### Harvest of the Month: Berries

Berries grow from all over our state. Marysville, in Snohomish County is known as "the Strawberry City". Berries are a great source of antioxidants. They are loaded with Vitamin C which helps our skin, bones, teeth and gums stay healthy. Try fresh berries in a smoothie, top your favorite breakfast item or salad, or make homemade jam! Don't forget, berries are a healthy snack all by themselves!

## Have a Safe and Relaxing Summer!
