PARENT/GUARDIAN AUTHORIZATION

I request that my child, named above, be permitted to: ____carry ____self-administer the above ordered medication. I take responsibility for this permission and I understand that the medication must be in the original pharmacy container, labeled with the name of the student, prescribing health care provider, name of medication, strength, dose and directions for use. I understand that the school nurse reserves the right to withdraw the privilege if the student shows signs of irresponsible behavior or there is a safety risk. In this event, I will be contacted by the nurse as soon as possible.
