You are here. Make an impact. Reflections on a theme.

Since September, the Junior School has been exploring the yearly theme, “*You are here. Make an impact*” by considering the question “*What gifts live within my impact on myself, others, and my community?*” Each month, one of our Wednesday assemblies focussed on this theme. In September, the theme was introduced and students were invited to think about impact as a gift that we can give and receive.

In October, we explored how we could give the gift of impact by being *inquiring communicators*. We read a beautiful picture book called, *Rabbit Listened*, by Cori Doerrfeld that inspired us to consider what could happen if we just took the time to listen. In November, we examined what it means to be a *reflective thinker* as we considered the importance of self-awareness as a way of having impact on ourselves and others. We examined a character infographic that challenged us to consider how our thoughts become words, that become actions, that become habits, that become our character, that shapes our destiny. In December, we considered what it means to be *open-minded* by considering our shared experiences and hopes as humans with a reading of the story, *I am Human: A Book of Empathy*, by Susan Verde.

In January, we inquired into what it means to be *courageously principled* as we explored what gifts we could give ourselves and each other if we actually practiced the “Golden Rule” (treat others the way you want to be treated) every day. Even though we often say, “practice the Golden Rule” it became clear that students had not truly internalized what it means to consider, ‘*would I like it if this was done/happened to me?*’ as a way to consider the impact of their choices. We watched a video that inspired three of our Grade 2 students to courageously lead us in creating rainbows of kindness to show each other action we can take to practice the “Golden Rule” that extended through the month of February. These rainbows remain on bulletin boards throughout the school. In March, we considered what it means to have a *balanced* and *open mind* as we watched a beautiful animated short film called *The Potter* that depicted how having a growth mindset can help us overcome challenges, setbacks, and frustrations. And finally, in May we explored how being *knowledgeable and reflective thinkers* can help our brains to grow new neural pathways by firing up our dendrites to consolidate a school year’s worth of social, emotional, and cognitive growth.

As we round out the year, I am so proud of how our students embraced this theme as they made an impact on themselves, each other, and our wider community. By being here and making an impact, our students have brought our four pillars (academics, service, athletics, and arts) to life. Every child has so much learning to be proud of. Students showed perseverance, determination, open-mindedness, and balance on their quests to become critical and creative thinkers. Design Day was a highlight for me - students across all grades worked together to explore the design prompt, "*how might we enhance cooperation, creativity, and collaboration in our play spaces?*" Our Grade 6 and 7 students embraced the opportunity to be design leaders with younger students as they imagined, empathized, planned, and prototyped. I was amazed by the creativity, innovation, and ingenuity that emerged from the designs and have made some notes of common elements that stood out for future possibilities in our play spaces.

Our Grade 7 *Making a Difference Fair* was a wonderful way to celebrate how knowledge can lead to thoughtful action and service when we are open to having an impact on ourselves and our wider community. Our busy PYP sandwich makers prepared hundreds of sandwiches over the year to impact hunger in our local community. Our SLAT (Students Leading Action Together) team led several initiatives, such as a winter clothing drive and a plastic bag collection drive to help keep plastics out of the oceans and support a local charity that makes sleeping mats for homeless members of our community.

Our athletics teams experienced the power of impact as they worked together to develop their sport-specific skills and sportsmanship. A highlight was receiving an email from a principal from another ISABC school who wrote to tell me how polite and respectful our students were while attending a Play Day at their school. Several teams had strong finishes to their seasons. Highlights include, gold for the Grade 7 Boys soccer (Div. 2), a 2nd place finish in the regular seasons for the Grade 7 Girls volleyball team, silver for the Grade 7A boys basketball team (Div. 1), bronze for the Grade 7 Girls basketball team (Div. 1), a 3rd place overall finish for the Grade 3-7 Track and Field Team at the ISEA meet, and bronze for our Coed Ultimate A Team. Congratulations to all of our athletes who represented our school and developed their commitment to being part of a team!

The MYP production of the musical *Mary Poppins Jr.* had a huge impact on our community by bringing us the joy of song, theatre, and dance as our talented musicians and artists brought Cherry Tree Lane to life. The commitment and enthusiasm of all of our Grades 5-7 students in staging this production was nothing short of outstanding - I am still singing Supercalifragilisticexpialidocious!

Thank you Junior School for embracing our yearly theme - you are here and you made an impact! Volet!

Mrs. Tanya de Hoog, Junior School Principal

Honouring Mrs. Raber's Legacy

How do you thank a founding teacher for all the wonderful contributions she has made to help shape our amazing school? How do you show your appreciation to a colleague for sharing her passion for teaching, modelling her love of learning, and inspiring us to be courageous and take risks? How do you celebrate the lasting influence she has made on students' learning by giving them a voice, choice, and ownership? How do we honour her indelible impact in a lasting and meaningful way?

Contribution is at the heart of our Southridge community. In that spirit, I invite you to join me in recognizing and celebrating Mrs. Raber's 24 years of unwavering dedication, strong leadership, and excellent service by making a donation in her name to the Carol E. Levy Memorial Bursary. This would be a meaningful way of honouring Mrs. Raber's commitment to Southridge and she would be grateful for this kind gesture in lieu of gifts or flowers.

The Carol E. Levy Memorial Bursary is offered in memory of Carol Levy, who passed away suddenly in 2007. Mrs. Levy was a founding parent of Southridge School, caring mother of Rachel, Rob, Victoria, and Hilary, and loving wife of Michael. Mrs. Levy was a remarkable woman who gave countless hours to the community and was instrumental in the formation of Southridge. Mrs. Raber loved having the opportunity to teach 3 of the 4 Levy children and this wonderful family will always have a special place in her heart.

I invite you to click here to [make a donation](#) in Mrs. Raber's name.

Also, a reminder that the Southridge community is pleased to be celebrating Mrs. Raber on Thursday, June 6th. If you would like to join us, please [RSVP](#) by Friday, May 31.

Class Placements for 2019-20

The Junior School faculty is committed to creating class groupings that consider each child's emotional, academic, and social needs within the wider grade-level context. There is a considerable amount of deliberation and care inherent in our class placement process:

- Current homeroom teachers create the initial lists in June, assigning students to Class A or Class B
- Specialist teachers and Vice-Principals review the lists and make further recommendations
- Completed lists are submitted to the Junior School Principal for final review and assignment of Homeroom teachers for September.

While we strive to ensure that each child has at least one close friend in their class, there are only two class options to choose from, which can sometimes pose challenges when creating groupings that balance the needs and dynamics of all children in the cohort. Given the sensitivity and confidentiality that must be adhered to when determining best-fit class placements, it is our policy not to entertain parental requests for certain teachers or peer groupings as we cannot guarantee that these types of requests can be honoured. Please do not make requests to your child's current teachers about class placement for the following school year. If there are specific concerns that you wish the School to be aware of, they should be addressed in advance of the end of the current school year with the Junior School Principal. Final class lists are made available electronically on the Friday before Labour Day.

We thank you in advance for your trust and confidence in our faculty as we consider a wide variety of needs in determining class placements.

Senior School Drama and Theatre Final Update

As the year winds swiftly to a close, I wanted to take this opportunity to thank all the parent volunteers who have helped out in drama and have supported their teen in a multitude of ways. Term 3 has seen the usual flurry of activity in the drama department, with our One Act Play Festival, an Improv Field Trip, and the upcoming grade 9 performance of local playwright Dennis Foon's *SKIN*, on June 4th.

We held our One Act Play Festival earlier in May and, by adjudication, the two plays selected to move on to the VISTA Festival at St. Georges were "All in Your Own Time" written by Southridge graduate **Molly Maguire** and directed by **Mireille Perez**, and "Mr. Winkler's Birthday Party" directed by **Savannah Rawlins** and **Rachel Stephens**. These shows performed at the VISTA festival last Friday night, and were both well received by the adjudicator. **Molly Maguire** ended up taking home the award for Best Student Written Play (they ignored the fact that she graduated last year), and **Jaedyn Nuraney** and **Brian Rickard** got the adjudicator's honorable mention for Stage Management and Tech.

Meanwhile, the Improv Club enjoyed a night out at Vancouver Theatre Sports and we laughed the night away! We also picked up lots of ideas for Improv exercises for the club next year. The grade 10 class is finishing up their practice run with One Acts by performing staged readings, and the grade 9 class, led by teacher Mr. Neil, is in the final stages of rehearsal for their class play, taking place on June 4th.

I am excited to announce that next year's main stage show will be Sophocles' *Antigone*, and while this may be "Greek" to some of you, we are planning on peppering the show with modern day snippets and adding in some "25 years of Southridge" context! I am also pleased to welcome **Joe Bird** and **Rowan de Hoog** as the incoming **Drama Stewards** and would like to thank **Ella Slaughter** and **Indiana Buchinski** for all their efforts this year.

Welcome Summer!

Sara MacGregor- Drama Teacher

Post-Secondary Guidance & Career Education Update

Graduation Transitions Exit Interviews for the 2019 Graduating Class

Every year in May, grads complete the requirements for the required 4 credit course, Career Education 12/Graduation Transitions, by participating in a Capstone or Exit Interview. Last Tuesday and Wednesday, the 2019s met with Junior School parents and/or Board members in the Library to discuss the four aspects of the Grad Transitions program and Career Education at Southridge:

1. Who Am I?
2. What Have I Done?
3. Where Am I Going?
4. How Am I Going to Get There?

Grads were evaluated for interview style and presentation and they received feedback on their resume format.

Grade 12 Information Night

Grade 11 Parents – please mark your calendar for Wednesday, June 5th at 7:00 pm. This annual event will be hosted by Ms. Livingston and Mrs. Becker. We will be providing information about the 2020 college and university applications and admissions process, recapping how we have prepared students in Career Education classes and providing tips and suggestions for activities to work on during the summer.

All Grade 11 students and parents are encouraged to attend!

Southridge After School Clubs

After much thought and consideration Southridge has decided that it will not be offering the After School Clubs program in September of 2019. A survey of our families in 2017 indicated an overwhelming interest in such a program, and after much organization a program was initiated in February 2018. As initially communicated, the program has been running on a trial basis since that time to determine the extent of community support for the program. We have discovered that Southridge is indeed a very busy place with many demands on the after-school time of our families. As the needs of our Southridge families changed, enrollment in the program did not match the original expressed interest from the survey. This and other factors were taken into consideration in making this decision.

We would like to thank Rita Rai for the tremendous time and effort she has put into building and successfully running the After School Clubs program with excellent and engaging programming. We would also like to take the opportunity to thank Arshi Khosa for her time and attention to the students in the program.

Southridge is happy to announce that we will continue to utilize the talents of Rita to organize and lead the Summer Camps program and are pleased that she and Arshi will be on campus supporting that program during the summer.

Respectfully,

Wendy Simpson
Director of Finance and Operations

Southridge Annual Pre-Owned Uniform Sale – May 28-30 at the Junior School Foyer

Do you know that the average Canadian throws out 37 kilograms of textiles annually? North Americans send 9.5 million tonnes of clothing to the landfill every year — most of which could be reused or recycled, according to statistics compiled by Waste Reduction Week in Canada (October 2018).

Do you also know that Southridge is trying to do its part by reselling gently used uniforms including: kilts, blazers, rompers, sweaters, vests, jackets, gym strips and ties at this year's "Pre-Owned Uniform Sale"? Come by the Junior School Great Hall between 2:00 and 4:00 pm on May 28-30 and save some money on uniforms while also helping to save our planet. Sale is cash only so come prepared!

Unfortunately, we are not set up to collect more uniforms at this time, so please hold on to any items that you would like to donate for the next sale in September...stay tuned!

25th Anniversary Gala – Call for Live and Marquis Donations

As the school year comes to a close, the Gala Committee is winding up preparations to make our 25th Anniversary Gala in November, a very special evening. One way we are hoping to make this year's Gala more significant is to provide some unique Live Auction items and Marquis silent auction items for us to bid on! If anyone has any great connections or is able to donate a truly exceptional experience or other auction item, please contact Tammy Hart at thuculak@bkslaw.com or 604 617-9279. We are also hoping to put a great trip together for our raffle, so are looking for donations of airline flights, a cruise and/or hotel nights. We would like to finalize our auction items (especially the live and marquis items and our raffle prize) before the end of the summer, so appreciate you reaching out to your connections and brainstorming some great donations!

Thanks in advance,

Your 2020 Gala Committee

(Sandeep Bhatha, Brenda Eichhorst, Anneka Gill, Tammy Hart, Jen Martin, Stephanie Schmidt)

Volunteer as a Welcome Family!

Will your child be entering Kindergarten or Grade 8 next year? Consider volunteering as a Welcome Family!

Why did you apply for Southridge School? Your answer likely includes the hope that your child would belong to a community of like-minded children and parents who experience a sense of belonging and support from each other over the years. All of us can appreciate how challenging it can be to find your place in a new school. Welcome Families can help to make that transition much easier. You don't need to have all the answers—you just need to know how to find them!

If you have a child who will be entering Kindergarten or Grade 8 next year, please consider volunteering to help welcome a new family to our school! You will be paired up in June, sent their contact information in July, and asked to connect over the summer.

If interested, please sign up online by [clicking here](#). For any questions, please contact Rebecca James at rjames@southridge.bc.ca.

End-of-Year Donations to Southridge

One of the highlights of my job at Southridge is letting a teacher know that they can purchase that special piece of equipment they requested because of a generous donation to the Annual Campaign.

Thanks to some very generous parents, we have already reached our goal for our Athletics and Arts funds this year. Thank you to all our donors!

We are still hoping to raise funds for our **Greatest Need**, **Academics**, and **Bursary** funds this year. If you have not yet [made a donation](#) this school year, please consider giving to one of the following funds to make these purchases possible:

- **Academics** – Our Junior School Learning Resource team has requested four complete sets of Phonic Reader Series to further enrich our Levelled Literacy Intervention Program. The total cost of this wish list item is \$8,000.
- **Greatest Need Fund** – If you would prefer to make a general or unrestricted donation to Southridge, the Greatest Need Fund is allocated on an annual basis to the projects around the school that need it most. **Our goal is to raise \$75,000 for this important fund.**
- Finally, directing your gift towards our endowment funds allows us to offer bursaries to students who would otherwise be unable to attend Southridge. **This is a remarkable way to make a real impact on a student's life.** Contributing to either the Carol E. Levy Memorial Endowment Fund or the Alan Brown Memorial Endowment fund also allows us to be more accessible to a broader socio-economic family population.

Donations can be made easily and safely [online here](#). Or, if you would prefer to make a donation by cheque, please ensure that you have dropped it off to Kate Lucas or myself in the Advancement Office in Room 140.

Thank you to all our parents who have already made a donation to Southridge this year! We are most grateful for our continued and generous support! Please contact me if you have any questions at all at chodson@southridge.bc.ca.

Thank you again for all your support of Southridge and our students and for [making a donation](#) this year!

Thank you again,

Christiane Hodson
Director of Advancement

Join the Southridge World Partnership Walk

This year Southridge is going to be sending a team to the World Partnership Walk, the largest public movement to end global poverty. The walk is an annual initiative held across the country by the Aga Khan Foundation Canada that works to provide development and sustainability to communities in Africa and Asia. As a combined effort between the Junior and Senior School, we hope to have many students join the team and help fundraise. The Vancouver walk will be on June 16th at 10 AM in Lumberman's Arch, Stanley Park. Those who cannot make it on the walk day are still encouraged to register and raise money for this important cause. Anybody who is planning on attending will receive a t-shirt that they can wear to the walk! Students can see Mizan Hemani, Raeya Somani, or Dr. Bspflug for more information.

To join the team please follow the link below and start sending out emails to fundraise!

Allergy Aware Reminder

At this time of the year, lots of wonderful appreciation and celebration treats trickle into the Junior School staff room and classrooms. As an allergy aware school, we all need to do our part to minimize the risk of exposure to life-threatening allergens for our students who are anaphylactic. If you are dropping off treats for students or teachers, please ensure that they don't contain nuts or nut products, as we have many students who are severely allergic to these allergens. Please also be considerate of other life-threatening allergens that may be unique to your child's classmates. Thank you for helping to keep all spaces in our Junior School allergy aware.

The system will summarize the opportunities you have selected and may give you the option of adding it to your google calendar (only if you selected a specific shift).

Please do NOT share

You will also be asked to 'Share' this information on social media. This is an automatic feature of the Galaxy system that we cannot turn off. Please **do not** share your volunteering on social media. We really don't want your friends, neighbours or second cousins signing up to serve hot lunch*.

If you have any questions, please contact Kate Lucas at klucas@southeridge.bc.ca or by phone at 604-542-2303.

*Of course, if a non-parent does sign-up, we won't actually allow them to serve hot lunch. ☺

Volunteering at Southridge – Looking up volunteer opportunities

STEP 1:

After creating an account and logging in (<https://southridgebc.galaxydigital.com>), click on 'Opportunities'. You can search for a specific opportunity like "hot lunch" or "playground" by selecting 'Phrase' in the 'Search By' list. Type in the key word(s) and any opportunity that includes that word will appear.

The screenshot shows the Southridge Opportunities page. At the top, there is a banner with the Southridge logo and the text "SOUTHBRIDGE. We are all one. Together WE DO GREAT THINGS". Below the banner is a navigation menu with options: DASHBOARD, OPPORTUNITIES, EVENTS, PROGRAMS, and COLLAPSE MENU. The main content area is titled "Opportunities" and features a table of volunteer opportunities. A search filter dropdown menu is open, showing options: -- SELECT A FILTER --, Age, Program, Date, Distance, Family Friendly, Interest, and Phrase (highlighted with a red circle). A red arrow points from the search filter dropdown to the search input field.

Volunteering at Southridge – Modifying your volunteer schedule

STEP 1:

Galaxy has a great calendar feature that you can use to confirm or change your volunteer schedule. To access your calendar, click on your profile photo (or initials) on the top right corner, then select 'Volunteer Schedule' from the drop-down menu.

The screenshot shows the 'Volunteer Schedule' page for September 2018. The calendar grid shows days from Sunday to Saturday. A shift for 'Senior School Library' is listed on Monday, September 17th. The user profile dropdown menu is open, showing options like 'VIEW PROFILE', 'EDIT PROFILE', 'VOLUNTEER SCHEDULE', 'QUALIFICATIONS', 'OPPORTUNITY RESPONSES', 'MY TEAMS', 'INBOX', and 'LOGOUT'. The 'VOLUNTEER SCHEDULE' option is circled in red. The shift on the calendar is also circled in red.

STEP 2:

From the calendar view, click on a shift (in blue writing with a green check mark). If you don't see any writing in the calendar, you haven't signed up for anything yet for that month. On the next page, click on the green button, 'MANAGE MY RESPONSES'.

The screenshot shows the 'Senior School Library' opportunity page. The page features the Southridge logo and the slogan 'Together WE DO GREAT THINGS'. The main content area shows the opportunity title 'Senior School Library' and a description with an image of students in a library. A green button labeled 'MANAGE MY RESPONSES' is circled in red. The page also includes a sidebar with navigation options and a 'Program' section.

STEP 3:

Un-check green check marks to remove specific shift(s) from your schedule.
