request the use of additional accumulated Personal Illness/Family Illness days. The request for additional days may be granted by the Superintendent if the employee submits a written request explaining the absence.

Sick days cannot be utilized as personal leave or vacation days.

At the conclusion of employment, unused sick days will remain in the employee's account. Employees will not be compensated for unused sick days.

D. Vacation Days

Eligible employees will be granted vacation days according to their benefit schedule. A request for using two or more consecutive vacation days should be submitted to the employee's supervisor at least two weeks prior to the intended use, except in the case of an emergency. Carmel Clay Schools reserves the right to restrict the use of vacations in the best interest of the corporation. At the conclusion of employment, unused vacation days will be paid out to the employee.

E. Bereavement Leave

1. The employee may be absent from work for up to five (5) work days for immediate family. The days do not need to be taken consecutively. These days will be granted with full compensation. If more than one death should occur at the same time in the immediate family, more days may be granted by the Superintendent. Immediate family is interpreted as spouse, child, parent, sibling, grandparent, grandchild and each similar relationship established by marriage (in-law or step) or any person who at the time of death had established the employee's home as his/her permanent residence.
2. In case of death of extended family: aunt, uncle, first cousin, nephew, niece or close friend the employee may be absent one (1) day without loss of compensation on the day of the service. Two (2) additional travel days may be added upon request.
3. In case of death of a co-worker or a student, arrangements to attend the bereavement services will be determined by the Superintendent's designee.
4. Under unusual circumstances the Superintendent may in a particular instance extend the maximum allowance of bereavement days.

F. Executor/Executrix Leave

In the event an employee is named executor/executrix of an estate, the employee may receive up to four (4) paid leave days within 12 months following the death to conduct the business of the estate.

G. Jury Duty

Jury duty leave with pay will be granted to employees during the time they are absent for such duty. An employee shall pay all jury earnings to the School Corporation within 90 days of the completion of said service. Parking fees, room, meals, and the school approved mileage rate, may be deducted from

these earnings upon filing of a signed statement of actual expense. An employee shall not receive more than his/her regular rate of pay, excluding incurred expenses.

H. Family and Medical Leave

The Family and Medical Leave Act (FMLA), as amended, provides that 12 weeks of unpaid/ job protected leave will be granted to an eligible employee for up to twelve (12) weeks. Employees are eligible if they have worked for their employer for at least one year, and for 1,250 hours for the past twelve (12) months. Employees are required to use all applicable benefit days concurrent with FMLA. A leave may be granted for the birth or placement of a child; where a covered family member is on active duty or called to active duty status; or for the employee's or covered family member's serious health condition. FMLA permits employees to take leave on an intermittent basis or to work a reduced schedule under certain circumstances. Unpaid leave will also be granted to an eligible employee for up to twenty-six (26) weeks where an employee is caring for a covered family member who was injured while serving in the military. The twenty-six (26) week total limit includes both military caregiver leave and unpaid leave for any other FMLA-qualifying reason.

The employee is required to provide advance leave notice and medical certification according to the Family and Medical Leave Act, as amended. An employee must provide the employer at least thirty (30) day advance notice before FMLA leave is to begin if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or of a family member. If thirty (30) day notice is not practical, such as the lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as possible.

Please contact the Human Resources Department regarding FMLA leave in order to complete the paperwork.

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

ELIGIBILITY REQUIREMENTS

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Designated school officials are the Superintendent, Associate Superintendent, Assistant Superintendent, Director and Assistant Director of Human Resources and other such individuals as authorized by law.

Employees may review the contents of their files by notifying the Director or Assistant Director of Human Resources in writing. An appointment will be scheduled and a member of the Human Resources staff will be present to review the file with you. If the employee believes information is inaccurate, the employee may request a review for possible change or deletion. If such changes are not made, the employee will receive an explanation regarding such decision.

ARTICLE VII
EVALUATION PROCEDURES

Annual evaluations will be completed for each employee by the supervisor(s). The supervisor(s) will review each evaluation with the employee, giving the employee an opportunity to discuss the evaluation with the supervisor.

An employee shall have the right to be informed, receive a copy of and respond in writing to any written evaluation. The evaluation shall be signed and dated by the employee to indicate that he/she has seen it; however, such signature does not indicate agreement with its contents. A copy of each evaluation and any employee's written response to the evaluation shall be placed in the employee's personnel file. Failure of the employee to respond in writing to any written evaluation does not mean that s/he agrees with its contents.

ARTICLE VIII
LICENSES, CERTIFICATES AND REGISTRATIONS

Current licenses, certifications, or registrations, when required, must be provided prior to employment. It is the employee's responsibility to provide his/her renewed licensure to the Human Resources Department. Subsequent verification may be requested at any time.

ARTICLE IX
EMPLOYEE TERMINATION

A. Resignation

If an employee finds it necessary to terminate employment with Carmel Clay Schools, a written notice of the resignation is expected ten (10) days in advance of the last intended work day. Supervisors are required to obtain written notice and forward the notice to the Human Resources Department immediately. Voluntarily leaving our employment does not qualify for unemployment benefits. Upon separation of service, employees are expected return Carmel Clay Schools' property to their supervisor, including identification badges, technology (laptop, iPad), mobile phone, textbooks and/or library books, passes, keys/fobs, and/or uniforms. If the employee fails to return Carmel Clay Schools' property, legal action may be taken against the employee. Employees MUST work the last day stated within his/her resignation letter unless documentation to the contrary is received and approved by the Superintendent or designee.

B. Dismissal

Classified employees are considered Employees At Will which means that the employer is free to discharge individuals for any reason or no reason at all. Therefore, Carmel Clay Schools reserves the right to terminate employment immediately for the failure of the employee to perform his or her duties in a professional manner and/or for actions which are considered detrimental to the school system.

C. Job Abandonment

If an employee does not report to work or communicate the absence to his/her immediate supervisor or building administrator for three (3) consecutive days, Carmel Clay Schools may terminate the employee due to job abandonment. Carmel Clay Schools will make an effort to contact the employee prior to termination.

ARTICLE X **SAFETY AND ACCIDENT PREVENTION**

A. Safety Rules

Employees should follow these safety rules at all times. Safety rules include, but are not limited to:

- Report unsafe conditions or safety hazards to the building administrator or supervisor immediately.
- Wear footwear appropriate for the job duties, (Shoes with slip-resistant soles should be worn if conditions are potentially wet or icy.)
- Be aware of your surroundings and use caution, especially during wet or icy weather.
- Do not stand on a chair, stool, desk, table or any other substitute ladder; use a stepladder or request assistance when working beyond your reach.

B. Restraint and Seclusion

Carmel Clay Schools believes that every effort should be made to prevent the need for school staff to restrain or place a student in seclusion. However, at times it may become necessary for school staff to restrain or place a student in seclusion in order to prevent the student from harming him/herself or another. The Carmel Clay Schools plan for the use of restraint or seclusion with students can be found on the district's website at www.ccs.k12.in.us within Board Policy.

C. Workers' Compensation Insurance and Report of Injury

Carmel Clay Schools is committed to working with our employees to provide a safe workplace. It is our policy that employees should report unsafe actions and conditions to their supervisor. Every employee plays an equal part in the overall health and safety of the employees in our school district. It is important that all employees follow safety rules and are aware of their surroundings.

Workers' Compensation Insurance covers all employees of the Corporation. If an employee is injured while on the job, s/he shall immediately notify his/her supervisor, school nurse and the building administrator. If the injury occurred on a school bus, the bus driver shall notify the Transportation Director and/or the person designated by the Director. Timely reporting of the accident/injury is imperative. This will ensure that the employee receives the proper medical attention and the claim is promptly reported to the worker's compensation insurer for Carmel Clay Schools.

For work-related accidents and/or injuries, Indiana Code 22-3-3-4 grants the employer or their workers' compensation insurer the right to direct medical care. However, in an emergency, the injured employee will be directed (by a supervisor or administrator) to the nearest possible treatment facility. Follow-up care will be directed by the employer/worker compensation insurer. An employee may only go to the Emergency Room in the case of an extreme medical emergency. The CCS Wellness Center is NOT to be used for work-related injuries.

The following steps should be taken to help with the processing of the injury report:

1. Notify the school nurse and administrator of the injury immediately when the incident occurs.
2. If medical treatment is required, the employee shall only use approved providers prior to seeking treatment. Most care will be coordinated through Community Occupational Health.
