**Student Dress Code for Class Sessions:**

Students must adhere to normal De La Salle dress code policies. Please refer to the student handbook for specific guidelines. Students out of dress code will be sent home and an absence will be recorded for the day.

**Materials Needed:**

Students will be expected to adhere to all De La Salle student policies while enrolled in the online course. Proper behavior and language is expected while interacting with the teacher and other students through the learning management system. While on campus for class time students are expected to adhere to the student behavior policies outlined in the student handbook. This extends to the proper respect and behavior toward De La Salle property (textbook, classroom, desks, chairs, etc.) and must follow the instructions of the teacher at all times while on campus. Students who are not adhering to proper behavioral guidelines will be removed from the program without a refund of tuition and will be given no credit for the course.

**Attendance Policy:**

Since the summer make up courses are short in duration, daily attendance is required, as assessments will be given each day. Therefore, students may not be able to make up missed work, and those missed assessments will result in a zero.

Signature of the enrollment form by the parent and student signify an understanding of the course dates and course policies and is an understanding that the student will abide by the policies of the DLS summer program.
