Greetings from your Assistant Principal

Dear Families,

It is that time of year again. We need to begin re-enrolling students for the upcoming 2019-2020 school year. It is essential that we have accurate student data for all students enrolled in our District before the end of the 2018-2019 school year. This will assist us with planning, staffing, and establishing the new bus routes for the coming year.

Please be aware that Minooka CCSD #201 will require all new and returning students to establish residency in order to be enrolled for the next school year. All new families will be required to register their children in person at one of our schools. [Registration Requirements](#)

In order to register for the 2019-2020 school year, proofs from each of the following categories are required to establish residency:

Category 1: Home ownership title, deed, or current property tax bill; Apartment or home lease or rental agreement

Category 2: Current utility bill (water, gas, electric, cable, dish, or phone) or insurance bill (homeowners, rental, or auto)

If you register and provide all documents by May 31, 2019, you will receive a \$30 per student discount. Should you have any registration questions, please contact us at (815) 290-7100.

kindest Regards,
Mrs. Sarah Monroe ☺
