A Shifting Paradigm – Success and Wellbeing

As part of our current strategic plan *Driven to Make a Difference*, Southridge is taking a close look at how wellness impacts our students' ability to learn and to cope with critical transitions they face in their lives, such as moving from the Junior School to the Senior School or attending post-secondary education. This is not to say that we are shifting our focus away from creating challenging and stimulating academic programs, nor are we looking for ways to cushion or protect our students from the critical learning they experience when they struggle or fail.

On the contrary, focusing on wellbeing initiatives broadens the foundation of skills our students need to achieve their full potential. Wellbeing is defined as the combination of feeling good and functioning well. There has been a surprising amount of research completed on this topic, and I am finding that more and more schools are recognizing the importance of boosting student wellbeing to help them achieve greater academic success.

Beyond academic success, however, Professor Lea Waters from the University of Melbourne, writes that “a student who has high levels of wellbeing is also likely to have better physical health, better social relationships and more optimism for the future. Having high wellbeing at school also has a positive impact on a student's life after graduation and well into adult life with longitudinal research showing that wellbeing in the teen years impacts employment, earning capacity, relationship satisfaction and likelihood of engaging in volunteer work in the community in one's 30s and 40s.”

Traditionally, the association between academic rigor and achievement has assumed that students also need to endure hardship, face adversity and even sacrifice their own wellbeing along the way. Indeed, an adolescent's interpretation of a media headline such as “*Your Willingness to Sacrifice Directly Determines Your Level of Success*” can easily be misconstrued for it would be logical to conclude that to be highly successful you also need to experience significant sacrifices. Indeed, high achieving students tend to sacrifice in excessive ways that could have long-lasting negative impacts on their happiness and health

In a society where significant numbers of our teenagers experience symptoms of mental distress, and children as young as four are being diagnosed with mental illness,

Southridge is keen to be a part of the solution. Creating a positive school environment that visions academic success in a new way by replacing the assumption of excessive sacrifice with a focused and intentional development of skills that support wellbeing is a first step I am certain we can all get behind. I know we can count on your support – the wellbeing of your children depends on it.

Have a wonderful week!

End-of-Year Donations to Southridge

One of the highlights of my job at Southridge is letting a teacher know that they can purchase that special piece of equipment they requested because of a generous donation to the Annual Campaign.

Thanks to some very generous parents, we have already reached our goal for our Athletics and Arts funds this year. Thank you to all our donors!

We are still hoping to raise funds for our **Greatest Need**, **Academics**, and **Bursary** funds this year. If you have not yet [made a donation](#) this school year, please consider giving to one of the following funds to make these purchases possible:

- **Academics** – Our Junior School Learning Resource team has requested four complete sets of Phonic Reader Series to further enrich our Levelled Literacy Intervention Program. The total cost of this wish list item is \$8,000.
- **Greatest Need Fund** – If you would prefer to make a general or unrestricted donation to Southridge, the Greatest Need Fund is allocated on an annual basis to the projects around the school that need it most. **Our goal is to raise \$75,000 for this important fund.**
- Finally, directing your gift towards our endowment funds allows us to offer bursaries to students who would otherwise be unable to attend Southridge. **This is a remarkable way to make a real impact on a student's life.** Contributing to either the Carol E. Levy Memorial Endowment Fund or the Alan Brown Memorial Endowment fund also allows us to be more accessible to a broader socio-economic family population.

Donations can be made easily and safely [online here](#). Or, if you would prefer to make a donation by cheque, please ensure that you have dropped it off to Kate Lucas or myself in the Advancement Office in Room 140.

Thank you to all our parents who have already made a donation to Southridge this year! We are most grateful for our continued and generous support! Please contact me if you have any questions at all at chodson@southridge.bc.ca.

Thank you again for all your support of Southridge and our students and for [making a donation](#) this year!

Thank you again,

Class Placements for 2019-20

The Junior School faculty is committed to creating class groupings that consider each child's emotional, academic, and social needs within the wider grade-level context. There is a considerable amount of deliberation and care inherent in our class placement process:

- Current homeroom teachers create the initial lists in June, assigning students to Class A or Class B
- Specialist teachers and Vice-Principals review the lists and make further recommendations
- Completed lists are submitted to the Junior School Principal for final review and assignment of Homeroom teachers for September.

While we strive to ensure that each child has at least one close friend in their class, there are only two class options to choose from, which can sometimes pose challenges when creating groupings that balance the needs and dynamics of all children in the cohort. Given the sensitivity and confidentiality that must be adhered to when determining best-fit class placements, it is our policy not to entertain parental requests for certain teachers or peer groupings as we cannot guarantee that these types of requests can be honoured. Please do not make requests to your child's current teachers about class placement for the following school year. If there are specific concerns that you wish the School to be aware of, they should be addressed in advance of the end of the current school year with the Junior School Principal. Final class lists are made available electronically on the Friday before Labour Day.

We thank you in advance for your trust and confidence in our faculty as we consider a wide variety of needs in determining class placements.

Mrs. de Hoog
Junior School Principal

Allergy Aware Reminder

At this time of the year, lots of wonderful appreciation and celebration treats trickle into the Junior School staff room and classrooms. As an allergy aware school, we all need to do our part to minimize the risk of exposure to life-threatening allergens for our students who are anaphylactic. If you are dropping off treats for students or teachers, please ensure that they don't contain nuts or nut products, as we have many students who are

severely allergic to these allergens. Please also be considerate of other life-threatening allergens that may be unique to your child's classmates. Thank you for helping to keep all spaces in our Junior School allergy aware.

PYP Speech Celebration (Grades 1-3) – June 18th

We need to begin preparing for the PYP Speech Celebration. All students in Grades 1, 2, and 3 will participate.

The goal for the students is for them to gain confidence and feel successful speaking in front of an audience. It is not a speech competition at the PYP level, but a celebration of all the students' courage! It takes tremendous courage to present in front of a crowd of people. The students will present their speeches first to each other, then to other classes, and finally to parents.

The Speech Celebration will take place on **Tuesday, June 18th** in the morning. The MYP Competition will be happening the same day in the afternoon. Since we only have the morning, it is imperative that the presentations are all **less than one minute long**.

The emphasis is on oral presentation. Please help your child to work on volume and expression. The students will need to learn it well, so they can say it without stumbling. They need to practice speaking clearly and interestingly **without the use of props**. We want the children to use facial expression, hand gestures and varied tones of the voice.

Some tips:

- Please begin with: Good morning parents, teachers and students...
- **Do not begin the speech with:** My name is... or My speech is about... Instead just get right into the topic with an interesting opening.
- End with something interesting.
- End with thank you; practice counting silently to three, so they don't run off the stage.

When: June 18 - come and celebrate your child's hard work and hear the amazing speeches!

Where: The Great Hall

Who: All parents, grandparents, aunts, uncles, neighbours! A special thank you to those who are able to stay to watch all the students perform in the session.

Time: 8:15 a.m. start for 1RK, 2TW, 3MY
10:15 a.m. start for 1RR, 2DA, 3CK

Schedule for Speech Celebration Preparations:

May 8-16

1. Students will **select a topic and brainstorm ideas** in class. It will be something that they already are knowledgeable about. This is not a research project.
2. Students will come home and share their ideas. Please help them write up their ideas into a speech. This is an interactive process, and everyone may contribute ideas on the topic. However, we want the speech to be your child's, so ***any writing and editing should be discussed and done with your child.*** We want to ensure that the children feel that the speech is ***their work***, it is in the child's language, and has child friendly vocabulary. This will help your child to present with confidence and make memorizing it easier.

Before sending in the completed speech, please time it while they read it and check that it is less than one minute long. Thank you!

Tuesday, May 28

All Children should bring their completed speech to school, so it can be shared and read to the class. (Please keep a copy at home as well)

We will begin practicing by having the children read their speeches to the class in loud, clear voices with good pacing. They should begin memorizing it.

June 5

It needs to be memorized as they will present it to their class.

June 10-12

They will present their speeches to other classes.

June 13 or 14

Practice with a microphone on stage.

June 18

Come and celebrate your child's hard work and hear his/her amazing performance!

Time:

8:15 a.m. for 1RK, 2TW, 3MY

10:15 a.m. for 1RR, 2DA, 3CK

We realize that parents play an important role in making this celebration possible. Thank you for being a partner in helping your child prepare for this occasion.

Thanks for your support,
Mrs. Rowena Raber

Visual Arts Graduates 2019

Once again it is time for the annual final critique of our Grade 12 art students. This will take place in the Great Hall from May 22, at 9:00 am to May 23, 3:00 pm. Alumni, faculty and staff, students, friends, and family are invited to attend. Students will be presenting their works in gallery format and answering any questions you might have about their body of work. The curation and presentation of their work will be their final project/exam, and the summation of their artistic career at Southridge School. Please bring your classes or just yourselves and celebrate their achievements with them

What it is: Throughout the year students produced a concentration of six major works that explore a specific area of study, and additional twelve more art works that demonstrate their breadth and mastery of artistic knowledge. The mandatory processes are: one large canvas treated to quality completion, an homage to a contemporary artist, an exploration that addresses colonialism and its impacts on indigenous peoples across the globe. Within that body of work, they must address at least four processes and maintain an art blog or website for viewing. They will have approximately 18 works for your viewing pleasure!

The artists are: Chloe Dale-Johnson, Cayla Smith, Hannah Penner, Tiffany Lam, Irena Yan, Angelina Zhao, Devon Jenkins, Jason Kitikul, Kyla Edelmeier, Mia Cender, and Harry Liu.

Southridge Student Goes Hollywood!

Southridge Grade 10 student and budding actor Ishana Bala is enjoying the unique experience of starring in a film that is currently making its way on the international film festival circuit.

With her film, *The Shipment*, so far selected for 14 international film festivals, Ishana particularly enjoyed her recent experience at Tribeca Film Festival in New York. *The Shipment* has also been nominated in 5 categories for the 2019 Leo Awards.

Ishana starred in the film in Grade 6 at 12 years old. While the film took 17 days to shoot, it took three years to complete the stunning visual effects. Ishana loved the experience of being on set and seeing how a film is made. This passion shows as she was awarded the "Best Child Actor" award at the Idylwyld International Film Festival!

With her next festival appearance coming up at the Palm Springs International Film Festival in June, Ishana, and her fans, have much to look forward to!

Please enjoy a trailer for *The Shipment* below:

The DELF (Diplôme d'études en Langue Française) and DALF (Diplôme Approfondi de Langue Française) are six separate diplomas issued by the French Ministry for National Education to certify the language skills of persons whose mother tongue is not French. The results of these exams are valid indefinitely. DELF and DALF certificates were developed by the [Centre International d'Études Pédagogiques \(CIEP\)](#) and reflect the six levels of the [Common European Framework of Reference for Languages \(CEFR\)](#). In 2017, the DELF and DALF examinations are available in [173 countries](#).

DELF and DALF evaluate language skills in four areas:

- oral comprehension,
- oral expression,
- written comprehension,
- written expression.

Why take the DELF-DALF Exams?

Approved by a team of psychometricians specializing in evaluation, the DELF and DALF examinations are recognized around the world, they can add extra value to your resume. They are often used by administrative bodies, employers, and educational institutions.

In Canada, **more than 35,000 Canadians** have taken DELF-DALF exams over the past few years. As a result, the DELF and DALF examinations are becoming more well-known and receiving greater recognition from administrative organizations, employers, and educational institutions. The DELF-DALF continued to expand in Canada in 2016 as the result of the contributions of hundreds of professionals across the country (from 80 candidates in 2006 to almost 10,000 in 2016). In terms of the number of candidates, Canada has moved from its 2013 worldwide ranking of 15th to its 2016 ranking of 8th. Canada is also the country with the greatest growth rate in the world. More than 2000 Canadian professors are trained as scorer-correctors and 95 as trainers (a world record and a unique feature for Canada). Beyond just DELF-DALF diplomas, this network is also a powerful lobbying organism in favour of the European Framework of Languages and the action-oriented approach promoted by the European Council.

DALF diplomas open doors at universities in France and at a growing number of European and Francophone universities. Students who have earned a DELF level B2 will be exempted from the language test requirements for registration in French universities.

We are proud to list the students below who chose to write their DELF exams this year. They are to be congratulated for their extra effort, perseverance and dedication. We will receive their results near the end of June.

Volunteer as a Welcome Family!

Will your child be entering Kindergarten or Grade 8 next year? Consider volunteering as a Welcome Family!

Why did you apply for Southridge School? Your answer likely includes the hope that your child would belong to a community of like-minded children and parents who experience a sense of belonging and support from each other over the years. All of us can appreciate how challenging it can be to find your place in a new school. Welcome Families can help to make that transition much easier. You don't need to have all the answers—you just need to know how to find them!

If you have a child who will be entering Kindergarten or Grade 8 next year, please consider volunteering to help welcome a new family to our school! You will be paired up in June, sent their contact information in July, and asked to connect over the summer.

If interested, please sign up online by [clicking here](#).

Southridge Annual Pre-Owned Uniform Sale – May 28-30 at the Junior School Foyer

Do you know that the average Canadian throws out 37 kilograms of textiles annually? North Americans send 9.5 million tonnes of clothing to the landfill every year — most of which could be reused or recycled, according to statistics compiled by Waste Reduction Week in Canada (October 2018).

Do you also know that Southridge is trying to do its part by reselling gently used uniforms including: kilts, blazers, rompers, sweaters, vests, jackets, gym strips and ties at this year's "Pre-Owned Uniform Sale"? Come by the Junior School Great Hall between 2:00 and 4:00 pm on May 28-30 and save some money on uniforms while also helping to save our planet. Sale is cash only so come prepared!

Unfortunately, we are not set up to collect more uniforms at this time, so please hold on to any items that you would like to donate for the next sale in September...stay tuned!

Help Us Collect Shoes for a Great Cause!

Hello Southridge, we need your help! In many countries, children do not have access to attend school unless they have a pair of shoes. Alyssa and I are collecting shoes for a project called [Ruben's Shoes](#). Ruben's Shoes is a non-profit organization that focuses on gathering gently used shoes for children around the world who cannot afford to buy shoes. Their mission is "to deliver access to education to the millions of children around the world living without it".

Please bring in unwanted shoes of all sizes to the big brown boxes that will be out on the curb by the driveway in the morning. Bring a pair of gently used shoes and give a kid an opportunity to go to school. All donations will be dropped off to a warehouse in Vancouver to then be shipped out to the kids in need around the world. Please spread the word to friends and family to help out as well. You have from May 6-22 to bring in shoes. Let's help as many kids as we can go to school around the world!

Thanks,

Susan Wang and Alyssa Nolasco-Shuster

Return Your Country Fair Shirt

Thanks again to everyone who volunteered for the Country Fair on May 4th! We couldn't have done it without you!

If you happened to take your t-shirt home (or still have any kicking around from previous years), **please wash and return it to the school** (either Junior or Senior reception), as soon as you can.

We appreciate having t-shirts returned because it means not having to purchase new ones, allowing us to raise even more for our wish-list items each year.

Thanks for your help,

The 2019 Country Fair Committee

Human Resources News

Natasha Karan will be joining the Communications and Marketing department in the new role of Coordinator, Website and Digital Content on Monday, May 27th. This role will be responsible for supporting the development and implementation of the school's digital media strategy which includes executing written and visual content on the school's external website, internal portals, The Southridge Wednesday, social media and other digital platforms.

Natasha holds a Diploma of Business Management from Kwantlen Polytechnic University combined with a Diploma in Digital Marketing and Strategy. She has successfully completed certifications in Google Analytics, Google Adwords and Hootsuite University. Natasha has spent that past two and a half years working as an online advertising specialist where she has created, executed and managed many client campaigns across several social media platforms. Natasha brings to this role a comprehensive understanding of digital marketing and best practices combined with her passion for writing, social media and optimization of campaigns.

In keeping with the organizational design research that we completed two years ago as part of the schools' strategic plan, with the addition of Natasha to the Communications and Marketing team, Alan McInnes will transition to the IT department to focus solely on supporting the AV and Tech needs of the school as of July 1st. In the 12 years since Alan

joined our community, Southridge has seen significant growth in the expectations and scale of AV and Tech across our Junior and Senior Schools. Likewise, all schools are now relying far more on websites and digital communication channels to share information with their communities. As was recognized through our organizational design research, the two specialized areas of digital communications and AV do not logically align; however, as the world has evolved, IT and AV have become more congruent, thus it is a natural move to bring AV into the IT department to ensure we are providing the highest level of support to these areas of the school.

We would like to thank and acknowledge Alan for skillfully overseeing the two diverse areas of AV and digital communications for the last 12 years. Managing such a dissimilar and demanding portfolio has been no easy feat; however, Alan has consistently risen to the occasion, ensuring The Southridge Wednesday is published weekly and keeping his finger on the pulse of the ever-changing world of digital communications, while also ensuring our school productions, plays, and presentations maintain a high-standard of excellence and professionalism. The Communications & Marketing team will miss Alan's positive attitude, his willingness to help (no matter the request!), and his enthusiasm for the pursuit of excellence.

Thank you for your incredible contributions to the MarComms department, Alan, and please join me in welcoming Natasha to Southridge!

Darcie Sagert
Manager, Human Resources

The system will summarize the opportunities you have selected and may give you the option of adding it to your google calendar (only if you selected a specific shift).

Please do NOT share

You will also be asked to 'Share' this information on social media. This is an automatic feature of the Galaxy system that we cannot turn off. Please **do not** share your volunteering on social media. We really don't want your friends, neighbours or second cousins signing up to serve hot lunch*.

If you have any questions, please contact Kate Lucas at klucas@southeridge.bc.ca or by phone at 604-542-2303.

*Of course, if a non-parent does sign-up, we won't actually allow them to serve hot lunch. ☺

Volunteering at Southridge – Looking up volunteer opportunities

STEP 1:

After creating an account and logging in (<https://southridgebc.galaxydigital.com>), click on 'Opportunities'. You can search for a specific opportunity like "hot lunch" or "playground" by selecting 'Phrase' in the 'Search By' list. Type in the key word(s) and any opportunity that includes that word will appear.

The screenshot shows the Southridge Opportunities page. At the top, there is a banner with the Southridge logo and the text "Together WE DO GREAT THINGS". Below the banner is a navigation menu with options: DASHBOARD, OPPORTUNITIES, EVENTS, PROGRAMS, and COLLAPSE MENU. The main content area is titled "Opportunities" and features a search bar with a "SEARCH BY" dropdown menu. The dropdown menu is open, showing options: "Phrase" (circled in red), "Keywords", and "Wheelchair Accessible". A red arrow points from the search bar area to the "Phrase" option. Volunteering at Southridge – Modifying your volunteer schedule

STEP 1:

Galaxy has a great calendar feature that you can use to confirm or change your volunteer schedule. To access your calendar, click on your profile photo (or initials) on the top right corner, then select 'Volunteer Schedule' from the drop-down menu.

The screenshot shows the 'Volunteer Schedule' page for September 2018. The calendar grid shows days from Sunday to Saturday. A shift for 'Senior School Library' is listed on Monday, September 17th. A red circle highlights the 'VOLUNTEER SCHEDULE' option in the user profile dropdown menu in the top right corner.

STEP 2:

From the calendar view, click on a shift (in blue writing with a green check mark). If you don't see any writing in the calendar, you haven't signed up for anything yet for that month. On the next page, click on the green button, 'MANAGE MY RESPONSES'.

The screenshot shows the 'Senior School Library' opportunity page. The page features the Southridge logo and the slogan 'Together WE DO GREAT THINGS'. A red circle highlights the 'MANAGE MY RESPONSES' button in the top right corner. The page also includes a description of the opportunity and a photo of students in a library.

STEP 3:

Un-check green check marks to remove specific shift(s) from your schedule.

The screenshot displays the Southridge volunteer portal interface. At the top left is the Southridge logo with the tagline "SOUTHRIDGE. We are all one." and the slogan "Together WE DO GREAT THINGS" accompanied by hand icons. A green notification bar at the top states "You have responded to this opportunity." The main content area is titled "Auction Procurer" and includes a calendar icon, the date "Until Nov 7, 2018", and the text "flexible hours". Below this is a "Description" section with a photo of wrapped gifts. On the right sidebar, there is a "Volunteer Spots Remaining" section showing "9" spots and an "Interests" section with star and group icons. A green "UNREGISTER" button is circled in red. A dark notification bar at the bottom right says "There are new items in your Inbox."
