

Palos 118 Beginning Summer Band

Beginning Band members will receive their instruments and start learning the basics of performing this summer. Beginning Summer Band sessions start on Monday, August 5th, 2019 in the **Palos South Band Room** located at 13100 82nd Ave.

We will use a homogeneous group format, meaning that all of the groups will have the same type of instruments (except baritone). This format makes it easier for students to understand the fundamentals of assembly, embouchure, tonguing and producing a characteristic sound on their instruments. On Friday, group lessons will be 45 minutes long so we can have our first full band rehearsal from 12:30-1:00pm. We will cover all of the things necessary for a good band rehearsal and try to play at least one song together!!

Students who cannot attend the summer band session must arrange for private instruction before school band rehearsals begin.

All sessions will be held in the band room at Palos South School.

The Beginner Summer Band schedule is as follows:

Monday August 5th thru Thursday August 8th

Flutes	8:00AM -9:00AM
Clarinets	9:00AM -10:00AM
