

2019-2020
MINOOKA JUNIOR HIGH
AND INTERMEDIATE SCHOOL
TRYOUT INFORMATION

Updated May 8, 2019

For ALL Sports, a current IESA sports physical must be on file with the Minooka Junior High School Athletics Office by LISTED DEADLINES - TO BE ELIGIBLE FOR TRYOUTS. However, the date of the physical must cover the **entire season** of the sport the student is trying out for. Please note that the school physical for 6th grade students must be properly marked by the medical professional approving the participation in "interscholastic activities" and a **separate copy** must be provided to the **athletic department at the Minooka Junior High School** prior to tryout deadlines. **ALL TRYOUTS- PHYSICALS AND ONLINE REGISTRATION WILL NEED TO BE TURNED IN BY EACH SPORTS DESIGNATED DEADLINE. (SEE SPORT SCHEDULE) TURN THEM IN AT THE MINOOKA JUNIOR HIGH OFFICE TO BE ELIGIBLE TO PARTICIPATE IN TRYOUTS.** Athletes that make the teams are making a commitment to the school team and are expected to be at all practices and games from the day after tryouts until the end of the season.

In addition to the sports physical, which is to be provided to the athletic department at the junior high, the *Athletic Information and Accident/Athlete Contract, Parent Consent Forms and Concussion Policy Form* are to be completed by doing the **ONLINE REGISTRATION** to be able to attend a tryout. **It is the parent responsibility to notify the athletic office if the emergency form needs to be updated at any time during the year.**

For Cross Country, Wrestling, and Track, the activity fee designated is also due the first night in attendance. For all other sports, the activity fee is due at the conclusion of tryouts if the student makes the team. 5th grade students may only participate in Cross Country, Scholastic Bowl, and Wrestling. The current fee set by our school board is \$40.00 per athlete per sport.

The schedule listed below outlines tryouts dates (or first practice for Cross Country, Wrestling, and Track). All students interested in participating must attend all days of tryouts. Coaches will provide details to the students in attendance regarding the length of tryouts or practice schedule based on the number of participants. Details regarding the number of participants each team may retain are listed in the student handbook.

Adjustments to the schedule listed below may occur due to unforeseen circumstances. **Please check the website frequently prior to your child's tryout.** The original tryout dates are based on the Illinois Elementary School Association guidelines, and changes occur based on new information regarding the playoff schedule for prior sports when the date/time/location of those sports conflict with the published tryout date and time.

Any questions with online registration or physicals please contact Teresa Bachmann at 815-467-2136 extension 3008 or tbachmann@min201.org.

Athletes can only tryout at their grades designated tryout times.
