

Instrument Measuring Times

Step 1: Register to rent an instrument (see link below).

Step 2: Get measured for your instrument and pick up your instrument rental payment slip. **Measuring will take place in 2106.**

Information regarding instrument measuring: Students that are registered for string lessons during the school day will be measured during their regular music class. Students that have signed up for private lessons only will need to be measured during the specified measuring times.

Step 3: Take the completed payment slip to the cashier to pay. (please note that you will not be able to pay for your instrument rental if you do not have the payment slip)
