From the Administration

Dear Parents,

We recently completed the Dibels testing. We made significant growth! I am very pleased with the progress that we made from the beginning to the end of the year. This is due to good tier one instruction in the classroom, and the intervention groups. Kindergarten to third grade started the year at 69% proficient and ended the year at 86% proficient, which is a 17% increase, which is incredible. Overall as a school, we start at 72% proficient and finished the year at 85%, which is a 13% increase, which is awesome as well. With this data, I again encourage you to set time aside every day for your children to read and do some math. It will only take a few minutes each day to continue what your child has learned and will help prepare them for next school year.

Have a great summer!

Mike Page, Principal

Field Day is May 30th. **Please dress for the weather** and to possibly get wet. We hope to have a warm day for all to enjoy some fun!

PTA News

It has been an exciting week for many of our students. Parents truly make our school great!

I wanted to thank Meggan Gonzalez and Misty Mayfield for helping with the 6th grade World Fair Day. This was a fun day to learn more about world civilizations and eat great food. Thank you to all who contributed their time, money and effort on making this day great. Lunch was a fantastic affair, parents brought food from other cultures for the students to try. Hopefully this is the start of a fun tradition at our school.

I also wanted to thank Catherine Hess for organizing the Mountain Man Rendezvous for the 4th grade. Even with the challenge of high wind and rain looming over the entire day, it was a HUGE success. So many parents helped make this day possible. Chaperoning students, gutting fish, serving lunch and organizing activities. This fun day has been a tradition at our school for many years and we hope to keep it going. Thanks to all the parents who helped.

Next week will mark the end of another school year. Thank you to all who have volunteered at Oak Hills. We look forward to next year!!!

Thank you, Terra Lechtenberg, PTA President.
