## A VOYAGE THRU TIME

**AFTER PROM**  
**2019**

Students, Parents, Sponsors, and Community Members...**Welcome to A Voyage ThrU Time!**

The After Prom is made possible through the support and commitment of the entire UCFSD community. The primary goal of After Prom is to keep our children safe and to create a fun and memorable event.

Our sincere thanks to all those who made financial donations, food donations, and to the hundreds of volunteers (especially our decorating volunteers) who gave countless hours to make this night a reality. We couldn't have done it without you!

*It is truly disheartening that we do not have enough volunteers to staff After Prom and are required to cut it short at 2am. Many of our committee positions also are unfilled. This event will only be sustainable if more parents from all grades heed the call to help!*

A very special note of thanks also to past Chairs Dawn Talley, Jen Horne and Jenny Brucker who stepped in to help in so many ways this year when their expertise was needed.

We want to offer our sincere thanks to Jimmy Conley and members of the UHS family who helped when called upon. We especially want to acknowledge Mark Kline and his custodial staff who always helped with any request.

**To our UHS Seniors, Juniors and guests:**

**Tonight is our gift to you so that you will know just how special you are to us.**

Seniors, soon you'll be graduating and starting off on the next leg of your Voyage. Juniors will start their own Voyage to find the college of their dreams.

**Learn from the past, live in the present and plan for the future!**

**We are so proud of you!**
