Dear Licensed Prescriber: **(Please note Health Care provider must be someone other than a parent)**

Your patient is a student at Blair Academy and is under your care regarding the management of a prescription medication. School and state regulations require that these medications be administered from the school's Health Center and that a written medication order from the licensed prescribing provider be kept on file in the student's medical record.

We work with **North Warren Pharmacy, 908-362-5156, 155 NJ Route 94 Blairstown, NJ 07825** for prescriptions, refills and blister packaging. **ALL medications must be blister packed; no exceptions.** Please be sure to discuss a plan for your patient to obtain refill prescriptions from you so that there is little or no interruption of his/her medication. Please feel free to contact the Health Center directly with any questions.

Sincerely,
Tara Parker, APN, NP-C
Director of Health Services
